Ayodeji Adewuya, 2016-10-21 Paul's understanding of holiness stems from the holiness of God as revealed in the Old Testament Using varied terminology Paul describes the holiness that should characterize the believers as the people of God God expects moral integrity of his people because he has provided believers with his Holy Spirit to enable them to live exemplary Christlike lives in this present world though polluted as they prepare for the world to come Believers who like Paul anticipate the Parousia must not only desire but also pray that holiness becomes a reality in their lives cognizant of the fact that holiness is a matter of practice not merely a status that one attains upon justification Thus holiness is an imperative for the people of God *Love Letters* Helen M. Moss, 2015-08-30 What is a Love Letter Merriam Webster's online dictionary defines love as an unselfish loyal and benevolent concern for the good of another as 1 the fatherly concern of God for humankind 2 brotherly concern for others b a person's adoration of God Love Letters Paul's Epistles and Ministry to the Early Church is the epitome of this type of love For Paul's letters to the early church illuminated his love for God manifested in the life death and resurrection of Jesus Christ as well as his true affection for the Jews and Gentiles who were establishing the early Bodies of Christ the church This book chronicles the Apostle Paul's missionary journeys through the Roman Empire teaching and preaching the Gospel of Jesus Christ to both Jewish Christians and Gentiles The epistles letters written to the early churches served several purposes They contained heartfelt greetings praise thanksgiving words of encouragement and when necessary chastisements But more importantly the Love Letters conveyed the unconditional love of Jesus Christ for the believer The epistles to the early churches also helped to form doctrine church order conduct and traditions plus accepted leadership qualities along with responsibilities The tone of the letters was infused with Paul's genuine benevolent concern for and loyalty to the early Christians establishing churches in a hostile environment Love Letters Paul's Epistles and Ministry to the Early Church while serving as an examination of the early church and its formation it also can be a template for the church today as it meets the challenges of the contemporary world *Letters of St. Paul the Apostle* Johann Caspar Lavater, 1805 **St. Paul; His Life, Letters, and Christian Doctrine** Alan Hugh McNeile, 1925

The Apostle Paul and His Letters Edwin D. Freed, 2005-01 This book is written for a wide range of interested readers including students pastors church workers and others interested in learning about Paul as a person and his work The author deals with Paul and the book of Acts the circumstances that led Paul to write each letter and his responses to those circumstances A unique aspect of the work is Paul's emphasis on the morality of the believers to whom he was writing his ways in Christ as he taught them everywhere in every church Brief discussions of Paul's language help to enlighten meanings of his thought often overlooked His thought is presented in light of his own times not those of the Reformation or our own Material from the Old Testament Qumran and pagan sources makes readers more aware of that fact Paul was not writing for

Christians in the modern sense of the term because it was not in use among followers of Jesus when he lived. Rather, he was writing primarily to converts, especially Gentiles who came into his churches only recently from either Judaism or paganism. Paul's emphases on faithfulness toward God, the faithfulness of Jesus, and his moral teachings are primary themes. There is an extensive bibliography for persons interested in more advanced study.
