St Symeon The New Theologian And Orthodox Tradition:

St Symeon the New Theologian and Orthodox Tradition Hilarion Alfeyev, 2025-02-18 This book is a study of the mystical nature of tradition and the traditional nature of mysticism and of St Symeon as both a highly personal and very traditional ecclesiastical writer The teachings of St Symeon late tenth to early eleventh century created much controversy in Byzantium and even led to a short lived exile to Asia Minor For the first time in modern scholarship St Symeon s attitude to Scripture and to church worship his relations with his spiritual father Symeon the Studite and the Studite tradition in general are examined Separate chapters are dedicated to Symeon s cycle of daily reading to his attitude to hagiographical literature to his trinitarian theology ecclesiology anthropology and mysticism Special attention is also paid to the links between Symeon and preceeding authors such as Gregory Nazianzen In this book Dr Alfeyev aims to redress the balance existing in the modern scholarly approach to Symeon and more generally to the Byzantine mystical tradition By examining Symeon from within the tradition to which both he and the author belong Dr Alfeyev breaks new ground in original research St. Symeon the New Theologian and Orthodox Tradition Ilarion (Hieromonk.), Hilarion Alfeyev, 2000 This book is a study of the mystical nature of tradition and the traditional nature of mysticism and of St Symeon as both a highly personal and very traditional ecclesiastical writer The teachings of St Symeon 949 1022 created much controversy in Byzantium and even led to a short lived exile to Asia Minor in 1009 For the first time in modern scholarship these teachings are examined from within the tradition to which both St Symeon and Dr Alfeyev belong **St. Symeon the New Theologian and Orthodox Tradition** Ilarion (Metropolitan of Volokolamsk), 2000 Hilarion Alfeyev considers the mystical nature of tradition and the traditional nature of mysticism in this study of St Symeon and his relationship to the Orthodox Christian Church **St Symeon the New Theologian and Orthodox Tradition** Ilarion (Hieromonk.), 1995 **The Eucharist in Theology and Philosophy** István Perczel, Réka Forrai, György Geréby, 2005 Discusses the conceptual doctrinal theological and philosophical aspects of the developments concerning the Eucharistic doctrines of the Christian Churches not just the Western ones but the Byzantino Slavic and Oriental ones too **A Guide to St. Symeon the New Theologian** Hannah Hunt, 2015-03-26 A Companion to St Symeon the New Theologian is an accessible guide to one of the great mystical writers of the Eastern Christian tradition His impassioned writings bring to life the monasticism of the Byzantine Empire at the end of the tenth century Dr Hunt s succinct analysis of his life times and work draws from his homilies hymns and other writings to show his unique contribution to the spiritual life The book details his development as a monk shaped by the guidance and example of the Studite monk Symeon Eulables his conflicts with the church authorities and his inspiration of pupils such as Nicetas Stethatos who later wrote a biography of his master Hunt places St Symeon s conviction that only direct experience of God s divine light confers authority in the context of his work as an abbot and spiritual father Other aspects of his theology such as the importance of tears visions of light and obedience to one s spiritual father are also assessed An indication of further

reading indices and a comprehensive glossary of unfamiliar terms make this an invaluable addition to the field both for those studying church history or religious studies and for general Christian readers *Discourses*

Epictetus,2020-04-07T18:49:07Z Raised a slave in Nero's court Epictetus would become one of the most influential philosophers in the Stoic tradition While exiled in Greece by an emperor who considered philosophers a threat Epictetus founded a school of philosophy at Nicopolis His student Arrian of Nicomedia took careful notes of his sometimes cantankerous lectures the surviving examples of which are now known as the *Discourses of Epictetus* In these discourses Epictetus explains how to gain peace of mind by only willing that which is within the domain of your will There is no point in getting upset about things that are outside of your control that only leads to distress Instead let such things be however they are and focus your effort on the things that are in your control your own attitudes and priorities This way you can never be thrown off balance and tranquility is yours for the taking The lessons in the *Discourses of Epictetus* along with his *Enchiridion* have continued to attract new adherents to Stoic philosophy down to the present day This book is part of the Standard Ebooks project which produces free public domain ebooks **Orthodox Tradition and Human Sexuality**

Thomas Arentzen,Ashley M. Purpura,Aristotle Papanikolaou,2022-11-15 Sex is a difficult issue for contemporary Christians but the past decade has witnessed a newfound openness regarding the topic among Eastern Orthodox Christians Both the theological trajectory and the historical circumstances of the Orthodox Church differ radically from those of other Christian denominations that have already developed robust and creative reflections on sexuality and sexual diversity Within its unique history theology and tradition Orthodox Christianity holds rich resources for engaging challenging questions of sexuality in new and responsive ways What is at stake in questions of sexuality in the Orthodox tradition What sources and theological convictions can uniquely shape Orthodox understandings of sexuality This volume aims to create an agora for discussing sex and not least the sexualities that are often thought of as untraditional in Orthodox contexts Through fifteen distinct chapters written by leading scholars and theologians this book offers a developed treatment of sexuality in the Orthodox Christian world by approaching the subject from scriptural patristic theological historical and sociological perspectives Chapters devoted to practical and pastoral insights as well as reflections on specific cultural contexts engage the human realities of sexual diversity and Christian life From re thinking scripture to developing theologies of sex from eschatological views of eros to re evaluations of the Orthodox responses to science this book offers new thinking on pressing present day issues and initiates conversations about homosexuality and sexual diversity within Orthodox Christianity The ^Aphilokalia Brock
