St Augustine Against The Academics:

Against the Academics Saint Augustine, 2019-06-25 A fresh new translation of Augustine's inaugural work as a Christian convert. The first four works written by St Augustine of Hippo after his conversion to Christianity are the remarkable Cassiciacum dialogues. In this first dialogue expertly translated by Michael Foley, Augustine and his interlocutors explore the history and teachings of Academic skepticism, which Augustine is both sympathetic to and critical of. The dialogue serves as a fitting launching point for a knowledge of God and the soul, the overall subject of the Cassiciacum tetralogy. *St Augustine* Saint Augustine, 2011-06-01 From Mediaeval Philosophical Texts In Translation No 2

Against the Academics Saint Augustine, 2019-06-25 A fresh new translation of Augustine's inaugural work as a Christian convert. The first four works written by St Augustine of Hippo after his conversion to Christianity are the remarkable Cassiciacum dialogues. In this first dialogue expertly translated by Michael Foley, Augustine and his interlocutors explore the history and teachings of Academic skepticism, which Augustine is both sympathetic to and critical of. The dialogue serves as a fitting launching point for a knowledge of God and the soul, the overall subject of the Cassiciacum tetralogy.

Against the Academicians and The Teacher Augustine, 1995-09-15 These new translations of two treatises dealing with the possibility and nature of knowledge in the face of skeptical challenges are the first to be rendered from the Latin critical edition, the first to be made specifically with a philosophical audience in mind and the first to be translated by a scholar with expertise in both modern epistemology and philosophy of language.

Against the Academics Saint Augustine, 1951 Made up of three books that are the earliest extant works of St Augustine, these works claim to give a reliable picture of the mind and way of life of one of the greatest figures of the West precisely at the moment that was for him most critical and vital.
