Stability Change In Nordic Labour Law:

The Transformation of Labour Law in Europe Bob Hepple, Bruno Veneziani, 2009-09-02 The labour laws of European democracies all underwent major transformations in the seven decades after the Second World War Following reconstruction these laws became an essential element in the building of welfare states in the 1980s and 1990s they were the target of neo liberal deregulation and at the beginning of the 21st century new flexible labour laws have attempted to integrate economic and social policy This book a sequel to *The Making of Labour Law in Europe A Comparative Study of Nine Countries up to 1945* ed B Hepple compares the similarities and differences in the ways in which EU Member States reflected and shaped these general developments in the context of economic social and political changes over the period 1945 2004 Note the Publishers are issuing a reprint of the first volume *The Making of Labour Law in Europe A Comparative Study of Nine Countries up to 1945* to coincide with publication of the sequel The great strength of the collection is on the focus on context with chapters looking at developments in labour market trends and structures of worker representation

New Labour Laws in Old Member States Rebecca Zahn, 2017-05-11 This book compares the ways in which trade unions in five EU member states have responded to increased migration

Changing Industrial Relations & Modernisation of Labour Law Marco Biagi, 2003-01-01 Thirty three distinguished authorities in the field of labour and industrial relations law gather here to enhance and complement the work of the late Marco Biagi a man who at the time of his violent and untimely death had shown himself to be the most insightful and committed international scholar in this complex and controversial and as it proved even dangerous field The topics covered range over many of Professor Biagi's special interests including the following the formulation of a new basis for labour law that could resolve new issues employee protection in corporate restructuring the trend toward individual enterprise bargaining a new European employment policy and what it might entail the growing phenomenon of flexibilisation the effects of an aging workforce the crucial nexus of free trade labour and human rights the promise of EU enlargement and protection of part time workers There is a lot of insight innovation and just clear thinking in this wide ranging and far reaching book It will be of exceptional value to scholars lawyers and others concerned with the extensive and unpredictable changes under way in today's world of work

Restatement of Labour Law in Europe Bernd Waas, Guus Heerma van Voss, 2017-07-27 The concept of employee is arguably the most important one in labour law defining as it does the scope of the discipline as a whole This important new publication aims to develop a restatement of the concept of the employee in European labour law The study identifies both problems and solutions that have emerged clearly setting out comparisons between the different member states approaches The country reports explore both statutes and case law tracking their contribution to legal doctrine The objective of the restatement is to increase knowledge and gain a better understanding of one of the most crucial aspects of European labour law Assistant Editors Marta Otto Effrosyni Bakirtzi

Transnational Labour Regulation Kerstin Ahlberg, 2008 This book illuminates the process and substance of transnational

regulation of labour in a global economy Transnational labour regulation a central feature of the European social model engages the 27 Member States of the European Union and is of potential importance to the rest of the world The book analyses the attempts at transnational regulation of temporary agency work through the social dialogue between trade unions and employers organisations at European level and the subsequent and so far fruitless EU legislative process These two processes of transnational labour regulation and their interaction until now have been largely invisible The book also highlights distinctive features of Member States national regulation as they interacted with the debates on EU transnational labour regulation It further explores the overlap between regulation of temporary agency work and the EU s regulation of transnational trade in services the subject of the Directive on services in the internal market Finally it draws lessons from the experience of regulation of temporary agency work at national and European levels for transnational labour regulation in general
