

A black stage lighting fixture, possibly a Fresnel, is positioned diagonally across the frame. It sits on a surface covered with a technical blueprint or architectural drawing, which features various lines, circles, and text. In the upper left corner, there are several overlapping colored squares in shades of blue, green, yellow, and white. A power cord with a three-pronged plug is visible in the lower left, and a metal tool, possibly a wrench, is partially visible in the lower right. The entire scene is set against a light-colored background.
