Stalking The Florida Panther

Michael J. Rosen

Stalking The Florida Panther:

Stalking the Florida Panther Enid Shomer, 1987 The Florida Panther David Maehr, 2012-07-16 When the first field study of the Florida panther took place in 1973 so little was known about the animal that many scientists believed it was already extinct During more extensive research conducted from 1981 to 1986 panthers were proven to exist but the handful of senile anemic and parasite infested specimens that were captured indicated a grim future During those early years a remarkably enduring image of the panther was born and despite voluminous data gathered over the next decade that showed the panther to be healthy long lived and reproducing that earlier image has yet to be dispelled For nine years biologist David S Maehr served as project leader of the Florida Panther Study Project helping to gather much of the later surprisingly positive data In The Florida Panther he presents the first detailed portrait of the animal its biology natural history and current status and a realistic assessment of its prospects for survival Maehr also provides an intriguing look at the life and work of a field biologist how captures are made the intricacies of radio telemetry tracking the roles of various team members He describes the devastating intrusion of politics into scientific work as he discusses the widespread problems caused by the failure of remote and ill informed managers to provide needed support and to communicate effectively to the public the goals and accomplishments of the scientists He examines controversial efforts to establish a captive breeding program and to manipulate the Florida panther's genetic stock with the introduction of relatives from west Texas Protection of high quality habitat much of it in the hands of private landowners is the key to the long term survival of the Florida panther Unless agency decisionmakers and the public are aware of the panther's true situation little can be done to save it This book will play a vital role in correcting widespread misconceptions about the panther's current condition and threats to its survival

Encounters with Florida's Endangered Wildlife Doug Alderson, 2010-05-16 Eastern bison roamed Florida into the 1800s Red wolves disappeared in the 1920s The dusky seaside sparrow was declared extinct in 1990 It's too soon to say whether the 116 threatened endangered or imperiled animal species currently found in the state will also fall victim to climate change extermination overdevelopment or poisons But as long as they remain there will be men and women who work tirelessly on their behalf Combining adventure natural history and cultural history Encounters with Florida's Endangered Wildlife features chapters tracking panthers black bears whooping cranes manatees sea turtles even ivory billed woodpeckers which may or may not be extinct Join Doug Alderson as he travels into prairies woods springs and ocean to come face to face with these and other captivating creatures and learns firsthand about their strangled lives and fragile habitats With a chapter on the impact of non native populations of Burmese pythons and Rhesus monkeys as well as a chilling epilogue that imagines the peninsula one hundred years in the future this book is a must read for anyone who wants to know more about the current state of wild Florida Audubon Wildlife Report 1988/1989 William J. Chandler, 2013-09-24 Audubon Wildlife Report 1988 1989 focuses on federal wildlife conservation policy with extensive background information on

the history legal authorities and administrative structure of federal wildlife agencies and programs The report also includes in depth treatment of significant problems issues and developments including wildlife The text is divided into five parts Part One features an agency related to wildlife conservation which is The National Marine Fisheries Service in this volume Part Two covers wildlife issues in national forests and national parks as well as legal developments affecting wildlife Part Three deals with challenges in conservation such as wildlife and water projects on the Platte River international wildlife trade and plastic debris and its effects on marine wildlife Part Four discusses species accounts such as the moose the Florida panther and the common barn owl Part Five consists of appendices which indexes directories of conservation agencies congressional contacts and the endangered species list The book is recommended for biologists conservationists and environmentalists who would like to know more about the status of endangered species as well as the problems and programs of certain conservation agencies

Myakka P J Benschhoff, 2015-10-17 Discover the story of the land of Myakka This book takes you into shady hammocks of twisted oaks and up into aerial gardens down the wild and scenic river and across a variegated canvas of prairies piney woods and wetlands all located in Myakka River State Park the largest state park in Florida Each adventure tells the story of a unique facet of this wilderness area and takes you into secret places it would take years to discover on your own Whether you're visiting the park for the first time or have frequented the area since childhood the adventures described here are sure to awaken your primitive instincts to explore the unknown If you return to the same places at different times of the year you'll find enough adventures to last a lifetime You'll never be one of those people who asks "What's there to do in the park today"

Stalking The Florida Panther Introduction

In today's digital age, the availability of Stalking The Florida Panther books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Stalking The Florida Panther books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Stalking The Florida Panther books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Stalking The Florida Panther versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Stalking The Florida Panther books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Stalking The Florida Panther books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Stalking The Florida Panther books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Stalking The Florida Panther books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Stalking The Florida Panther books and manuals for download and embark on your journey of knowledge?
