a struggle for the soul of a town a university and an ideal Based on actual historical events and set against the backdrop of political cultural and class turmoil this is a story of love both licit and hidden war friendship betrayal compromise and finally the necessity to stand firm against the encroachments upon freedom by men who believe they are doing God s and the government s righteous work The Committee takes place on campus but deserves to be included with those academic novels like Mary McCarthy s The Groves of Academe Randall Jarrell s Pictures from an Institution Kingsley Amis s Lucky Jim and Jane Smiley s Moo all books that burst out of their scholarly settings to light up the characters and societies they live in This book will hold you to the very end and after Peter Meinke Creative Loafing Tampa Bay At once an historical political and academic novel and it is one that succeeds on all these fronts Reviewing the Evidence Bully the Bully Michael

Thomas,2008-08 Bully the Bully is a true story of the author s near death experience being hung and left to die on a telephone pole by local bullies in northern New Jersey Although the events take place during the late sixties the author begins with his witnessing of a child in his Karate class being bullied by some other kids The noises of a beating the cries of the victim all bring back the nightmares of his childhood He takes the reader back to the events of his past the painful break up of his parents his mother leaving and the wandering from town to town with his father and younger brother How many of us can relate to the In Kids and the Out Kids of our past Fat skinny ugly nerdy or just different is how the author categorizes the Out Kids You might think you ve been picked on in the past but when you read this story you will find a new meaning to the word Bully There is no escape from the bully until that day finally comes when you make that difficult decision that you ve had enough Anger will then take the place of fear and no matter what the outcome good or bad your life will change forever First this book is for your enjoyment but hopefully for some it will be an education for others they will relive their past like I have relived mine But most of all I hope it changes some peoples lives for the better **From QoS Provisioning**
