I found school a burden, college a practical impossibility, and life a misery because of my affliction. I was born in Wabash County, Indiana, and as far back as I can remember, there was never a time when I did not stammer or stutter. So far as I know, the halting utterance came with the first word I spoke, and for almost twenty years, this difficulty continued to dog me relentlessly.

Stammering Benjamin Nathaniel Bogue, 2018-01-13 Excerpt from *Stammering Its Cause and Cure* I have spent a life time in studying stammering, stuttering, and kindred speech defects. I have written this book out of the fullness of that experience. I might almost say, out of my daily work, I have made no attempt at literary style or rhetorical excellence, and while the work may be homely in expression, the information it contains is definite and positive, and what is more important, it is authoritative.
