The Good The Bad And The Ghastly World War Two:

The Junior Bookshelf, 1995 **The War Within - Between Good and Evil** Bhimeswara Challa, The human has always prided himself as an exceptional moral species but has always been haunted by two questions Why am I not good when I want to be why do I do bad when I don't want to This is at the heart of what scriptures and sages have long alluded to as the eternal internal struggle between good and evil that wages in the human consciousness The book posits that much of our confusion and angst stems from our inability to recognize the ramifications of this war between two sides of our own self It is because we are ignoring this war between two sides of our own self It is because we are ignoring this war that we are losing all other wars of the world That ignorance is the primary source of all the horrors malevolence and violence that fill us with so much dread But a favorable outcome is possible only if the forces of goodness are aided to get an upper hand consistently and that calls for two cathartic changes consciousness change by inducing a turn from the mind to the heart and contextual change by radically reconstructing the roles of morality money and mortality in our everyday lives The book offers a menu of insights and options we all can use to tilt the scales in the war waging inside each of us **The Good, the Bad & the Ghastly** Terrance Dicks, Kathryn Lamb, 1995 A collection of sometimes tongue in cheek accounts of the lives and wartime exploits of such key World War Two figures as Hitler Churchill Rommel Montgomery Vera Lynn Leni Riefenstahl Eisenhower Anne Frank Suggested level intermediate secondary **The Good, the Bad and the Ghastly** Terrance Dicks, 1996-05
