The Gospel According To John Volume 19:

The Gospel According to John Thomas L. Brodie, 1997 John Livingstone, 2021-03-02 The Life Application Bible Commentary series is the only commentary to offer sermon and lesson applications alongside stirring commentary Each volume in the series provides in depth explanation background and application for every verse in the text Perfect for sermon preparation and lesson planning this one of a kind reference provides excellent quotes and a bibliography for additional commentary Additional features include Charts diagrams and maps on the same page as their related verses Quotes from various versions such as the NIV NRSV and NLT Key information graphically highlighted The Gospel and Letters of John, Volume 2 Urban C. von Wahlde, 2010-11-22 Urban von Wahlde s radically new three volume commentary on the Gospel and Letters of John is the most detailed study of the composition of the Johannine literature ever put forth by an American scholar Nearly all of the problems confronted by those who study John have to do with the literary strata of the Gospel of John and their relation to the composition of the Letters of John With an archaeologist s precision and engaging a whole range of scholarly contributions in this area von Wahlde digs down to the foundations and exposes three distinct literary strata in the development of the Johannine tradition Volume 1 gives detailed evidence identifying and listing the criteria for each stratum Volumes 2 and 3 apply those criteria to the Gospel and Letters of John respectively These books are part of the Eerdmans Critical Commentary series edited by David Noel Freedman and Astrid B Beck The Gospel of John : 2 Volumes Craig S. Keener, 2010-03-01 Keener s commentary explores the Jewish and Greco Roman settings of John more deeply than previous works paying special attention to social historical and rhetorical features of the Gospel It cites about 4 000 different secondary sources and uses over 20 000 references from ancient literature Anti-Judaism and the Gospel of John Mirosław Stanisław Wróbel, 2023-12-04 In the light of the research undertaken in this book the author concludes that the so called anti Jewish texts in Johannine Gospel are not directed against the Jews being an ethnic or religious community The object of the polemic and attacks is not the entire Jewish nation across the span of all the ages but a group of the Jewish leaders or opponents to Jesus in the First Century AD Looking through the prism of the aposynagagal polemics one can notice that the state of tension between the Johannine community and the rabbinic Judaism is inter Jewish not anti Jewish in character The source of the polemical language of the Fourth Gospel is the Christological discussion in the historical and sociological context the Messianic confession the excommunication from the Synagogue the presence of Samaritans in the Johannine community the struggle for the preservation of the identity *THE GOSPEL OF JOHN (VOLUME 2)* DR. CARLOS N. MOORE, 2017-01-07 The gospel of John s portrayal of Jesus as the God of the Old Testament is seen most emphatically in the seven I Am statements of Jesus He is the Bread of life provided by God to feed the souls of His people just as He provided manna from heaven to feed the Israelites in the wilderness Jesus is the Light of the world the same Light that God promised to His people in the Old Testament and which will find its culmination in the New Jerusalem when Christ the Lamb will be its

Light The Gospel According to St. John, Volume 1 B. F. Westcott, 2022-08-12 B F Westcott's classic work on the Greek text of the Gospel of John was the fruit of forty years of research the book having been commissioned around 1860 and published posthumously by his son The Greek text is that of Westcott and Hort Readings of select Greek uncial manuscripts are placed beneath the text in the case of textual variants noted in the Introduction and all the more important readings are treated in special critical notes which are indexed

The Gospel According to John D. A. Carson, 1991 With this acclaimed volume in the Pillar New Testament Commentary series Carson explains the text of John's Gospel to help you minister the Word of God to others either by preaching or by leading Bible studies The commentary will also deepen your understanding of the Gospel in your own life and worship Throughout his commentary Carson does the following makes clear the flow of the text focusing on the movement of thought rather than on word studies and Greek syntax engages a small but representative part of the massive secondary literature on John providing a kind of map of contemporary studies on this Gospel draws a few lines toward establishing how John's Gospel contributes to biblical and systematic theology offers a consistent exposition of John as an evangelistic Gospel Preceded by a comprehensive introduction treating such matters as the authenticity authorship purpose and structure of the Gospel this commentary on John exhibits the solid evangelical Scripture exposition for which Carson is well known and respected

Raymond Brown, 'The Jews,' and the Gospel of John Sonya Shetty Cronin, 2015-02-26 Until the mid 1960s most commentators of the Gospel of John were aware of a polemic against the Jews yet they did not consider it with reference to contemporary ethical discussion A shift in focus in Johannine scholarship is noticeable from the mid 1960s and 1970s to the present where commentators began to connect the Gospel's polemic against the Jews with potential anti Judaism in the text As yet very little work has been done to answer the question of how this change in sensitivity came about This book is a historiography of one scholar's growing awareness of potential anti Judaism in the Gospel of John with the intention of using this individual history to explain the larger trend in biblical studies Sonya Cronin examines the published work of Raymond Brown a prominent Catholic New Testament scholar between the years 1960 1998 The book contextualizes Brown's work by evaluating the impact of ecclesiastical statements and the influence of earlier and contemporary Johannine scholarship on Brown's biblical interpretation and then posits theories as to why change occurs at specific times

Jesus, the ultimate truth Angel Gabriel, 2024-02-29 I have much to write to you but I do not want to use paper and ink 2 John 12 The word paper did not exist until 1200 AD Taking Jesus body the two wrapped it with spices in strips of linen This was in accordance with Jewish burial customs John 19 40 Applying spices to bodies for burial is strictly prohibited by Jewish Laws for burials
