The Gospel According To Matthew Volume II:

The Gospel of Matthew, Volume Two William Barclay, 2002-01-01 Ever question what may have been meant by the statement You are Peter and on this rock Are you puzzled by the cursing of the fig tree by Jesus or by his comments about moving mountains William Barclay discusses these and many other interesting matters in this second volume of The Gospel of Matthew With a lively translation and engaging commentary Barclay s comments on the latter portion of Matthew s Gospel are great for daily readings For almost fifty years and for millions of readers the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study Now with the release of the New Daily Study Bible a new generation will appreciate the wisdom of William Barclay With clarification of less familiar illustrations and inclusion of more contemporary language the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives **The Gospel of St. Matthew** Heinrich August Wilhelm Meyer, 1877

Original Gospel of Matthew Vol. 2 Stanford Rives, 2012-12-15 Stanford Rives seeks to provide the best approximation of the original Gospel of Matthew based upon Hebrew sources There is no disputing Matthew wrote his gospel in Hebrew In about 400 AD Jerome translated it from a copy at the Library of Caesarea It was quoted dozens of times by the earliest church commentators Jerome explained that our Greek version of Matthew came from this Hebrew version Jerome noted a score of variants that were interesting The Shem Tob version of Matthew is the best candidate to reflect the original Hebrew Matthew Stanford Rives a Christian attorney tries to meticulously assemble what likely was the original Matthew from all these sources It is hoped that this will be edifying to the faithful This first of three volumes collects all viable earliest variants for Matthew overlaid on the framework of the American Standard Version of Matthew from 1901 These variants are color coded for easy identification The variants are footnoted so the reader can read its source and weigh its strength and viability The second volume will collect important scholarly material on the validity of the early variants and the significance of the changes to the traditional text Topics covered in volume two include whether the virgin birth was originally present whether Yahweh s name was originally used and on the aid to apologetics which the original Matthew variants provides The third volume is intended for devotional reading It attempts to represent the best estimate of what the entire original Gospel of Matthew contained There is no commentary It is simply a smooth flowing text with the best variants reflected in the text using color coding to signify the source of each variant The same color codes are used in volume three as used in volume one They will tell the reader the general source of the variant but to know the precise citation for the variant one must refer back to Volume I The first and third volumes are separated to keep customer purchase costs down This allows the readers to choose whether to purchase just volume one or also volume three to know the contents of the Original Gospel of Matthew

Jesus, Paul and Matthew, Volume Two Andries Van Aarde, 2020-04-16

This book is the second of two volumes which reflect on the trend in biblical scholarship that contrasts the vision of the historical Jesus with that of the apostle Paul on the one hand and the vision of Paul with that of the evangelist Matthew on the other It argues that Jesus replaced the concept of politics of holiness with that of politics of compassion This means that the church as a community of Jesus followers forms a fictive family replacing a soteriology grounded in the biological family God's adoption of people as God's children is based on the potential of people to absorb the divine into their humanity This truism is to be found in the visions shared by the peasant Jesus the apostle Paul and the rabbi Matthew as well as in creedal Christianity The book concludes with autobiographical reflective notes analogous to the parabolic story of the travellers to Emmaus from Jerusalem Luke 24 and that of the African eunuch Acts 8 on his way back from Jerusalem to Africa The notes serve to consolidate the two volumes on Jesus Paul and Matthew and their messages of God's wisdom justice and mercy

The Gospel According to St. Matthew. Volume 2 Wolfgang Trilling, 1969 *THE GOSPEL OF JOHN Original Version* - Volume II translated by James David Audlin, 2014-02 The only narrative about Jesus by eyewitnesses this is also one of the world's greatest literary works The unfinished text was spirited off to Sinope when the author was sent into exile Even there the hand of Rome nearly destroyed it Rescued 35 years later the author's spiritual heirs published it While in Sinope some pages got lost or disordered After publication various editors changed the manuscript repeatedly to suit the changing doctrines of early Christianity even adding spurious new material Thus the standard text is an inspiring mess but still a mess This translation restores not the unfinished original text but the masterpiece the author sought to compose a first hand account of a real man sent to urge humanity to accept God's will set down before doctrine repackaged him as an incarnate deity Volume One contains the carefully restored text and a history of the gospel Volume Two includes commentaries that burnish this masterpiece for the modern reader

The Gospel According to Matthew Volume I Rev. John C. Martin, III, 2010-06-16 The Gospel of Matthew Volume one is the first in a six or seven volume set Three hundred and twenty five

sermons were preached in a seven and a half year period in public worship through every word and every verse of the Gospel

The Gospel of Matthew Carol Walker, 2016-02-15 The Gospel of Matthew is the first book in the New Testament It truly is a teaching Gospel It serves as an important resource for learning about the life and teachings of Jesus Christ The Apostles needed this teaching so that they could effectively form the foundation upon which the future Christian church would be built They needed this teaching to obey the commandment which Jesus gave them Go therefore and make disciples of all nations baptizing them in the name of the Father and of the Son and of the Holy Spirit and teaching them to obey everything that I have commanded you Matt 28 19 20 Using an easy to understand format The Gospel of Matthew offers an in depth study that reveals why Christ's presence forever changed the world Author Carol Walker explores the true nature of Jesus his mission on Earth and his ministry From his birth to his death and resurrection Walker recounts Jesus life and in so doing reveals how Jesus fulfilled Old Testament prophecy Walker presents thirty four lessons that cover the twenty eight chapters of Matthew Each chapter is summarized to provide historical and cultural background information and a question and answer section presents an opportunity for further discussion Lessons include the important work of the Holy Spirit the ministry of John the Baptist the Sermon on the Mount Jesus interpretation of the Ten Commandments and much more The Gospel of Matthew presents a comprehensive study for individuals or groups If you're seeking to expand your knowledge of Jesus life and teachings and want to deepen your faith let this be your guide **Vessels of Wrath, Volume 2** Richard M.

Blaylock, 2023-08-24 Hardening hearts Blinding eyes Sending deceitful spirits Crafting vessels of wrath Few will deny that certain biblical passages make claims about God that are difficult to accept But perhaps the most troubling are the verses that describe God as influencing individuals or groups towards wicked behavior for the purpose of condemning them What are readers to do with these texts In Vessels of Wrath Richard M Blaylock tackles the thorny subject of divine reprobating activity DRA Through an exhaustive biblical theological study of the Christian canon's witness Blaylock argues that the Bible does not present DRA as an insignificant or monolithic concept instead the biblical authors showcase both the significance and the complexity of DRA in a variety of ways The book aims to help readers of the Bible to wrestle with the Scriptures so that they might come to better understand its testimony to this mysterious and awesome divine activity
