How Gay Culture Influenced Gospel and Popular Music

The Gospel And The Gay

Dustin Bradley Goltz

The Gospel And The Gay:

Torn Justin Lee,2013-05-14 As a teenager and young man Justin Lee felt deeply torn Nicknamed God Boy by his peers he knew that he was called to a life in the evangelical Christian ministry But Lee harbored a secret He also knew that he was gay In this groundbreaking book Lee recalls the events his coming out to his parents his experiences with the ex gay movement and his in depth study of the Bible that led him eventually to self acceptance But more than just a memoir TORN provides insightful practical guidance for all committed Christians who wonder how to relate to gay friends or family members or who struggle with their own sexuality Convinced that in a culture that sees gays and Christians as enemies gay Christians are in a unique position to bring peace Lee demonstrates that people of faith on both sides of the debate can respect learn from and love one another

The Gay Gospel? Joe Dallas,2007-02-01 In this updated edition of A Strong Delusion author and counselor Joe Dallas helps readers understand what pro gay theology is and how to confront it In a biblical manner Dallas examines believers personal responses and the need for bold love and commitment as they become familiar with the movement s background and beliefs study a clear scriptural response to each belief extend Christ s love to those living the homosexual lifestyle This resource is an important one for those who have been unsure how to respond to the growing acceptance of homosexuality in the evangelical community It offers the balance between conviction and compassion and a practical guide to communicating with those who have embraced the pro gay Christian movement

Unconditional Justin Lee,2013-01-17 Gay The word seemed to hold the weight of eternity within its single syllable As strange as it may seem in all the years I had struggled with my sexuality the idea that I could be gay had simply never crossed my mind I was a Christian That was my whole life And Christians weren t gay This could be the most important book you read this year It s a memoir An exploration of what is and what could be Most of all it s a clarion call to the church to rediscover the love that Jesus called us to Unconditionally So many gay lesbian bisexual and transgender people give up on Christianity because they cannot reconcile who they are with what they were brought up to believe that the Bible teaches about sexuality Here is a wonderfully told story of a brave young homosexual man who has struggled to hold onto his faith while still affirming himself as gay This is a must read Tony Campolo

The Gospel and the Gay Kenneth O. Gangel,1978 **Two Views on Homosexuality, the Bible, and the Church** Zondervan,2016-11-29 Unique among most debates on homosexuality this book presents a constructive dialogue between people who disagree on significant ethical and theological matters and yet maintain a respectful and humanizing posture toward one another Few topics are more divisive today than homosexuality Two Views on Homosexuality the Bible and the Church brings a fresh perspective to a well worn debate While Christian debates about homosexuality are most often dominated by biblical exegesis this book seeks to give much needed attention to the rich history of received Christian tradition bringing the Bible into conversation with historical and systematic theology To that end both theologians and biblical scholars well accomplished in their fields and conversant in issues of sexuality and

gender articulate and defend each of the two views Affirming represented by William Loader and Megan K DeFranza Traditional represented by Wesley Hill and Stephen R Holmes The main essays are followed by insightful responses that interact with their fellow essayists with civility Holding to a high view of Scripture a commitment to the gospel and the church and a love for people especially those most affected by this topic the contributors wrestle deeply with the Bible and theology especially the prohibition texts the role of procreation gender complementarity and pastoral accommodation The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

The Gay Gospels Keith Sharpe, This book refutes the idea that the Bible is homophobic and makes visible the gay lives and validated homoerotic experience to be found in it

Washed and Waiting Wesley Hill, 2016-09-13 Wesley Hill's personal experiences and biblical reflections offer insight into how a nonpracticing gay Christian can prove live out and celebrate the grace of Christ and the power of the Holy Spirit For many who are on this path it's a lonely one The reality of loneliness and isolation of the celibate homosexual Christian is something that Hill lives and takes seriously in his pursuit of the gospel centered life To those on a similar journey it's often a life of uncertainties and questions In *Washed and Waiting* Hill explores the three main struggles that have been part of his daily effort to live faithfully What exactly does the gospel demand of gay and lesbian Christians and how can it enable them to fulfill its commands How do Christians who experience homoerotic desires live with the loneliness such desires entail Is there any relief for it What comfort does the gospel offer Can those of us who struggle with homosexuality please God and truly experience his pleasure in the midst of sexual brokenness Interspersed throughout these main sections are character sketches and stories of people who have experienced this journey's trials and triumphs Hill offers wise counsel that is biblically faithful theologically serious and oriented to the life and practice of the church As a celibate gay Christian he gives us a glimpse of what it looks like to wrestle firsthand with God's No to same sex sexual intimacy and contemplate serious and difficult questions

A Theology of Gay and Lesbian Inclusion Donald Grant Hanway, 2006 A Theology of Gay and Lesbian Inclusion Love Letters to the Church challenges traditional church teachings that brand homosexuality as immoral using pertinent scripture from the central Gospel to promote a full acceptance of gay and lesbian Christians This powerful book questions the assumption that gay Christians are morally inferior presenting testimony from gay men and lesbians about prejudice they've experienced at the hands of the Church and its straight members Written as a series of ten letters the book addresses the strengths and weaknesses of the church and appeals for a new understanding and commitment to the acceptance of its gay members

Holy Sexuality and the Gospel Christopher Yuan, 2018-11-20 From the author of *Out of a Far Country* which details his dramatic conversion from an agnostic gay man who put his identity in his

sexuality to a Bible professor who now puts his identity in Christ alone comes a gospel centered discussion of sex desire and relationships Dr Christopher Yuan explores the concept of holy sexuality chastity in singleness or faithfulness in marriage in a practical and relevant manner equipping readers with an accessible yet robust theology of sexuality Whether you want to share Christ with a loved one who identifies as gay or you re wrestling with questions of identity yourself this book will help you better understand sexuality in light of God s grand story and realize that holy sexuality is actually good news for all

Queer Temporalities in Gay Male Representation Dustin Bradley Goltz, 2009-12-04 Through the analysis of over seventy films and thirty television series ranging from Shortbus Sweet Home Alabama and Poseidon to Noah s Arc Brothers Sisters and Dawson s Creek Goltz examines reoccurring narrative structures in popular media that perpetuate the extreme value placed upon young gay male bodies while devaluing health aging and longevity Alienated from the future outside of limited and exclusionary systems of marriage and procreation the gay male is narrated within a circular tragedy that draws upon cultural mythologies of older gay male predation the absence of gay intergenerational mentorship and the gay male as sacrificial victim Using a Burkean framework Goltz makes a theoretical rhetorical and cultural investigation of how the increased visibility of positive gay representation in dominant media shapes contemporary meanings of gay aging heteronormative future homonormative future and queer potential
