The Gospel of Matthew, vol. 1 Walter T. Wilson, 2022-11-29 What was the original purpose of the Gospel of Matthew For whom was it written In this magisterial two volume commentary Walter Wilson interprets Matthew as a catechetical work that expresses the ideological and institutional concerns of a faction of disaffected Jewish followers of Jesus in the late first century CE Wilson s compelling thesis frames Matthew s Gospel as not only a continuation of the biblical story but also as a didactic narrative intended to shape the commitments and identity of a particular group that saw itself as a beleaguered dissident minority Thus the text clarifies Jesus s essential Jewish character as the Son of David while also portraying him in opposition to prominent religious leaders of his day most notably the Pharisees and open to cordial association with non Jews Through meticulous engagement with the Greek text of the Gospel as well as relevant primary sources and secondary literature Wilson offers a wealth of insight into the first book of the New Testament After an introduction exploring the background of the text its genre and literary features and its theological orientation Wilson explicates each passage of the Gospel with thorough commentary on the intended message to first century readers about topics like morality liturgy mission group discipline and eschatology Scholars students pastors and all readers interested in what makes the Gospel of Matthew distinctive among the Synoptics will appreciate and benefit from Wilson s deep contextualization of the text informed by his years of studying the New Testament and Christian origins

[The Gospel of Matthew, Vol. 1](#) Rick Gregory, 2016-06-10 The Gospel written by Matthew is a divinely inspired record of the life and ministry of Jesus Christ In each of the Gospels the Holy Spirit provides unique insights into the life and ministry of Jesus Christ As the gospel authors penned their works the Holy Spirit directed their writing to ensure that the view of Christ they presented was an exact and accurate record of what Jesus did and said this is who Jesus is Matthew was directed to write to a primarily Jewish audience for the purpose of demonstrating how that Jesus is the fulfillment of the Messianic promises to David that his descendant would sit on the throne of Israel forever Jesus as the son of David is presented as the rightful King of Israel with all of the corroboration required to certify His right to rule From the beginning of His gospel account Matthew anticipates through the eyes of the Magi the glories of the king of the Jews Matthew 2 2 At the end of his account Matthew records the conclusion of the matter that unwittingly came out of the declaration by Pontius Pilate who placed the ascription at the top of Jesus cross This is Jesus King of the Jews Matthew 27 37 Everything in his gospel underscores this truth that Jesus is the King A study of this gospel will inevitably lead to a deeper appreciation for the majesty and glory of the King Jesus Christ It will also provide insight in the devastation brought about by unbelief and rejection of Jesus Christ as Savior and Lord May you benefit from an enrichment of your personal faith as you study God s Word with the help of these exegetical outlines

Matthew stands first among the Gospels and in the new Testament because it was first written and may be rightly termed the Genesis of the New Testament. Genesis the first book of the Bible contains in itself the entire Bible and so it is with the first Gospel it is the book of the beginnings of a new dispensation. It is like a mighty tree. The roots are deeply sunk in massive rocks while its uncountable branches and twigs extend upward higher and higher in perfect symmetry and beauty. The foundation is the Old Testament with its Messianic and Kingdom promises. Out of this all is developed in perfect harmony reaching higher and higher into the new dispensation and to the beginning of the millennial age. The Gospel of Matthew : William Barclay, 1958 Matthew Volume 1 (Chapters 1-13) Knox Chamblin, 2010. Matthew's Gospel also tells a story of Jesus the son of David the son of Abraham directing the reader to the Saviour of the world. Chamblin clearly wants me to understand Matthew and to stand amazed in the presence of Jesus the Nazarene. *The Gospel of Matthew*, vol. 2. Walter T. Wilson, 2022-11-29. What was the original purpose of the Gospel of Matthew? For whom was it written? In this magisterial two-volume commentary, Walter Wilson interprets Matthew as a catechetical work that expresses the ideological and institutional concerns of a faction of disaffected Jewish followers of Jesus in the late first century CE. Wilson's compelling thesis frames Matthew's Gospel as not only a continuation of the biblical story but also as a didactic narrative intended to shape the commitments and identity of a particular group that saw itself as a beleaguered dissident minority. Thus the text clarifies Jesus's essential Jewish character as the Son of David while also portraying him in opposition to prominent religious leaders of his day, most notably the Pharisees, and open to cordial association with non-Jews. Through meticulous engagement with the Greek text of the Gospel as well as relevant primary sources and secondary literature, Wilson offers a wealth of insight into the first book of the New Testament. After an introduction exploring the background of the text, its genre and literary features, and its theological orientation, Wilson explicates each passage of the Gospel with thorough commentary on the intended message to first-century readers about topics like morality, liturgy, mission, group discipline, and eschatology. Scholars, students, pastors, and all readers interested in what makes the Gospel of Matthew distinctive among the Synoptics will appreciate and benefit from Wilson's deep contextualization of the text, informed by his years of studying the New Testament and Christian origins.
