Stevens' Carrie & Lowell Joel Mayward,2025-10-02 Upon the release of Sufjan Stevens seventh studio album Carrie Lowell two divergent groups found themselves as strange bedfellows the LGBTQIA community and American evangelical Christians Both were united in praise for Stevens beautifully melancholic music Critically acclaimed as one of the best albums of 2015 the elegiac and intimate record about the death of Sufjan s estranged mother reflects the musician s own paradoxical posture Carrie Lowell is both sacred and profane Christian and queer traditional and progressive despairing and hopeful Theologian and cultural critic Joel Mayward considers Carrie Lowell as a mystical metamodern memento mori Sufjan s symphonic as opposed to systematic approach to the questions of mortality sexuality and God Fusing critical observations with personal narrative Mayward examines the unique audience reception of Carrie Lowell and the questions it raises in a world of division how might Stevens affecting music act as a bridge of love between seemingly irreconcilable communities As Carrie Lowell reminds us of the painful truth that we re all gonna die perhaps it also offers a glimpse of transcendence and hope on this side of death

The Dawning of the Golden Age of Aquarius Albert Amao Ph. D.,2012 We are at the threshold of a transitional period from the Age of Pisces to the Age of Aquarius What should we expect from this coming New Era What are its signs What is the fate of human spirituality What will the new concepts of God and of religion be This book attempts to answer these questions based on well researched sources complemented and endorsed by cosmology archeology psychology religion Near East studies and mythology among other scientific disciplines The book also intends to clarify the confusion created by some Protestant religious leaders and sensationalistic writers who have misinterpreted the signs of the transitional period as the end of the world The truth is that we are witnessing a shift of ages that is the slow evolution from the Piscean Era to the commencing of a new worldwide social order a new chapter in human history called the Aquarian dispensation The huge conspiracy propounded by false prophets and some New Age writers whether overtly or covertly feeds the fear and anxiety of ordinary people with unfounded apocalyptic propaganda This book attempts to give the reader an accurate perspective regarding the planetary transformations that are taking place it offers hope and inspiration as we approach the Golden Age
