## **The Grandmothers:**

**The Grandmothers** Doris Lessing, 2009-10-13 Shocking intimate often uncomfortably honest these stories reaffirm Doris Lessing's unequalled ability to capture the truth of the human condition In the title novel two friends fall in love with each other's teenage sons and these passions last for years until the women end them vowing a respectable old age In Victoria and the Staveney's a young woman gives birth to a child of mixed race and struggles with feelings of estrangement as her daughter gets drawn into a world of white privilege The Reason for It traces the birth faltering and decline of an ancient culture with enlightening modern resonances A Love Child features a World War II soldier who believes he has fathered a love child during a fleeting wartime romance and cannot be convinced otherwise **The Grandmothers** Glenway Wescott, 1927 **The Grandmothers** Glenway Wescott, 1927 **The Grandmothers' Movement** May Chazan, 2015-04-17

Grandmothers alliances across distance and difference unlikely mobilizations unexpected change **Honor the Grandmothers** Sarah Penman, 2008-10-14 In this poignant collection of oral histories four Indian elders recount their life stories in their own quiet but uncompromising words Growing up and living in Minnesota and the Dakotas Stella Pretty Sounding Flute and Iola Columbus Dakota and Celane Not Help Him and Cecelia Hernandez Montgomery Lakota share recollections of early family life interrupted by years at government boarding schools designed to eradicate tribal culture Recounting their complex lives the grandmothers reveal how they survived difficult circumstances to become activists in Indian politics reconciling urban with reservation life and Christianity with native spirituality Particularly memorable is one grandmother's detailed family account of the tragic events and consequences of the Wounded Knee Massacre of 1890 Defying stereotypes these clear and forthright voices are unforgettable As the traditional teachers and bearers of culture the grandmothers also share their concern for future generations **The Grandma's Drama** Beverly J. Walker, 2016-08-24 Some might say that she is an enigma this sophisticated forty year old grandmother a widow of twenty years has been celibate for the duration After Nyja raised her daughter in an appropriate manner she is ready to resume an active sex life She finds the man of her dreams However after their marriage all chaos breaks out Nyja finds herself responsible for raising her grandson just when all she really wants in life is the one thing she has denied herself of for so long a man But can she turn her back on her daughter now just when she needs her the most Nyja finds that she is not the only grandmother living the dilemma of grandmothers raising another generation she and other grandmothers in this story learn that their will is strong but what is even stronger is a grandmothers love Charlie and the Grandmothers Katy Towell, 2015-08-04 A visit to Grandmother's house has never been so frightening Charlie and Georgie Oughtt have been sent to visit their Grandmother Pearl and this troubles Charlie for three reasons The first is that he's an exceptionally nervous twelve year old boy and he worries about everything The second is that the other children in his neighborhood who pay visits to their grandmothers never seem to return And the third is that Charlie and Georgie don't have any grandmothers Upon their arrival all of Charlie

s concerns are confirmed as Grandmother Pearl quickly reveals herself to be something much more gruesome than even Charlie's most outlandish fears could have predicted. He and Georgie are thrust into a creepy underworld created from stolen nightmares where monsters disguised as grandmothers serve an ancient evil queen by holding children captive as they slowly sap each one of their memories and dreams. But something is different about Charlie. His worrisome nature, so often a burden, proves an asset in this frightening world. Will he be able to harness this newfound power to defeat the queen and save his sister?

**Encyclopedia of Social Movement Media** John D. H. Downing, John Derek Hall Downing, 2011. The entries are designed to be relatively brief with clear, accessible, and current information.

**The Grandmothers** Doris Lessing, 2012-03-29. Four novellas by Doris Lessing, winner of the Nobel Prize for Literature, that once again show her to be unequalled in her ability to capture the truth of the human condition.

**African Womanhood and the Feminist Agenda** Musungu, Maxwell Constantine Chando, Hungwe, Chipo, 2024-01-16. Within academic circles, there is a longstanding issue concerning the portrayal and understanding of African womanhood. Frequently, these narratives are crafted by outsiders, predominantly Western scholars, often distorting the lived experiences and unique perspectives of African women. This has led to a skewed and sometimes negative perception of African women, reinforcing stereotypes and sidelining their voices in critical discussions. Moreover, this misrepresentation has real-world consequences as it impacts social justice initiatives and development projects that rely on misguided narratives rather than the authentic voices of African women. **African Womanhood and the Feminist Agenda** emerges as an essential solution to the misrepresentation of African women. This comprehensive and meticulously researched book offers an alternative narrative, one that is rooted in African perspectives and experiences. It addresses the historical, cultural, and political dimensions of African womanhood, providing a rich and nuanced understanding of this multifaceted topic.
