

THE GREAT AMERICAN OUTLAW

A LEGACY OF FACT AND FICTION

By Frank Richard Prassel

The Great American Outlaw A Legacy Of Fact Fiction

W.C. Jameson

The Great American Outlaw A Legacy Of Fact Fiction:

The Great American Outlaw Frank Richard Prassel,1996-09-01 This book explores in depth the origins development and prospects of outlawry and of the relationship of outlaws to the social conditions of changing times Throughout American history you will find larger than life brigands in every period and every region Often because we hunger for simple justice we romanticize them to the point of being unable to separate fact from fiction Frank Richard Prassel brings this home in a thorough and fascinating examination of the concept of outlawry from Robin Hood Dick Turpin and Blackbeard through Jean Lafitte Pancho Villa and Billy the Kid to more modern personalities such as John Dillinger Claude Dallas and D B Cooper A separate chapter on molls plus equal treatment in the histories of gangs traces women s involvement in outlaw activities Prassel covers the folklore as well as the facts even including an appendix of ballads by and about outlaws He makes clear how this motley group of bandits pirates highwaymen desperadoes rebels hoodlums renegades gangsters and fugitives who stand tall in myth wither in the light of truth but flourish in the movies As he tells the stories there is little to confirm that Jesse and Frank James Butch Cassidy and the Sundance Kid the Daltons Pretty Boy Floyd Ma Barker Clyde Barrow and Bonnie Parker Belle Starr the Apache Kid or any of the so called good badmen did anything that did not enrich or otherwise benefit themselves But there is plenty of evidence in the form of slain victims and ruined lives to show how many ways they caused harm The Great American Outlaw is as much an excellent survey on the phenomenon as it is a brilliant exposition of the larger than life figures who created it Above all it is a tribute to that aspect of humanity that Americans admire most and that Prassel describes as a willingness to fight however hopelessly against exhibitions of privilege *Billy the Kid* W.C. Jameson,2008-08-07 Did Pat Garrett kill the wrong man in 1881 in Fort Sumner New Mexico or did the outlaw known as Billy the Kid live on as William Henry Roberts until 1948 W C Jameson analyzes the evidence including use of new technology to produce a compelling case for Billy s survival Heralded by Booklist as an enjoyable reexamination of a legendary piece of Americana this book traces the life of the famous desperado and the controversy that still is debated today Now in paperback

Life and Death on the Mormon Frontier Stephen C. LeSueur,2023-06-06 This thoroughly researched and vivid account examines a murderous spree by one of the West s most notorious outlaw gangs and the consequences for a small Mormon community in Arizona s White Mountains On March 27 1900 Frank LeSueur and Gus Gibbons joined a sheriff s posse to track and arrest five suspected outlaws The next day LeSueur and Gibbons who had become separated from other posse members were found brutally murdered The outlaws belonged to Butch Cassidy s Wild Bunch gang Frank LeSueur was the great uncle of the book s author Stephen C LeSueur In writing about the Wild Bunch historians have played up the outlaws daring heists and violent confrontations Their victims serve primarily as extras in the gang s stories bit players and forgotten names whose lives merit little attention Drawing upon journals reminiscences newspaper articles and other source materials LeSueur examines this episode from the victims perspective Popular culture often portrays outlaws as misunderstood and even

honorable men Robin Hood figures but as this history makes clear they were stone cold killers who preferred ambush over direct confrontation They had no qualms about shooting people in the back The LeSueur and Gibbons families that settled St Johns Arizona served as part of a colonizing vanguard for the Church of Jesus Christ of Latter day Saints popularly known as Mormons They contended with hostile neighbors an unforgiving environment and outlaw bands that took advantage of the large mountain expanses to hide and escape justice Deprivation and death were no strangers to the St Johns colonizers but the LeSueur Gibbons murders shook the entire community the act being so vicious and unnecessary the young men so full of promise By focusing the historian s lens on this incident and its aftermath this exciting Western history offers fresh insights into the Wild Bunch gang while also shedding new light on the Mormon colonizing experience in a gripping tale of life and death on the Arizona frontier Praise for Life and Death on the Mormon Frontier Stephen LeSueur takes the reader on a ride into the dark murderous world of the Wild Bunch in the Mormon settlements of the Utah Arizona frontier A compelling deeply researched and well written study that will grab the attention of Old West historians Daniel Buck co author of The End of the Road Butch Cassidy and the Sundance Kid in Bolivia Stephen LeSueur unearths the circumstances that led a gang of outlaws to kill Frank LeSueur the author s great uncle and Gus Gibbons near St Johns Arizona in 1900 LeSueur punctures popular myths about the Wild Bunch but the true history of poverty faithfulness criminality and family is more compelling and just as wild It s a hard book to put down John G Turner author of Brigham Young Pioneer Prophet Unlike romanticized versions of Western bandits Life and Death on the Mormon Frontier portrays a grittier authentic Old West in a manner that draws the reader into another era As a descendant of one of the many victims of Butch Cassidy s Wild Bunch LeSueur thoroughly and compellingly recounts the murder and its devastating effect on the family something often overlooked In the current climate of winking at contemporary scofflaws it is good to be reminded that character still counts and that its opposite still destroys Gregory A Prince author of David O McKay and the Rise of Modern Mormonism and Leonard Arrington and the Writing of Mormon History **Western Gunslingers in Fact and on Film** Buck Rainey,1998-01-15 Billy the Kid Wild Bill Hickok Belle Starr Wyatt Earp the Younger Gang the Dalton Doolin Gang and Bat Masterson these real life lawmen and lawbreakers have been the basis of so many Hollywood Westerns that it has become difficult to discover where the truth ends and the legend begins All actually became larger than life characters during their lifetimes as contemporary newspapers and books embellished their deeds for their own purposes But it was in Hollywood that the line between reality and myth was completely blurred Each chapter length entry here first focuses on the known facts of the people s lives and how each became truly legendary during their lifetimes The reality is then compared to how they have been portrayed in the movies **W.C. Jameson Beyond the Grave eBook Gift Set** W.C. Jameson,2014-12-03 This eBook collection is geared for history buffs who shy away from white knights and do gooders W C Jameson s exploration of outlaws and criminals from the 20th century goes deep within the wrinkles of time uncovering long kept secrets misinformed facts and what became of these

outlaws in the end The set includes Butch Cassidy John Wilkes Booth and Billy the Kid Lead Belly, Woody Guthrie, Bob Dylan, and American Folk Outlaw Performance Damian A. Carpenter, 2017-10-20 With its appeal predicated upon what civilized society rejects there has always been something hidden in plain sight when it comes to the outlaw figure as cultural myth Damian A Carpenter traverses the unsettled outlaw territory that is simultaneously a part of and apart from settled American society by examining outlaw myth performance and perception over time Since the late nineteenth century the outlaw voice has been most prominent in folk performance the result being a cultural persona invested in an outlaw tradition that conflates the historic folkloric and social in a cultural act Focusing on the works and guises of Lead Belly Woody Guthrie and Bob Dylan Carpenter goes beyond the outlaw figure's heroic associations and expands on its historical Jesse James Billy the Kid folk John Henry Stagolee and social tramps hoboes forms He argues that all three performers represent a culturally disruptive force whether it be the bad outlaw that Lead Belly represented to an urban bourgeoisie audience the good outlaw that Guthrie shaped to reflect the social concerns of marginalized people or the honest outlaw that Dylan offered audiences who responded to him as a promoter of clear sighted self evaluation As Carpenter shows the outlaw and the law as located in society are interdependent in terms of definition His study provides an in depth look at the outlaw figure's self reflexive commentary and critique of both performer and society that reflects the times in which they played their outlaw roles

Legendary Louisiana Outlaws Keagan LeJeune, 2016-03-21 From the infamous pirate Jean Laffite and the storied couple Bonnie and Clyde to less familiar bandits like train robber Eugene Bunch and suspected murderer Leather Britches Smith *Legendary Louisiana Outlaws* explores Louisiana's most fascinating fugitives In this entertaining volume Keagan LeJeune draws from historical accounts and current folklore to examine the specific moments and legal climate that spawned these memorable characters He shows how Laffite embodied Louisiana's shift from an entrenched French and Spanish legal system to an American one and relates how the notorious groups like the West and Kimbrell Clan served as community leaders and law officers but covertly preyed on Louisiana's Neutral Strip residents until citizens took the law into their own hands Likewise the bootlegging Dunn brothers in Vinton he explains demonstrate folk justice's distinction between an acceptable criminal act operating an illegal moonshine still and an unacceptable one cold blooded murder Recounting each outlaw's life LeJeune also considers their motives for breaking the law as well as their attempts at evading capture Running from authorities and trying to escape imprisonment or even death these men and women often relied on the support of ordinary citizens sympathetic in the face of oppressive and unfair laws Through the lens of folk life LeJeune's engaging narrative demonstrates how a justice system functions and changes and highlights Louisiana's particular challenges in adapting a system of law and order to work for everyone

Agatha Christie and the Guilty Pleasure of Poison Sylvia A. Pamboukian, 2022-11-12 *Agatha Christie and the Guilty Pleasure of Poison* examines Christie's female poisoners in the context of Christie's own experience in pharmacy and of detective fiction In doing so it uncovers an overlooked dynamic in

which female poisoners deliver well deserved comeuppance for gendered and classed wrongdoing ordinarily accepted in everyday life While critics have long recognized male outlaws like Robin Hood who use crime to oppose a corrupt system this book contends that female outlaws witches and poisoners offer a similar heritage of empowered femininity Far from cozy and formulaic Agatha Christie s outlaw poisoners offer readers the surprising pleasures of comeuppance and they set the stage for contemporary detective fiction writers more recent films depicting poisoning as empowering and even poison gardens which are tourist destinations that offer visitors the guilty pleasure of poison

Outlaws and Spies McCarthy Conor
McCarthy,2020-03-18 By reading two bodies of literature not normally read together the outlaw literature and espionage literature Conor McCarthy shows how these genres represent and critique the longstanding use of legal exclusion as a means of supporting state power Texts discussed range from the medieval Robin Hood ballads Shakespeare s history plays and versions of the Ned Kelly story to contemporary writing by John le Carre Don DeLillo Ciaran Carson and William Gibson

American Mythmaker Mark J. Dworkin,2015-02-27 Walter Noble Burns 1872 1932 served with the First Kentucky Infantry during the Spanish American War and covered General John J Pershing s pursuit of Pancho Villa in Mexico as a correspondent for the Chicago Tribune However history making these forays may seem they were only the beginning In the last six years of his life Burns wrote three books that propelled New Mexico outlaw Billy the Kid Tombstone marshal Wyatt Earp and California bandit Joaquin Murrieta into the realm of legend

The Great American Outlaw A Legacy Of Fact Fiction Introduction

In today's digital age, the availability of The Great American Outlaw A Legacy Of Fact Fiction books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Great American Outlaw A Legacy Of Fact Fiction books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Great American Outlaw A Legacy Of Fact Fiction books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Great American Outlaw A Legacy Of Fact Fiction versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Great American Outlaw A Legacy Of Fact Fiction books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Great American Outlaw A Legacy Of Fact Fiction books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Great American Outlaw A Legacy Of Fact Fiction books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, The Great American Outlaw A Legacy Of Fact Fiction books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Great American Outlaw A Legacy Of Fact Fiction books and manuals for download and embark on your journey of knowledge?

FAQs About The Great American Outlaw A Legacy Of Fact Fiction Books

1. Where can I buy The Great American Outlaw A Legacy Of Fact Fiction books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
