Lingsheng Yao

The Great Days Of Canadian Steam A Wentworth Folkins Portfolio:

The Great Days of Canadian Steam Wentworth Folkins, Michael Bradley, 1988 *The Train Doesn't Stop Here Anymore* Ron Brown, 2014-08-19 Brown celebrates the survival of our railway heritage in stations that have been saved or remain in use Despite the green benefits of rail travel Canada has lost much of its railway heritage Across the country stations have been bulldozed and rails ripped up Once the heart of communities large and small stations and tracks have left little more than a gaping hole in Canada's landscapes This book revisits the times when railways were the country's economic lifelines and the station the social centre Here was where we worked played listened to political speeches or simply said goodbye to loved ones The landscapes that grew around the station are also explored and include such forgotten features as station hotels restaurants gardens and the once common railway YMCA Railway companies often hired the world's leading architects to design grand station buildings that ranged in style from chateausque to art deco Even small town stations and wayside shelters displayed an artistic flare and elegance Although most have vanished the book celebrates the survival of that heritage in stations that have been saved or remain in use The book will appeal to anyone who has links with our rail era or who simply appreciates the value of Canada's built heritage Dundurn Railroad Bundle Ron Brown, 2014-01-17 Ron Brown is Canada's leading literary authority on the history of Canada's railroads particularly those now lost branches from the golden age of steam that once ran like veins and arteries throughout the country This special four book bundle collects several of his titles including the poignant *The Train Doesn't Stop Here Anymore* an examination of the railroad's impact on communities when it leaves town as well *Rails Across Ontario* and *Rails Across the Prairies* which trace the development of rail across the country and its economic and social impact and *In Search of the Grand Trunk* which takes a close look at Ontario's railway heritage in the late 19th and early 20th centuries Brown's books are entertaining but also meticulously researched This bundle is a treasure trove for the railway enthusiast Includes *In Search of the Grand Trunk* *Rails Across Ontario* *Rails Across the Prairies* *The Train Doesn't Stop Here Anymore* *A Bibliography of the History of Canadian Science and Technology* Arnold E. Roos, Canadian Science and Technology Historical Association, 1995

Canadian Books in Print ,1993 *Canadian Book Review Annual* ,1988 Quill & Quire ,1990 **Railfan & Railroad** ,1989 **Revue d'histoire de l'Amérique française** ,1991
