The Great Evangelical Disaster Library Edition:

The Great Evangelical Disaster Francis A. Schaeffer, 1984-02-01 Have Christians compromised their stand on truth and morality until there is almost nothing they will speak out against Has the evangelical church itself sold out to the world A provocative and challenging book but one that is tempered by Dr Schaeffer's deep commitment to Christ and love for the church A Christian View of the Church Francis A. Schaeffer, 1994 4 The Great Evangelical Disaster

Francis August Schaeffer, 1984 Imitating Christ Luke Timothy Johnson, 2024-08-06 Is discipleship about personal sanctification or social reform Believers are divided on a question central to Christian identity what does it mean to follow Jesus For centuries imitating Christ meant the pursuit of holiness conforming the self to Jesus through self sacrifice in order to join him in eternal life But some Christians today consider this model to be self centered Instead they say true disciples ought to imitate Jesus in confronting corrupt social systems on behalf of the oppressed In Imitating Christ esteemed New Testament scholar Luke Timothy Johnson seeks the origin of this fissure Surveying the New Testament medieval mysticism modern theology and more Johnson shows how twentieth century social gospel and liberation theologies created a new model of discipleship He then evaluates the theological implications of the two models and asks what we can learn from each Inspired by Dietrich Bonhoeffer and Thomas Merton Johnson puts forward a vision of discipleship that can revitalize Christian witness in the world today Replete with keen exegesis and spiritual insight Imitating Christ reorients Christian living toward pursuing sainthood Pastors and interested lay readers alike will rediscover a rich heritage in these pages

Conservatives Patrick Allitt, 2009-05-26 This lively book traces the development of American conservatism from Alexander Hamilton John Adams and Daniel Webster through Abraham Lincoln Teddy Roosevelt and Herbert Hoover to William F Buckley Jr Ronald Reagan and William Kristol Conservatism has assumed a variety of forms historian Patrick Allitt argues because it has been chiefly reactive responding to perceived threats and challenges at different moments in the nation's history While few Americans described themselves as conservatives before the 1930s certain groups beginning with the Federalists in the 1790s can reasonably be thought of in that way The book discusses changing ideas about what ought to be conserved and why Conservatives sometimes favored but at other times opposed a strong central government sometimes criticized free market capitalism but at other times supported it Some denigrated democracy while others championed it

Core elements however have connected thinkers in a specifically American conservative tradition in particular a skepticism about human equality and fears for the survival of civilization Allitt brings the story of that tradition to the end of the twentieth century examining how conservatives rose to dominance during the Cold War Throughout the book he offers original insights into the connections between the development of conservatism and the larger history of the nation

Worldviews Anthony J. Steinbronn, 2007 Author Anthony Steinbronn examines the postmodern perspective that views the Christian church as only one of many brands in the ideological supermarket He critiques the position that Christianity no longer has ultimate truth but must take its place alongside numerous other religions How should Christians respond in this pluralistic age Steinbronn advocates that we need to know how different religions view the world humanity's reason for existence sin and its consequences and eternal life Armed with this knowledge Christians can communicate the truth of God's Word to a world searching for truth and meaning The book examines Buddhism Confucianism Hinduism Islam Tribalism Modernity **Christian Home Educators' Curriculum Manual** Cathy Duffy, 1992 The Spectator, 1904 **Words on Cassette**, 1999
