The Great Train Robbery Files:

The Great Train Robbery Files Bruce Reynolds, Alan Parker, Nick Reynolds, 2000 *The Great Train Robbery* Andrew Cook, 2013-01-01 The Great Train Robbery of 1963 is one of the most infamous crimes in British history The bulk of the money stolen equivalent to over 40 million today has never been recovered and there has not been a single year since 1963 when one aspect of the crime or its participants has not been featured in the media Despite the wealth and extent of this coverage a host of questions have remained unanswered Who was behind the robbery Was it an inside job And who got away with the crime of the century Fifty years of selective falsehood and fantasy has obscured the reality of the story behind the robbery The fact that a considerable number of the original investigation and prosecution files on those involved and alleged to have been involved were closed in many cases until 2045 has only served to muddy the waters still further Now through Freedom of Information requests and the exclusive opening of many of these files Andrew Cook reveals a new picture of the crime and its investigation that at last provides answers to many of these questions The Great Train Robbery Nick Russell-Pavier, Stewart Richards, 2013-01-10 Definitive account of the famous 1963 Great Train Robbery and its aftermath In the early hours of Thursday 8th August 1963 at rural Cheddington in Buckinghamshire 2 6 million 50 million today in unmarked 5 1 and 10 shilling notes was stolen from the Glasgow to London nightmail train in a daring and brilliantly executed operation lasting just 46 minutes Quickly dubbed the crime of the century it has captured the imagination of the public and the world s media for 50 years taking its place in British folklore and giving birth to the myths of The Great Train Robbery Ronnie Biggs Buster Edwards and Bruce Reynolds became household names But what really happened This is the story of four talented villains who took the criminal world by storm of the perfect crime It is also the story of ruthless policemen determined to hunt the robbers down and to make sure nobody slipped through the net not even the innocent It is the story of an Establishment under siege and of one mistake which cost the robbers 307 years in prison Fifty years later here is the story set out in full for the first time a true life crime thriller and also a vivid slice of British social history

Great Train Robbery Confidential Graham Satchwell, 2019-10-04 In 1981 Detective Inspector Satchwell was the officer in charge of the case against Train Robber Tom Wisbey and twenty others The case involved massive thefts from mail trains similar to the Great Train Robbery of 1963 where 2 6 million was taken and only 400 000 ever recovered Thirty years later their paths crossed again and an unlikely partnership was formed with the aim of revealing the truth about the Great Train Robbery This book reassesses the known facts about one of the most infamous crimes in modern history from the uniquely qualified insight of an experienced railway detective presenting new theories alongside compelling evidence and correcting the widely accepted lies and half truths surrounding this story *The Great Train Robbery and the Metropolitan Police Flying Squad* Geoff Platt, 2015-03-31 The amazing true story of one of Great Britain s most notorious heists and the crack team that brought the perpetrators to justice On August 8 1963 a group of fifteen men dressed in military uniforms

stopped the Royal Mail train running between Glasgow and London at Sears Crossing in Ledburn. The gang uncoupled the engine and first two cars, drove them to a different location and then disappeared with one hundred and twenty mailbags containing more than 2.5 million in used banknotes. A number of books have already been published about England's infamous Great Train Robbery but until now little has been written about the intensive police investigation and the intrepid team that hunted down the criminals responsible. In this riveting true crime chronicle, author, journalist and former police detective Geoff Platt explores the execution and aftermath of the brazen criminal enterprise that British newspapers dubbed the Crime of the Century. He introduces readers to members of the elite Flying Squad organized by the Old Grey Fox Det. Chief Superintendent Tommy Butler and details step by step the organization and execution of the massive police inquiry and exposes the mistakes that hindered the robbers and the investigators alike. In addition, Platt compares the methods used more than fifty years ago with contemporary crime fighting and forensic techniques to explore how the same investigation would most likely be run today. A fascinating study of crime and detection, *The Great Train Robbery and the Metropolitan Police Flying Squad* shines a brilliant new light on a legendary act of audacious criminality. *Britain's X-traordinary Files* David Clarke, 2014-09-25. David Clarke opens The National Archives' own X-Files to uncover the secret official accounts behind legendary paranormal and extraordinary phenomena. From mediums employed by the police to help with psychic crime busting to sea monster sightings reported to the Royal Navy, *Britain's X-traordinary Files* brings to light a range of secret documents created by military intelligence and government agencies who have investigated and even used extraordinary phenomena or powers in recent history. Each chapter is underpinned by original official records held at The National Archives which throw new light on many rumours and unsolved historical mysteries including the Angels of Mons and other legends of the Great War plus a variety of strange phenomena reported both in the sea and in the air from phantom helicopters to the great sea serpent of the Victorian era. The final chapter scrutinises official interest in the infamous Loch Ness Monster of Scotland and the Beast of Bodmin. These accounts are supplemented with contextual material gathered from interviews and the author's own investigations, making truly eye-opening reading for anyone interested in the paranormal.

The Great Train Robbery Brenda Haugen, Natalie Rosinsky, 2011. Shout and we'll kill you. Threats and violence were part of the Great Train Robbery of 1963. Its loot was at that time the largest amount of cash ever stolen in Britain. The Crime of the Century seemed to be perfectly planned and executed but police aimed to show that they'd find those involved and bring them to justice. Would they succeed or would the daring criminals involved in the crime escape with the cash? *Rot at the Core* Graham Satchwell, Winston Trew, 2021-05-07. In March 1972 four young black men were arrested by a specialist pickpocket squad at Oval Underground Station and charged with theft and assault of police officers. Sentenced to two years in prison, the case seemed straightforward and credible to the judge and jury who convicted them but these young men were completely innocent victims of endemic police corruption. The real criminal in this case was the notorious DS Derek Ridgewell.

later proven to be heavily involved in organised crime Graham Satchwell at one time Britain's most senior railway detective has worked with Oval Four victim Winston Trew to reveal the rotten culture that not only enabled Ridgewell to operate as he did but also to subsequently organise major thefts of property worth in excess of 1 million Winston Trew's case was finally overturned in December 2019 but the far reaching ramifications of Ridgewell's shocking activities has irreparably damaged many lives and must never be forgotten

The Great Train Robbery Peter Guttridge, 2008 The Great Train Robbery was the 20th century's most breath taking crime Fifteen small time crooks absconded with 2.6 million from the Glasgow London mail train as it passed through Buckinghamshire then holed up at Letherslade Farm to play Monopoly with real money
