

THE GREAT WAR

The Great War Reader

D Keegan

The Great War Reader:

Publishers, Readers and the Great War Vincent Trott, 2017-10-05 Literature is at the heart of popular understandings of the First World War in Britain and has perpetuated a popular memory of the conflict centred on disillusionment horror and futility This book examines how and why literature has had this impact exploring the role played by authors publishers and readers in constructing the memory of the war since 1918 It demonstrates that publishers were as influential as authors in shaping perceptions of the conflict and it provides a detailed analysis of critical and popular responses to war books tracing the evolution of readers attitudes to the war between 1918 and 2014 By exploring the cultural legacy of the war from these two previously overlooked perspectives Vincent Trott offers fresh insights regarding the emergence of a collective memory of the First World War in Britain Drawing on a broad range of primary source material including publishers correspondence dust jackets adverts book reviews and diary entries and examining canonical authors such as Wilfred Owen Siegfried Sassoon and Vera Brittain alongside long forgotten texts and more recent autobiographical works by Harry Patch and Henry Allingham **Publishers Readers and the Great War** provides a rich and nuanced analysis of the climate within which First World War literature was written published and received since 1918 **Reading in the Great War, 1914-1916** David Bilton, 2016-03-31 How the experience of war impacted on the town from the initial enthusiasm for sorting out the German kaiser in time for Christmas 1914 to the gradual realization of the enormity of human sacrifice the families of Reading were committed to as the war stretched out over the next four years A record of the growing disillusion of the people their tragedies and hardships and a determination to see it through Reading s experiences during the Great War can be taken as standing for the many smaller but important towns in the country whose story will never be told However being a county town it experienced both industrial and agrarian pressures that deeply affected its population Initially enthusiastic about the war recruitment soon dropped and the local regiment filled with men from the big cities By 1916 most of the eligible men were keen to find ways to stay out of the army In the centre of the town was the infamous Reading jail home to Irish dissidents terrorists and POWs On the surface it was a calm town that got on with its business beer biscuits metalwork seeds and armaments but its poverty impacted on industrial relations leading to strikes It also had a darker side with child cruelty and death especially suicide **Reading in the Great War, 1917~1919** David Bilton, 2016-10-19 Reading in the Great War 1917 1919 looks at life in an important industrial and agricultural town in the south of England The book charts the changes that occurred in ordinary people s lives some caused by the war some of their own doing On the surface Reading was a calm town that got on with its business beer biscuits metalwork seeds and armaments but its poverty impacted on industrial relations leading to strikes It was also a God fearing hard working and sober town However underneath it had a darker side all of it exposed in this book drunkenness desertion suicide child abuse murder double murder and underage sex it was all there happening when eyes were not watching This is a book about human relationships to each other and the outside world

warts and all It is a telling account of the human tragedies and triumphs of a nation at war and the day to day preoccupations of community attempting to find normality in a reality so far removed from anything they had ever known Including over 100 unique and rarely seen illustrations and expertly written by a prolific author this is an enriching read for anybody wishing take a glimpse beneath the surface of life on Reading s Home Front

The Great War Dan Todman,2014-03-04 The First World War with its mud and the slaughter of the trenches is often taken as the ultimate example of the futility of war Generals safe in their headquarters behind the lines sent millions of men to their deaths to gain a few hundred yards of ground Writers notably Siegfried Sassoon and Wilfred Owen provided unforgettable images of the idiocy and tragedy of the war Yet this vision of the war is at best a partial one the war only achieving its status as the worst of wars in the last thirty years At the time the war aroused emotions of pride and patriotism Not everyone involved remembered the war only for its miseries The generals were often highly professional and indeed won the war in 1918 In this original and challenging book Dan Todman shows views of the war have changed over the last ninety years and how a distorted image of it emerged and became dominant

The Great War in Post-Memory Literature and Film Martin Löschnigg,Marzena Sokolowska-Paryz,2014-10-14 The twenty seven original contributions to this volume investigate the ways in which the First World War has been commemorated and represented internationally in prose fiction drama film docudrama and comics from the 1960s until the present The volume thus provides a comprehensive survey of the cultural memory of the war as reflected in various media across national cultures addressing the complex connections between the cultural post memory of the war and its mediation In four sections the essays investigate 1 the cultural legacy of the Great War including its mythology and iconography 2 the implications of different forms and media for representing the war 3 national memories foregrounding the differences in post memory representations and interpretations of the Great War and 4 representations of the Great War within larger temporal or spatial frameworks focusing specifically on the ideological dimensions of its remembrance in historical socio political gender oriented and post colonial contexts

The Great War and Modern Memory Paul Fussell,2013-05-15 Winner of both the National Book Award and the National Book Critics Circle Award and named by the Modern Library one of the twentieth century s 100 Best Non Fiction Books Paul Fussell s The Great War and Modern Memory was universally acclaimed on publication in 1970 Today Fussell s landmark study remains as original and gripping as ever a literate literary and unapologetic account of the Great War the war that changed a generation ushered in the modern era and revolutionized how we see the world This brilliant work illuminates the trauma and tragedy of modern warfare in fresh revelatory ways Exploring the work of Siegfried Sassoon Robert Graves Edmund Blunden David Jones Isaac Rosenberg and Wilfred Owen Fussell supplies contexts both actual and literary for those writers who with conspicuous imaginative and artistic meaning most effectively memorialized World War I as an historical experience Dispensing with literary theory and elevated rhetoric Fussell grounds literary texts in the mud and trenches of World War I and shows how

these poems diaries novels and letters reflected the massive changes in every area including language itself brought about by the cataclysm of the Great War For generations of readers this work has represented and embodied a model of accessible scholarship huge ambition hard minded research and haunting detail Restored and updated this new edition includes an introduction by historian Jay Winter that takes into account the legacy and literary career of Paul Fussell who died in May 2012 Reader's Theater Scripts: Improve Fluency, Vocabulary, and Comprehension Grade 5 (Book with Transparencies) ,

Improve Fluency Vocabulary and Comprehension Motivate students and improve fluency with fun repeated reading **The Great War in Verse and Prose** Gilbert Murray, Arthur Conan Doyle, Edmund Gosse, Theodore Roosevelt, Rudyard Kipling, Bliss Carman, Woodrow Wilson, Henri Louis Bergson, Henry John Cody, 2023-10-24 The anthology *The Great War in Verse and Prose* offers a profound exploration of World War I through an unparalleled amalgamation of literary forms showcasing the range from heart wrenching poetry to incisive prose This collection underlines the diverse experiences and interpretations of a conflict that reshaped the world presenting a tapestry of emotions and thoughts from different cultural and national perspectives The significance of standout pieces lies not in their individual authors but in their collective ability to capture the zeitgeist of an era marked by unprecedented turmoil and transformation The contributing authors and editors including notable figures such as Gilbert Murray Arthur Conan Doyle and Henri Louis Bergson bring to the table a rich background of literary historical and political involvement Their collective contributions highlight various facets of the war from heroism to tragedy and align with significant literary and cultural movements of the time This assemblage of viewpoints offers a unique lens through which to examine the socio political landscape of the early 20th century enriched by the personal insights and scholarly expertise of its contributors Reading *The Great War in Verse and Prose* is an invitation to traverse the emotional and intellectual breadth of World War I through a mosaic of literary expression For scholars students and general readers alike this anthology presents a unique opportunity to engage with the wars multifaceted impact exploring themes of heroism loss and the quest for meaning in a changed world The collection not only educates but also fosters a deeper understanding and dialogue between the diverse voices and narratives that define this pivotal moment in history **Paul Virilio Reader** Steve Redhead, 2019-08-07 This Reader collects together for the first time extracts of Virilio's work from the entire range of his career Virilio has produced important theory at the speed of light that can uncannily illuminate the impact of new information and communications technologies in a world which collapses time and distance as never before **Eyewitness, Being Personal Reminiscences Of Certain Phases Of The Great War**, Major-General Ernest D. Swinton, 2015-11-06 Includes the First World War Illustrations Pack 73 battle plans and diagrams and 198 photos Major General Ernest Swinton had already had a long and illustrious career in the British Army before the advent of the First World War in 1914 Appointed as the official war correspondent by the war Minister Lord Kitchener in 1914 his reporting home was the only way for the British people to follow the war as journalists were at that time banned at the front In these

dispatches from the front Swinton told the public of the bloody fighting in Flanders and the heroic efforts of the Allies to stop the German Juggernaut The miserable conditions and bloody siege warfare of the trenches left a lasting impression on him and he looked to a scientific solution to the muddy stalemate of the Western Front He would gain lasting fame as the architect of the tank project that was to revolutionize warfare in the First World War and for many years thereafter In this volume of reminiscences he traces his involvement in the early years of the war and his later years as the driving force in the development and adoption of the tank

This book delves into The Great War Reader. The Great War Reader is an essential topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into The Great War Reader, encompassing both the fundamentals and more intricate discussions.
