the animal kingdom begins The animals agree to infect a young couple with a special seed obtained from the tar pits secretly creating a hybrid child The Good Listener a human baby with certain plant and animal characteristics which help the child communicate with every living thing on the earth While The Good Listener has no eyes ears mouth nor nostrils it can breathe see and hear through its green skin and is neither male nor female Insects birds and animals all come to see the wonderful child while grasses trees and plants bloom as the child walks past The animals hope that The Good Listener will convince the people of the world that they must change their ways before the humans are left in a world with no plants or animals but the government seizes the child for evaluation after it is seen in public With The Good Listener s help the animals of the sea create a tsunami attacking Los Angeles and while the predators of the land attack humans in the city the rest of the animals flee to the high mountains beginning a new life away from humans At the same time the plants release a new type of pollen which is nutritious to birds and insects but is flammable and is also noxious and toxic to humans To save themselves the humans must develop a plan respecting accommodating and incorporating all of the plants insects fish and animals of the world or the humans will become extinct instead of the plants or the animals The book is an adventure story comprised of numerous animals several humans and the hybrid child The book contains a pre quill embedded within the storyline as well as an open end allowing a sequel In addition several of the animal characters have such unique personalities allowing the development of one or more independent prequel storylines Alan the king of the ants and Frank the lord of the flies are central figures in the book and likely deserve their own background stories Finally the main character the hybrid child is unique and fascinating creating a never before seen opportunity to develop a multi book line of sequels Herbert Read Reassessed David Goodway,1998-01-01 Herbert Read 1893 1968 acquired in his lifetime a considerable international reputation in all the major areas of his diverse activities as poet as educationalist as anarchist as philosopher of aesthetics as art critic as historian of and above all as propagandist for modern art and design The papers assembled in Herbert Read Reassessed offer a comprehensive and authoritative coverage of Read s life work that is designed to stimulate debate An impressive volume it manages to present a unified but not totalizing portrait of one of England s most distinguished twentieth century critics English Historical Review **Recharting the Thirties** Patrick J. Quinn,1996 The aim of Recharting the Thirties is to revitalize the awareness of the reading public with regard to eighteen writers whose books have been largely ignored by publishers and scholars since their major works first appeared in the thirties The selection is not based on a political agenda but encompasses a wide and divergent range of philosophies clearly the contrasts between Empson and Upward or between Powell and Slater indicated the wide ranging vision of the period Women writers of the period have largely been marginalized and the writings of Sackville West and Burdekin for example not only present distinct feminine voices of the period but also illuminate how much good literature has been forgotten
