The Group Process Family Therapy:

The Group Process and Family Therapy Sheila Thompson, Jack H. Kahn, 1988 Few innovations in the field of psychotherapy have made such a universal impact as that of family therapy The authors of *The Group Process as a Helping Technique* have now brought family therapy within the same framework holding that the underlying principles of group and of family treatment can become part of the thinking of members of the caring professions in general and of all whose work brings them into contact with people's problems and relationships In this work they take the reader through a deceptively simple account of the origins of various forms of group work culminating in the therapy of family groups illustrating each form of group process with succinct examples from group counselling social case work child guidance family psychiatry terminal care and mental health consultation The scholarly discussion is illuminated with excerpts from Henry James George Eliot Bertrand Russell Jane Austen and Conan Doyle as well as from Sigmund Freud Ezriel Bion Foulkes Caplan Skynner Satir and Melanie Klein *Progress in Group and Family Therapy* Clifford J.
