The Good Apprentice:

The Good Apprentice Iris Murdoch, 2001-12-01 Edward Baltram is overwhelmed with guilt His nasty little prank has gone horribly wrong He has fed his closest friend a sandwich laced with a hallucinogenic drug and the young man has fallen out of a window to his death Edward searches for redemption through a reunion with his famous father the reclusive painter Jesse Baltram Funny and compelling The Good Apprentice is at once a supremely sophisticated entertainment and an inquiry into the spiritual crises that afflict the modern world For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators Understanding Iris Murdoch Cheryl Browning Bove, 1993 Describes Murdoch as preoccupied with love art the possibility difficulty of doing good avoiding evil Iris Murdoch and the Others Paul S. Fiddes, 2021-12-02 The others examined by Fiddes are mainly those with whom Murdoch entered into explicit dialogue in her novels and philosophical writing including Immanuel Kant Simone Weil Dietrich Bonhoeffer Rudolph Bultmann Paul Tillich Don Cupitt Donald Mackinnon and Jacques Derrida This historic dialogue is however placed within a wider dialogue between literature and theology being conducted by the author and others are brought into relation with Murdoch in order to illuminate this more extensive conversation notably the poet Gerard Manley Hopkins and the feminist philosopher Julia Kristeva The book demonstrates that characteristic themes in Murdoch s novels and philosophy the love of the Good the death of the ego illusory consolations the death of God the modifying of the will by waiting the sublime and the beautiful and attention to other things and persons all take on a greater meaning when placed in the context of her life long conversation with theology The exploration of this context is deepened in this volume by reference to annotations and notes that Murdoch made in a number of theological books in her personal library **Freedom and Limit** P. Fiddes, 1991-11-25 If imagination is understood to be a human response to the self revelation of God what practical results might this have for the work both of literary criticism and theology Both theologians and creative writers find human existence to be characterised by basic tension between freedom and limit which accounts for a sense of fallenness and which a dialogue between literature and Christian doctrine can do much to illuminate Such a dialogue is worked out in studies of the poetry of William Blake and Gerard Manley Hopkins and the novels of D H Lawrence Iris Murdoch and William Golding **Iris Murdoch and Harry Weinberger** Rebecca Moden, 2023-03-03 The novelist and philosopher Iris Murdoch and the painter Harry Weinberger engaged in over twenty years of close friendship and intellectual discourse centred on sustained discussion of the practice teaching and morality of art This book presents a reappraisal of Murdoch s novels chiefly three mature novels The Sea The Sea 1978 Nuns and Soldiers 1980 and The Good Apprentice 1985 and two enigmatic late novels The Green Knight 1993 and

Jackson's Dilemma 1995 which are perceived through the prism of her discourse with Weinberger. It draws on a run of almost 400 letters from Murdoch to Weinberger and on Murdoch's philosophical writings, Weinberger's private writings, the remarks of both artists in interviews and other material relating to their views on art and art history, much of which is unpublished and has received no previous critical attention. Scrutiny of their shared values, methods and the imagistic dialogue that takes place in their art provides original perspectives on Murdoch's creativity and new ways of understanding her experimentation with the visual arts. This book offers a new line of enquiry into Murdoch's novels and into the relationship between literature and the visual arts.

Passion for Pilgrimage Alan Jones, 2000-01-15. The Christian spiritual journey is a pilgrimage to wholeness, a search for home that is in God. In this classic work on contemporary spiritual living, Alan Jones explores the various parts of the pilgrimage home. Using literature, art and biblical texts as illustrations, he explores our search for light and love, repentance and forgiveness in the context of the Passion and Easter stories. An excellent book for group study during Lent and Easter, this edition includes study questions at the end of each chapter. *Passion for Pilgrimage* is also provocative reading for individuals at any time of the year who want to understand the Christian journey more deeply.

Iris Murdoch and Remorse Frances White, 2023-11-24. This exploration of the crucially important role played by remorse in Iris Murdoch's philosophical, theological and political thinking identifies it as a critical concept in her moral psychology and a recurrent theme in her art. Through engagement with Simone Weil, current theories of remorse, trauma theory and Holocaust studies, it offers fresh perspectives on Murdoch's fiction, particularly the late novels, her radio play *The One Alone* and her monograph *Heidegger*.

Iris Murdoch, Philosopher Meets Novelist Sofia de Melo Araújo, Fátima Vieira, 2011-05-25. *Iris Murdoch: Philosopher Meets Novelist* aims to gather some of the world's present experts on Iris Murdoch in an effort to promote dialogue between philosophy and literature. This is due not only to the nature of Iris Murdoch's work itself but also to our belief that within Humanistic Studies there is a constant need for breaking down disciplinary barriers and reaching a deeper, fuller awareness of human thinking. Thus the book brings together scholars from a variety of fields and places: Brazil, England, Iran, Ireland, Italy, Portugal, Spain, Turkey, Taiwan and the United States, and testifies to the interest that the work of Murdoch continues to inspire. The book is divided into two major sections. Part A, *Reading Philosophies in Literature*, includes articles focusing on Iris Murdoch's philosophical concerns and their general influence in her work. Part B, *Reading Literature through Philosophy*, is intended as a sort of application ground, a series of case studies wherein authors depart from novels to retrieve the underlying philosophical thinking.

Remorse and Reparation Murray Cox, 1999. Remorse, or rather the lack of it, frequently features in banner headlines. But there is little systematic study of this important interdisciplinary topic whose relevance has extensive social ramifications. The complex relationship between remorse, shame, guilt and attempts at reparation are discussed in this authoritative work.
