The Good News Is Jesus:

Knowing the Gospel Lola S. Richey, 2011-12-12 Knowing the Gospel The Good News of Jesus Christ Made Simple is an inspirational and accessible Bible based primer on Jesus Christ and His message and teaches how a reader in the twenty first century can achieve salvation through this most important first century figure This book answers simple question like What is the Gospel Who is God Who is Jesus What is a Christian How to become saved What is salvation Is there life after death In Knowing the Gospel readers are introduced the Good News of the four Gospels which tell of Jesus identity and historical times through the lens of both Old Testament and New Testament writings Readers learn about sin and repentance through the story of the Apostle Paul who turned from persecuting Jesus followers to following Him himself While sin is inevitable readers will be heartened to learn that faith and trust in Jesus will lead them to eternal life in Him as Christians The book concludes with a joyous invitation to salvation

Good News of Jesus L. William Countryman, 1993-02-01 At the heart of Christianity stands the figure of Jesus and the message he embodied the gospel This book seeks to make what is at the heart of the Christian religion available in a new way in our time Many of those who read this book will already have some notion of what the Christian faith is about Professor Countryman therefore writes I fear that the reader will bring to the reading of this book all kinds of assumptions that don t belong here and I have tried to be explicit in rejecting some of these so that I can reintroduce something truer Within the church and outside of it people today are in a period of refocusing and rediscovery asking what is really central to the Christian faith Some claim that today s church has lost its heart if not its soul Countryman sounds a clarion call back to the gospel the good news For in the end he writes we must be prepared to choose the good news over everything else Here then is a fundamental work that has grown out of and been tested in the parish and that has served as a basic text for seminary courses in Foundations of Christian Spirituality L William Countryman is Professor of New Testament at the Church Divinity School of the Pacific Berkeley California and author of *The Language of Ordination Ministry* in an Ecumenical Context also published by Trinity Press

The Gospel of Jesus James M. Robinson, 2024-01-17 We know Matthew Mark Luke and John but what was the gospel of Jesus The message is intense and simple a valuable addition to the Jesus canon Booklist Is it possible to know what Jesus s original audience heard as the good news Jesus s gospel has been lost from sight hidden behind the version preferred by the church In *The Gospel of Jesus* James M Robinson acclaimed expert on early Christian studies gets to the true historical message of Jesus The Gospel of Jesus draws on a combination of the most ancient and authentic texts to reveal what Jesus really said and to illuminate what he may still have to say to us today Robinson not only reconstructs the good news Jesus preached and practiced two thousand years ago but also shows how relevant that message still is and how we can apply it to our lives The Gospel of Jesus offers one of the most authentic and stirring accounts ever written of the message preached by Christ A dramatic account of the original messages of Jesus of Nazareth before honorific titles were applied to him and dogmatic statements were formulated about him a book of wisdom

insight and passion Marvin Meyer author of *The Gnostic Gospels of Jesus* The distillation of a distinguished career devoted to the exploration of Christian origins a succinct account of what the historical Jesus taught Robinson s reconstruction of Q the sayings source underlying Matthew and Luke provides the script on which he builds his judicious and moving portrait of Jesus Harold Attridge Dean Yale Divinity School **Joyfully Spreading the Word** Kathleen Nielson, Gloria

Furman, 2018-09-20 You can be a part of the spread of the gospel in the world Here are theological reflections and real stories from women from across the world who are eagerly sharing the good news of Jesus wherever God has placed them showing us just how possible it is to follow Jesus s call to evangelism in our ordinary everyday lives **The Good News is**

Jesus Kilian McGowan, 1981 *Simply Good News* Tom Wright, 2015-03-19 The Gospel means good news but what makes it news If the message has been around for 2 000 years what could possibly be newsworthy about it And what makes it good Surely not the stories we hear of damnation violence and an angry God Tom Wright believes many Christians have lost sight of what the good news of the gospel really is In *Simply Good News* he shows how a first century audience would have received the gospel message what the good news means for us today and how it can transform our lives **What's So Good**

about the Good News? Charles Lee Bilberry, 2012-03 The word gospel literally means good news It is the good news that God saves sinners Man is by nature sinful and separated from God with no hope of remedying that situation But God by His power provided the means of man s redemption in the death burial and resurrection of the Savior Jesus Christ The Bible is full of good news But there is no greater news than the salvation we have through Jesus Christ In *What s So Good About The Good News* the author explains why the good news is so good through eight doctrinal elements that are essential to the Christian s faith **This We Believe** John N. Akers, 2000 This book is written to help Christians understand and celebrate the essentials of the Gospel *The Good News of Jesus Christ* Melissa Robertson, 2019-12-26 The moment man brought sin

into the world separation from God and death came with it Man wasn t the only one impacted by sin as creation also suffered Creation took on its own weight of uselessness to God as thorns rose from the ground and death ensnared its beauty However creation and man have waited with great expectation for the return of Jesus Christ who brings the hope and promise for redeeming that which man lost As creation waits it cries out to God We see many pieces of creation crying out to God s glory and grace through sunrises sunsets oceans mountains leaves of the trees stars and so much more However do we truly look beyond what the naked eye can see to behold another piece of creation crying out for the Lord s loving grace for our hearts Come on a journey never traveled before to see the eagerness of snowflakes crying out the love God has poured upon us all and His promise for each of us to be Washed as White as Snow Through the use of snow God has designed the perfect patterns for sharing The Good News of Jesus Christ and to give us each a hope for eternity with Him Beautifully photographed real life illustrations and simple language shape this book into an easy and exciting read for all God truly shows His creativity and love for people as He etches each snowflake that falls from the sky The book takes readers through

the entire Gospel journey weaving through the Bible touching Genesis Revelation and much in between Readers can enjoy the story of God s love for mankind while sitting and beholding the beauty God gives us through some of the smallest pieces of creation
