The Gordon Lindsay Story:

The Gordon Lindsay Story Gordon Lindsay, 1964 *The Gordon Lindsay Story* Gordon Lindsay, 2014-03 **The Healer-prophet** C. Douglas Weaver, 2000 This study of William Marrion Branham's ministry reveals much about the healing methodology of deliverance evangelists Branham's theology of healing highlights the widely accepted role of evangelists as mediators between God and the afflicted The dynamic growth of Pentecostalism in the twentieth century is a major feature of the modern religious scene Branham is acknowledged as a leader of the healing revival movement Although little known outside of the Pentecostal movement his work had tremendous influence on today's televangelists and the whole of Pentecostalism itself *All Things Are Possible* David Edwin Harrell, 1979-01-21 The first book to tell the story of the enterprisers who have personal followings a missing link in the chain of American religious movements Martin E Marty author of *October 31 1517 Martin Luther and the Day that Changed the World* Written by a Professor Emeritus at Auburn University this is the first objective history of the great revivals that swept the country after World War II It tells the story of the victories and defeats of such giants of the revival as William Branham Oral Roberts Jack Coe T L Osborn and A A Allen It also tells of the powerful evangelists who carried on the revival including Robert Schambach and Morris Cerullo Those who lived through the great revivals of the 1950s and 1960s will be thrilled to read about those exciting days and those interested in the religious history of the United States need to read this book to see what has led us up to this present moment in time Harrell has obviously attended countless rallies read sheafs of literature and personally interviewed many of the principals He tells the story in a largely biographical format This makes for lively reading The New York Times Book Review A book about healing revivalists that takes them seriously and treats them fairly Journal of Southern History Will be a definitive work for some years to come Reviews in American History Will attract readers interested in the reasons behind the various fat and lean periods among revivalists Publishers Weekly Harrell's book will doubtless be the definitive work on the subject for a long while who else will wade through Healing Waters and Miracle Magazine with such fastidious care Kirkus Reviews

Systematic Theology, Volume 1, Fourth Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their

knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991A gold mine of helpful material The Christian Century May 29 June 5 1991No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological SeminaryOne of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

Exorcism and Deliverance Ministry in the Twentieth Century James M. Collins,2009-11-10 This study seeks to demonstrate that exorcism deliverance ministry is an innately enthusiastic practice utilizing John Knox s classic study of Christian enthusiasm The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades through its heyday in the 1970s and 80s on to creeping routinisation by the end of the century Two enthusiastic settings Charismatic and Evangelical Fundamentalist are identified and examined as the

environment in which two related streams of exorcism deliverance ministry was practiced Finally enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism deliverance ministry Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams that underlie the development of this rite As a result important secondary insights are gained into the tidal nature of enthusiastic movements the role of itinerant preachers in the propagation of enthusiasm the routinisation of enthusiastic practices and the manner in which enthusiasm overcomes institutional denominational boundaries The study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes the relationship between exorcism deliverance ministry and millenarianism and the practice of this rite within non Western churches **A Theology of the Holy Spirit** Frederick Dale Bruner, 1997-12-03 Bruner has been both thorough and fair and has written a book that combines scholarly research with constructive commentary on the life and mission of the contemporary Church
