The Gospel Under Siege A Study On Faith And Works:

The Gospel Under Siege Zane C. Hodges, 1981-12-01 The Gospel Under Siege Zane C. Hodges, 2017-07 What is the relationship between faith and works Some have erroneously concluded that faith includes works or that true faith guarantees a life long pattern of good works The result of this teaching has caused many to seek assurance of their salvation by examining their good works Many have become trapped by dwelling on the question Have I shown enough good fruit in my life to prove that I am really saved The Gospel Under Siege looks at many passages which are mistakenly thought to teach these ideas Few if any books deal with a larger selection of debated texts than does this book The already ample number of these e g James 2 1 John 3 6 and 9 Acts 2 38 Hebrews 6 and 10 has been increased in this new edition with such passages as Romans 2 7 10 13 and 2 Corinthians 13 5 Based on clear analysis of these passages Zane Hodges demonstrates that these passages are meant for Christian readership The Gospel Under Siege shows that the rock solid promises of God s Word is where one needs to look to find true biblical assurance In many of these misunderstood passages Christians are warned about the possibility of failure in the Christian life and not about the possibility of finding out that they were not really saved in the first place If you have ever run across passages that made you wonder whether works are necessary for salvation or made you wonder whether you were really saved then this book is for you

The Gospel According to Jesus John F. MacArthur, 2009-05-26 What is authentic faith The Gospel According to Jesus challenges Christians to re evaluate their commitment to Christ by examining their fruits MacArthur asks What does it really mean to be saved He urges readers to understand that their conversion was more than a mere point in time that by definition it includes a lifetime of obedience John MacArthur tackles the error of easy believism by addressing these questions Is it possible to accept Jesus as Savior while refusing him as Lord Can someone truly believe without actually repenting How do obedience commitment to Christ and turning from sin fit together with the truth that we are saved by grace through faith alone The Gospel According to Jesus is just as powerful today as it was more than two decades ago It is a Scripture based clarion call for a rejection of the watered down message that has gained popularity in the church and a return to the gospel Jesus preached This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic reinforcing the book s timeless message that Jesus demands to be both Savior and Lord to all who believe This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ

A Theology of Matthew's Gospel Michael J. Wilkins, 2025-10-07 A Theology of Matthew s Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity s redemption Matthew s Gospel establishes Jesus s identity as the heir to the promises of Israel s throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus s message of the gospel to Jews contending that they should turn to Jesus as their long

awaited Messiah Matt 11 2 6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey Therefore Matthew's Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses The six Narratives provide the example that Jesus's disciples are commanded to obey In the five Discourses Matthew records Jesus's instructions commands parables directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age Combined the narratives of Jesus's life provide Jesus's example to follow and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus

The Race Set Before Us Thomas R. Schreiner, Ardel B. Caneday, 2001-04-11 In this exploration of the biblical theology of perseverance and assurance Thomas R Schreiner and Ardel B Caneday weigh all of the relevant New Testament texts and provide a foundational study that offers a clear Reformed perspective on salvation *The God of Promise and the Life of Faith* Scott J. Hafemann, 2001-11-07 This theological primer lets the Bible tell its own message providing a basic framework for Scripture that will encourage readers to take up the Bible for themselves and grow in faith hope and love **The Race Set Before Us** Ardel B. Caneday, Thomas R. Schreiner, 2025-10-30 Discipline Endurance Perseverance The New Testament often describes the Christian life as a marathon a race set before us But what exactly is the prize Do all those completing the race share in it And can the prize be lost Tackling these and other vexing questions Thomas Schreiner and Ardel Caneday offer in this book a serious exegetical wrestling with the biblical understanding of the nature of saving faith and its implications for the people of God Here is a foundational study that considers all of the relevant New Testament texts and that weighs the meaning of those texts for both Christian living and pastoral ministry □□□□ □□□ (Wayne Grudem), 2019-07-16 300 000 1 2 3 4 5 6 ESV *The Warning-Assurance Relationship in 1 Corinthians* Andrew J.

Wilson, 2017-10-27 Paul's first letter to the Corinthians contains both emphatic warnings and strong statements of assurance and the relationship between them has often puzzled interpreters. At times it sounds as if Paul is warning the Corinthians lest they forfeit their eschatological salvation; at others it sounds like he is assuring them that they will not. Attempts to harmonise the two stances have often ended up nullifying the warnings or the assurances or both. In this fresh analysis of all the relevant texts, Andrew J. Wilson demonstrates that Paul's warnings and assurances stand in tension with each other and suggests that this tension is both coherent and in actual fact deliberate on Paul's part. Discussions of perseverance and apostasy in Paul, grace and works and the relationship between divine and human agency will all now need to reckon with this important contribution.

They Who Endure to the End Everett Berry, 2020-07-30 Is it possible for a true believer in Christ to apostatize? If so, how? Also, how can professing believers know if they are truly born again? What assurance can they have that they will never renounce their faith? These questions have been asked for centuries as Christians have wrestled with what Scripture says about these matters. The search for answers has instilled strong disagreements among Christian traditions. In this book, we navigate the terrain of this debate by examining the pertinent biblical data, surveying the history of major views that have been advocated by various denominations and offering a synthesis of all this material in the hopes that readers can see how Scripture assures believers of their security in Christ.
