The Edinburgh Review, 1918 *Ute Land Religion in the American West, 1879-2009* Brandi Denison, 2017 *Ute Land Religion in the American West 1879-2009* is a narrative of American religion and how it intersected with land in the American West Prior to 1881 Utes lived on the largest reservation in North America twelve million acres of western Colorado Brandi Denison takes a broad look at the Ute land dispossession and resistance to disenfranchisement by tracing the shifting cultural meaning of dirt a physical thing into land an abstract idea This shift was made possible through the development and deployment of an idealized American religion based on Enlightenment ideals of individualism Victorian sensibilities about the female body and an emerging respect for diversity and

commitment to religious pluralism that was wholly dependent on a separation of economics from religion As the narrative unfolds Denison shows how Utes and their Anglo American allies worked together to systematize a religion out of existing ceremonial practices anthropological observations and Euro American ideals of nature A variety of societies then used religious beliefs and practices to give meaning to the land which in turn shaped inhabitants perception of an exclusive American religion Ultimately this movement from the tangible to the abstract demonstrates the development of a normative American religion one that excludes minorities even as they are the source of the idealized expression *The Grand Duke from Boys Ranch* Bill Sarpalius,2018-04-09 As a boy in Houston Bill Sarpalius his brothers and their mother lived an itinerant life Bill dug food out of trashcans and he and his brothers moved from one school to the next They squatted in a vacant home while their mother affectionately called Honey battled alcoholism and suicidal tendencies In an act of desperation she handed her three sons over to Cal Farley s Boys Ranch north of Amarillo At the time Bill was thirteen years old and could not read Life at Boys Ranch had its own set of harrowing challenges however He found himself living in fear of some staff and older boys He became involved in Future Farmers of America and discovered a talent for public speaking When he graduated he had a hundred dollars and no place to go He worked hard earned a scholarship from the Houston Livestock Show and Rodeo and obtained a college degree After a brief career as a teacher and in agribusiness he won a seat in the Texas Senate Driven by the memory of his suffering mother he launched the Texas Commission on Alcohol and Drug Abuse in an effort to help people struggling with addiction Sarpalius later served in the United States Congress As a Lithuanian American he took a special interest in that nation s fight for independence from the Soviet Union For his efforts Sarpalius received the highest honor possible to a non Lithuanian citizen and was named a Grand Duke The Grand Duke from Boys Ranch is a unique political memoir the story of a life full of unlikely paths that is at once heartbreaking and inspirational
