**The Great Abraham Lincoln Hijack** Bonnie Stahlman Speer,1997      **The Great Abraham Lincoln Hijack** Bonnie Stahlman Speer,1997      **Stealing Lincoln's Body** Thomas J. CRAUGHWELL,2009-06-30 On the night of the 1876

presidential election a gang of counterfeiters attempted to steal the entombed embalmed body of Abraham Lincoln and hold it for ransom Craughwell returns to this bizarre and largely forgotten event with the first book to place the grave robbery in historical context This rousing story of hapless con men intrepid federal agents and ordinary Springfield citizens offers an unusual glimpse into late nineteenth century America      **Protecting President Lincoln** Frederick Hatch,2011-10-14 From his election in November 1860 to his death in April 1865 Abraham Lincoln faced constant danger from those hostile to him and to the Union cause Lincoln s enemies made four overt attempts on his life including a Confederate partisan effort to infect him with yellow fever by sending a contaminated valise of clothing to the White House Because Lincoln s life ended with John Wilkes Booth s assassination plot the president s protection has come under extreme scrutiny with many considering it flawed inadequate or completely lacking By providing the first thorough exploration of the security surrounding Lincoln this intriguing study offers new insight into this long running issue Detailing the dangers real and uncertain facing Lincoln and the unprecedented measures taken to protect his life and health this work presents a fresh perspective on the presidency of the Great Emancipator      A Nation of Counterfeiters Stephen Mihm,2009-06-30 Prior to the Civil War the United States did not have a single national currency Counterfeiters flourished amid this anarchy putting vast quantities of bogus bills into circulation Their success Mihm reveals is more than an entertaining tale of criminal enterprise it is the story of the rise of a country defined by freewheeling capitalism and little government control Mihm shows how eventually the older monetary system was dismantled along with the counterfeit economy it sustained      Giant in the Shadows Jason Emerson,2012-03-27 University Press Books for Public and Secondary Schools 2013 edition Book of the Year by the Illinois State historical Society 2013 Although he was Abraham and Mary Lincoln s oldest and last surviving son the details of Robert T Lincoln s life are misunderstood by some and unknown to many others Nearly half a century after the last biography about Abraham Lincoln s son was published historian and author Jason Emerson illuminates the life of this remarkable man and his achievements in Giant in the Shadows The Life of Robert T Lincoln Emerson after nearly ten years of research draws upon previously unavailable materials to offer the first truly definitive biography of the famous lawyer businessman and statesman who much more than merely the son of America s most famous president made his own indelible mark on one of the most progressive and dynamic eras in United States history Born in a boardinghouse but passing his last days at ease on a lavish country estate Robert Lincoln played many roles during his lifetime As a president s son a Union soldier an ambassador to Great Britain and a U S secretary of war Lincoln was indisputably a titan of his age Much like his

father he became one of the nation's most respected and influential men building a successful law practice in the city of Chicago serving shrewdly as president of the Pullman Car Company and at one time even being considered as a candidate for the U.S. presidency. Along the way he bore witness to some of the most dramatic moments in America's history including Robert E. Lee's surrender at Appomattox Courthouse the advent of the railroad telephone electrical and automobile industries the circumstances surrounding the assassinations of three presidents of the United States and the momentous presidential election of 1912. *Giant in the Shadows* also reveals Robert T. Lincoln's complex relationships with his famous parents and includes previously unpublished insights into their personalities. Emerson reveals new details about Robert's role as his father's confidant during the brutal years of the Civil War and his reaction to his father's murder his prosecution of the thieves who attempted to steal his father's body in 1876 and the extraordinary measures he took to ensure it would never happen again as well as details about the painful decision to have his mother committed to a mental facility. In addition Emerson explores the relationship between Robert and his children and exposes the actual story of his stewardship of the Lincoln legacy including what he and his wife really destroyed and what was preserved. Emerson also delves into the true reason Robert is not buried in the Lincoln tomb in Springfield but instead was interred at Arlington National Cemetery. Meticulously researched full of never before seen photographs and new insight into historical events *Giant in the Shadows* is the missing chapter of the Lincoln family story. Emerson's riveting work is more than simply a biography it is a tale of American achievement in the Gilded Age and the endurance of the Lincoln legacy.

[A Biography of Elihu Benjamin Washburne Congressman, Secretary of State, Envoy Extraordinary](#) Mark Washburne, 2016-10-14 In 1869 President Grant nominated his old friend Elihu Washburne as secretary of state and then as minister to France. Washburne presented his credentials to Napoleon III and was present in 1870 for the Franco-German War. Following the war with the Germans the people of Paris rose up in revolt and proclaimed a leftist commune. The poor response of the French government to feed the people of Paris after the peace treaty contributed to the political turmoil. This sixth volume explores the life of the American minister to France Elihu Washburne during the years following the Franco-German War and Paris Commune as the French government and people tried to rebuild their country following those dramatic events.

[Lincoln's Grave Robbers](#) (Scholastic Focus) Steve Sheinkin, 2013-01-01 A true crime thriller the first book for teens to tell the nearly unknown tale of the brazen attempt to steal Abraham Lincoln's body. Reissued in Scholastic Focus with an exciting new cover. The action begins in October of 1875 as Secret Service agents raid the Fulton Illinois workshop of master counterfeiter Ben Boyd. Soon after Boyd is hauled off to prison members of his counterfeiting ring gather in the back room of a smoky Chicago saloon to discuss how to spring their ringleader. Their plan: grab Lincoln's body from its Springfield tomb, stash it in the sand dunes near Lake Michigan and demand as a ransom the release of Ben Boyd and 200,000 in cash. From here the action alternates between the conspirators the Secret Service agents on their trail and the undercover agent moving back and forth between

them Along the way readers get glimpses into the inner workings of counterfeiting grave robbing detective work and the early days of the Secret Service The plot moves toward a wild climax as robbers and lawmen converge at Lincoln s tomb on election night November 7 1876 A dynamic and thrilling tale from critically acclaimed author Steve Sheinkin 9/11/2001 *The Day Patriotism was Hijacked* D Randall Ashcraft,2020-09-28 Having been taught patriotic ideas from an early age then having served in the military and taking the oath to protect and defend the Constitution from all enemies foreign and domestic several times the author has written this book after having to redefine his beliefs regarding patriotism based on new evidence he has encountered In other words his patriotism has evolved to the point of getting back to the basics regarding the Constitution and Bill of Rights the foundation of American life yet they have taken serious hits since and because of 9 11 01 This book is an attempt to share with his fellow Americans things that have been apparently deliberately withheld from the general public regarding what really happened that day and why One must admit that it is strange that we have always seemed to have an enemy or a boogeyman as Mobster Sam Giancana once related The Fat Cats were fully aware that Americans will do anything for Patriotism hence you always must provide them with a boogeyman They won t overwork themselves just to make huge profits for fat cats for any other reason so new enemies always have to be found or created Wars are big business for a certain group of wealthy elites who value profits above human life This book explores this inhumane idea and much much more
