taught This people have been the recipients of great light and unrivaled mercies But these gifts have been repaid by ingratitude and forgetfulness of God The Infinite One keeps a reckoning with the nations and their guilt is proportioned to the light rejected A fearful record now stands in the register of Heaven against our land but the crime which shall fill up the measure of her iniquity is that of making void the law of God 4SP 398 1 2 Spirit of Prophecy Vol 4 p 410 Our land is in jeopardy The time is drawing on when its legislators shall so abjure the principles of Protestantism as to give countenance to Romish apostasy The people for whom God has so marvelously wrought strengthening them to throw off the galling yoke of popery will by a national act give vigor to the corrupt faith of Rome and thus arouse the tyranny which only waits for a touch to start again into cruelty and despotism With rapid steps are we already approaching this period When Protestant churches shall seek the support of the secular power thus following the example of that apostate church for opposing which their ancestors endured the fiercest persecution then will there be a national apostasy which will end only in national ruin 4SP 410

2 **The Great Controversy Between Christ and Satan, as Illustrated in the Lives of Patriarchs and Prophets** Ellen G. White, 1890 The Great Controversy Between Christ and Satan Ellen Gould Harmon White, 2020-09-28 Before the entrance of sin Adam enjoyed open communion with his Maker but since man separated himself from God by transgression the human race has been cut off from this high privilege By the plan of redemption however a way has been opened whereby the inhabitants of the earth may still have connection with heaven God has communicated with men by His Spirit and divine light has been imparted to the world by revelations to His chosen servants Holy men of God spake as they were moved by the Holy Ghost 2 Peter 1 21 During the first twenty five hundred years of human history there was no written revelation Those who had been taught of God communicated their knowledge to others and it was handed down from father to son through successive generations The preparation of the written word began in the time of Moses Inspired revelations were then embodied in an inspired book This work continued during the long period of sixteen hundred years from Moses the historian of creation and the law to John the recorder of the most sublime truths of the gospel The Bible points to God as its author yet it was written by human hands and in the varied style of its different books it presents the characteristics of the several writers The truths revealed are all given by inspiration of God 2 Tim 3 16 yet they are expressed in the words of men The Infinite One by His Holy Spirit has shed light into the minds and hearts of His servants He has given dreams and visions symbols and figures and those to whom the truth was thus revealed have themselves embodied the thought in human language The ten commandments were spoken by God Himself and were written by His own hand They are of divine and not of human composition But the Bible with its God given truths expressed in the language of men presents a union of the divine and the human Such a union existed in the nature of Christ who was the Son of God and the Son of man Thus it is true of the Bible as it was of Christ that the Word was made flesh and dwelt among us John 1 14 Written in different ages by men who differed widely in rank and occupation and in mental and spiritual endowments the books of the Bible present a wide

contrast in style as well as a diversity in the nature of the subjects unfolded Different forms of expression are employed by different writers often the same truth is more strikingly presented by one than by another And as several writers present a subject under varied aspects and relations there may appear to the superficial careless or prejudiced reader to be discrepancy or contradiction where the thoughtful reverent student with clearer insight discerns the underlying harmony As presented through different individuals the truth is brought out in its varied aspects One writer is more strongly impressed with one phase of the subject he grasps those points that harmonize with his experience or with his power of perception and appreciation another seizes upon a different phase and each under the guidance of the Holy Spirit presents what is most forcibly impressed upon his own mind a different aspect of the truth in each but a perfect harmony through all And the truths thus revealed unite to form a perfect whole adapted to meet the wants of men in all the circumstances and experiences of life God has been pleased to communicate His truth to the world by human agencies and He Himself by His Holy Spirit qualified men and enabled them to do this work He guided the mind in the selection of what to speak and what to write The treasure was intrusted to earthen vessels yet it is none the less from Heaven The testimony is conveyed through the imperfect expression of human language yet it is the testimony of God and the obedient believing child of God beholds in it the glory of a divine power full of grace and truth The Great Controversy Between Christ and Satan During the Christian

Dispensation Ellen G. White,1888 **The Great Controversy Between Christ and His Angels and Satan and His Angels** Ellen G. White,2011-09-01 2011 Reprint of 1858 Edition Full facsimile of the original edition not reproduced with Optical Recognition Software In Seventh day Adventist theology the Great Controversy theme refers to the cosmic battle between Jesus Christ and Satan and also played out on earth The concept is derived from many visions White claimed to have received scriptural references and is delineated in the book The Great Controversy first published in 1858 by Ellen G White a co founder of the Seventh day Adventist Church The concept is important in Adventist theology because it provides an understanding of the origin of evil and of the eventual destruction of evil and the restoration of God s original purpose for this world It constitutes belief number 8 of the church s 28 Fundamentals Specifically the belief holds that all humanity is now involved in a great controversy between Christ and Satan regarding the character of God His law and His sovereignty over the universe This conflict originated in heaven when a created being endowed with freedom of choice in self exaltation became Satan God s adversary He led into rebellion a portion of the angels He introduced the spirit of rebellion into this world when he led Adam and Eve into sin This human sin resulted in the distortion of the image of God in humanity the disordering of the created world and its eventual devastation at the time of the worldwide flood Observed by the whole creation this world became the arena of the universal conflict out of which the God of love will ultimately be vindicated To assist His people in this controversy Christ sends the Holy Spirit and the loyal angels to guide protect and sustain them in the way of salvation
