The Great McGonagall

Roger Lewis

The Great McGonagall:

McGonagall's Chronicles Gary McNair, 2018-12-05 I'm in love with a man from Dundee. Though he lived 100 years or so before me, he was a poet. He was aware of this. A tragic comedy, McGonagall's *Chronicles* charts the true life story of the worst poet of all time, William McGonagall. With wit, candour, and warmth, Gary McNair tries to understand how McGonagall could be so bad at what he did and gets to the heart of the dilemma that surrounds his legend: is it okay for us to laugh at someone's obvious and relentless failings?

The Great McGonagall William McGonagall, 1968 *The language of empire* Robert Macdonald, 2017-03-01 The debate about the Empire dealt in idealism and morality, and both sides employed the language of feeling and frequently argued their case in dramatic terms. This book opposes two sides of the Empire: first, as it was presented to the public in Britain, and second, as it was experienced or imagined by its subjects abroad. British imperialism was nurtured by such upper middle class institutions as the public schools, the wardrooms, and officers' messes, and the conservative press. The attitudes of 1916 can best be recovered through a reconstruction of a poetics of popular imperialism. The case study of Rhodesia demonstrates the almost instant application of myth and sign to a contemporary imperial crisis. Rudyard Kipling was acknowledged throughout the English-speaking world not only as a wonderful teller of stories but as the singer of Greater Britain or as the Laureate of Empire. In the last two decades of the nineteenth century, the Empire gained a beachhead in the classroom, particularly in the coupling of geography and history. The *Island Story* underlined that stories of heroic soldiers and fights for the flag were easier for teachers to present to children than lessons in morality or abstractions about liberty and responsible government. The Education Act of 1870 had created a need for standard readers in schools, readers designed to teach boys and girls to be useful citizens. The Indian Mutiny was the supreme test of the imperial conscience, a measure of the morality of the master nation.

The Life and Death of Peter Sellers Roger Lewis, 2025-07-17 A fascinating, tragic, and instructive story vividly told. Sunday Telegraph. Roger Lewis, in his no-holds-barred biography, exposes a Peter Sellers the world little knows. Recognized as the greatest British comic since Charlie Chaplin, Sellers was the grand master of fifty-five films, from *Dr. Strangelove* to *Being There*, and the *Pink Panther* hits. But shadowing his phenomenal career was a history of increasingly bizarre behaviour, involving psychotic violence, compulsive promiscuity, drug abuse, and humiliating self-destructive obsessions with people including Princess Margaret, Sophia Loren, Liza Minnelli, and each of his four wives: Ann Hayes, Britt Ekland, Miranda Quarry, and Lynne Frederick. He alternately showered his wives and children with gifts and then threatened to kill them. Sellers' fluidity as an actor made for a terrifying madness that grew like a slow metastasizing cancer throughout his adult life. *The Life and Death of Peter Sellers* concludes with his premature death at the age of 54, sick at heart and alone in those sunless hotel rooms, so recoiled from intimacy that no one really knew him anymore. PRAISE FOR THE LIFE AND DEATH OF PETER SELLERS: It is a mad book, but then the subject is a madman. I love Lewis's passion. I recommend it. Sunday Times. Reinventing the genre as well as reassessing its subject with formidable

intelligence this book is a remarkable achievement Literary Review The Great McGonagall Scrap Book Spike Milligan, Jack Hobbs, 1975 **Victoria, Queen of the Screen** Leigh Ehlers Telotte, 2020-06-26 Both in life and death Queen Victoria is among the most popular monarchs to be committed to film Her reign was characterized by an explosion in media coverage that began to rely on images rather than words to tell her story Even though Victoria has been labeled the first media monarch the sheer magnitude of her screen presence has been neither chronicled nor fully appreciated until now This book examines the growth and evolution of Queen Victoria's on screen image From the satirical cartoons and silent films of the 19th century to the television shows video games and webcomics of the 21st it demonstrates how the protean Victoria character has evolved ultimately meaning many different things to many different people in many different ways Each chapter looks at a facet of her character and includes analysis of how these media present Queen Victoria as a real person and shape her as a character acting within a narrative The book includes a comprehensive and international filmography

The Offense of Poetry Hazard Adams, 2011-07-01 There is something offensive and scandalous about poetry judging by the number of attacks on it and defenses of it written over the centuries Poetry Hazard Adams argues exists to offend not through its subject matter but through the challenges it presents to the prevailing view of what language is for Poetry's main cultural value is its offensiveness it should be defended as offensive Adams specifies four poetic offenses gesture drama fiction and trope and devotes a chapter to each ranging across the landscape of traditional literary criticism and exploring the various attitudes toward poetry including both attacks and defenses offered by writers from Plato and Aristotle to Sidney Vico Blake Yeats and Seamus Heaney among others Criticism Adams writes needs renewal in every age to free poetry from the prejudices of that age and the unintended prejudices of even the best critics of the past to free poetry to perform its provocative antithetical cultural role Poetry achieves its cultural value by opposing the binary oppositions form and content fact and fiction reason and emotion that structure and polarize most understandings of literature and of life Adams takes a position antithetical to the extremes of both abstract formalism and the politicization of literary content He concludes with an appreciation of what he calls the double offense of great bad poetry poetry so exceptionally bad that it transcends its shortcomings and leads to gaiety He reminds us that Blake in *The Marriage of Heaven and Hell* identified angels with the settled and coercive and assigned the qualities of energy and creativity to his devils According to Adams poetry in its broad and traditional sense of all imaginative writing may be identified with Blake's devils Working Verse in Victorian Scotland Kirstie Blair, 2019 This volume reassesses working class poetry and poetics in Victorian Britain using Scotland as a focus and with particular attention to the role of the popular press in fostering and disseminating working class verse cultures It studies a very wide variety of writers who are unknown to scholarship and assesses the political social and cultural work which their poetry performed During the Victorian period Scotland underwent unprecedented changes in terms of industrialization the rise of the city migration and emigration This study shows how poets who defined themselves as part of

a specifically Scottish tradition responded to these changes It substantially revises our understanding of Scottish literature in this period while contributing to wider investigations of the role of popular verse in national and international cultures

The Eccentropedia Chris Mikul,2012-10-02 An A Z of eccentrics 250 true stories of the most original and outrageous people on earth from bad poets to transsexual evolutionary theorists this encyclopedic guide covering ancient times to the present includes reams of material never seen in book form before Famous eccentrics like King Ludwig Salvador Dal and Howard Hughes rub shoulders with a host of lesser known but equally colorful characters in these mostly life affirming stories There are unsuspected parallels and connections throughout creating an alternative off kilter history of the world

Directors in British and Irish Cinema Robert Murphy,2019-07-25 A guide to directors who have worked in the British and Irish film industries between 1895 and 2005 Each of its 980 entries on individuals directors gives a resume of the director s career evaluates their achievements and provides a complete filmography It is useful for those interested in film making in Britain and Ireland
