The Great Nauga Hunt:

The Great Nauga Hunt Robert Warner,2001-10-01 [Damn Slavers!](#) Robert James Warner,2006-09 The History of the Sea Lake and River Battles of the Civil War is an expose a denunciation a condemnation of the lies the distortions the deceits the misrepresentations and the slanders of the biased civil war historians the biased movie makers and the biased makers of TV Specials who write distorted books distorted movies and make distorted TV Specials about the civil war For example President Grant is slandered as the butcher of the civil war when the real butcher is the traitor Robert E Lee by an actual count of the men he killed in the battles he fought Another example is the big lie that the Monitor and Merrimac battle was a draw when it was a clear cut victory for the Monitor There are two classes of people in The Damn Slavers The people in the 22 Loyal states and in the 11 traitor states the Loyalists the victims and the people in the 11 traitor states and in the 22 Loyal states the traitors the villains One of the biggest vile lies of the civil war is the depraved lie the traitors won most of the battles The author counted hundreds of the bigger land battles and the sea lake and river battles This battle count is what Damn Slavers is all about Surprise Surprise The Loyalists won most of the bigger land battles of the civil war by a ratio of about 2 to 1 from the start of the civil war and won most of the sea lake and river battles too by an overwhelming margin If you want to learn some real truths about the civil war read Damn Slavers A History of the Sea Lake and River Battles of the Civil War *The Great Nauga Hunt* Robert James Warner,2001-10 A popular teacher is brutally murdered the community is gripped by the compelling story her family devastated Jennifer s Justice follows the case from the shocking discovery through the investigation arrest and eventual trial From the police investigation forensic evidence suicide attempts the death of a key witness and the judicial system gone temporarily awry this true story has more twists and turns than most murder mystery novels Through her own grief and personal challenges we follow the author s journey as she attempts to support Jennifer s family which is an extension of her own It is a deeply personal account of how such a tragedy affected those who loved and cared for the victim It is also a search for a lesson to be learned and shared so something good can come from the horrible crime that was committed Jennifer s Justice is a testament to strength in family support and togetherness in the face of grief and despair It is also a confirmation of the life of a wonderful life loving human being who left the earth with much unfinished

Surviving With Joe Paul Andrus,2013-10-25 Joe Anderson was supposedly on the plane The sound from the launcher s control box almost startled Olaf as he intently stared at the screen his face eerily highlighted in green light A red dot was centered in a bright green circle on the launchers screen as he gently pressed the firing switch Fire streaked out into the air a brilliant white star in the fading light trailing a column of white smoke The rocket accelerated towards the plane and then ended its short life with a fiery blast Joe Anderson must survive the threats of both man and nature in this thrilling sequel to *Surviving In America Under Siege* [Record of the Great Council of the United States of the Improved Order of Red Men](#) Improved Order of Red Men. Great Council of the United States,1922 **Hunter-trader-trapper** ,1912 **Missouri**

Conservationist ,1970 The Commercial & Financial Chronicle and Hunt's Merchants' Magazine ,1887 **Bargain Hunting** Rhonda Pollero,2012-10-30 A stylish new caper in the acclaimed series starring the deliciously addictive designer bargain hunting paralegal Finley Anderson Tanner Getting framed has never been a good look Fashionista paralegal Finley Anderson Tanner s hands are fuller than a coupon clipping soccer mom s at a BOGO sale She s in a fierce eBay bidding war to buy parts for her DIY Rolex she s finally taking on some criminal cases at work and she s torn between two drop dead gorgeous men her ultra responsible boss Tony Caprelli and badboy private eye Liam McGarrity Just when she thinks life is out of curveballs Liam shows up at her house with a bullet wound and a shocking confession When Liam was a cop he was framed for shooting a teenage boy in a drug bust Now the same gun used to shoot the kid has resurfaced at the homicide scene of his ex partner On the run from the police Liam needs Finley s help to clear his name How can she say no to the man who always bails her out of trouble even if it means incurring Tony s wrath when he learns she s aiding and abetting a fugitive But the murderer is clever and if Finley s not careful she s going to shop till she drops dead **Bourbon on the Rocks** Carlton L. Gordy,2003-10 The Great Nauga Hunt has a curious history I worked for the Long Beach California Fire Department One day in a fire station I forget which one it was I overheard two firemen talking One fireman was telling the other one about a joke he had played on another fireman The joke the fireman said was telling this other fireman that naugahyde was the hide of an animal When I heard this I laughed to myself Who would believe that naugahyde was the skin of a real animal The fireman telling the story was convinced that the fireman he was playing the joke on did not know that naugahyde was a manmade plastic covering I didn t know the fireman who was supposed to believe that naugahyde was the skin of a real animal very well but I thought he was pulling the leg of the fireman who was trying to play the naugahyde joke on him Anyway I don t know who was kidding who but the utter absurdity of anyone believing that naugahyde was the skin of a real animal seemed so completely impossible that I shook my head in disbelief I laughed to myself whenever I thought of this incident I knew instantly that here was a story a story I wanted to tell but how would a writer write such a story How could you invent a character that would be so dumb as to not know that naugahyde was a plastic covering and not the hide of a real animal I didn t know As time went by my mind subconscious began to spit out scenes of a young man who was a hunter such as the ones we used to see in the Tarzan movies and the Jungle Jim stories An innocent gullible young man but a great hunter who belonged to one of those hunting clubs we used to see in movies about Africa of men sitting around in a room with the mounted heads of animals hanging on all of the room s walls usually Englishmen or Europeans Well I wasn t going to write about a bunch of English stuffed shirts I was going to write an American story about Americans even if they were stuffed shirts I ve had enough of insulting ill mannered Englishmen and Europeans bashing America and Americans The trouble was I had to use some Europeans anyway because I made the hunting club an international club So you see from this unusual beginning I my subconscious made up the story The Great Nauga Hunt The Great Nauga Hunt is one of the greatest

if not the greatest hunt in all of the history of the universe If you like great hunting stories you will like The Great Nauga Hunt I have added the history of how and when I wrote The Great Nauga Hunt to the end of the story so the reader can find out where an author gets some of his stories
