The Great Northern Railway A Pictorial Study

The Great Northern Railway A Pictorial Study:

The Great Northern Railway Charles Raymond Wood, Dorothy M. Wood, 1979 **The Great Northern Railway** ,
Written by historians at Harvard Business School Mississippi State U and St Cloud State U Minn this history details the
development and day to day affairs of this powerful business and the careers of the main figures instrumental in its operation
This definitive work first published by The Great Northern Railway Company Charles Raymond Wood, 1979 **History**
of the Great Northern Buddie Williams, 2017-01-05 This is a photographic and written history of some of the towns along
Highway 2 I chose this route because of its proximity to the once proud and dominating Great Northern Railway The railroad
still runs along the same route but there have been many changes over the years **The Great Northern Railway** Charles
Wood, Dorothy Wood, 1989-01-01 **The White Cascade** Gary Krist, 2008-01-22 The never before told story of one of the
worst rail disasters in U S history in which two trains full of people trapped high in the Cascade Mountains are hit by a
devastating avalanche In February 1910 a monstrous blizzard centered on Washington State hit the Northwest breaking
records The world stopped but nowhere was the danger more terrifying than near a tiny town called Wellington perched high
in the Cascade Mountains where a desperate situation evolved minute by minute two trainloads of cold hungry passengers
and their crews found themselves marooned without escape their railcars gradually being buried in the rising drifts For days
an army of the Great Northern Railroad s most dedicated men led by the line s legendarily courageous superintendent James
O Neill worked round the clock to rescue the trains But the storm was unrelenting and to the passenger s great anxiety the
railcars their only shelter were parked precariously on the edge of a steep ravine As the days passed food and coal supplies
dwindled Panic and rage set in as snow accumulated deeper and deeper on the cliffs overhanging the trains Finally just when
escape seemed possible the unthinkable occurred the earth shifted and a colossal avalanche tumbled from the high pinnacles
sweeping the trains and their sleeping passengers over the steep slope and down the mountainside Centered on the
astonishing spectacle of our nation s deadliest avalanche Gary Krist s The White Cascade is the masterfully told story of a
supremely dramatic and never before documented American tragedy An adventure saga filled with colorful and engaging
history this is epic narrative storytelling at its finest *The Great Northern Railway* Charles Raymond Wood, Dorothy M.
Wood, 1979 *Kelso Depot Historic Structure Report* , 1998 **Fort Peck to Havre 230kV Transmission Line, Approval**
, 1983 **The Lexington Newsletter** , 1976-05
