The Great Victorian Collection:

The Great Victorian Collection Brian Moore, 1985 **The Great Victorian Collection** Brian Moore, 1975-01-01 An accumulation of Victorian artifacts literally dreamed up by young obscure historian Anthony Maloney has crucial effects on his private and public lives as it draws him nearer and nearer to the border between creative nightmare and deadly wakefulness *The Great Victorian Collection* BRIAN. MOORE, 2025-09-16 Anthony Maloney a scholar of Victorian history checks into a motel in Carmel California goes to sleep and dreams of a priceless collection of rare Victorian artifacts When he wakes up and looks out the window he is astonished to find his dream has become reality in the parking lot an enormous assortment of Victoriana lays spread out like an open air market When the world gets wind of this strange and fantastic occurrence experts arrive to examine the items and discover that impossibly some of the objects are identical to one of a kind items only found in the British Museum and yet somehow they are not fakes As news of his collection spreads Maloney finds himself besieged by the news media psychological and parapsychological investigators antiquarians and those who want to exploit him for their own personal gain and soon what began as a beautiful dream spirals out of control into a terrible nightmare Northern Irish born Brian Moore 1921 1999 was one of the most critically acclaimed authors of his generation and was a three time finalist for the prestigious Booker Prize *The Great Victorian Collection* 1975 winner of the James Tait Black Memorial Prize for best British novel of the year is by turns mysterious and tragic a page turner that readers will find it impossible to put down He is my favorite living novelist Each book of his is unpredictable dangerous and amusing He treats the novel as a tamer treats a wild beast Graham Greene *The Great Victorian Collection* seems to me a perfect novel It dazzles It unsettles It puzzles some people shatters others It shattered me Joan Didion Brian Moore Jo O'Donoghue, 1991 Brian Moore is exceptional among contemporary novelists in the breadth and consistency of his work His fiction ranges from thrillers and gothic adventures through historical subjects He remains one of the few writers of serious fiction who appeals to academic critics and the general reader alike **Victoriana** Cora Kaplan, 2007 In *Victoriana* leading feminist cultural critic Cora Kaplan reflects on our modern obsession with Victorian culture She considers evocations of the nineteenth century in literature *The French Lieutenant's Woman* by John Fowles *Possession* by A S Byatt *Nice Work* by David Lodge *The Master* by Colm Tóibín *Fingersmith* by Sarah Waters *The Line of Beauty* by Alan Hollinghurst film *Jane Campion's The Piano* and biography Peter Ackroyd's *Dickens* Why she asks does *Jane Eyre* still evoke tears and rage from its readers and why has Henry James become fiction's favorite late Victorian author Within *Victoriana* Kaplan argues lies a modern history of its own that reflects the shifting social and cultural concerns of the last few decades Distance has lent a sense of antique charm and exoticism to even the worst abuses of the period but it has also allowed innovative writers and filmmakers to use Victorian settings and language to develop a new and challenging aesthetic Issues of class gender empire and race are explored as well as the pleasures and dangers of imitating or referencing narrative forms individual histories and belief systems As

Kaplan makes clear Victoriana can be seen as a striking example of historical imagination on the move restless and unsettled

Four Contemporary Novels Kerry McSweeney, 1983-01-01 Four Contemporary Novelists offer accounts of the fiction of Angus Wilson Brian Moore John Fowles and V S Naipaul The author has charted the development of each writer identified dominant themes controlling techniques and informing sensibility explained what each has tried to accomplish and compare theory to practice provided an appropriate context for appreciation and evaluation of all parts of each canon and made qualitative discriminations

Landscapes of Encounter Liam Gearon, 2002 Brian Moore 1921 1999 is one of the few novelists whose literary portrayal of Catholicism effectively spans the period prior to and following the Second Vatican Council Many critics have discussed how Moore's life is reflected in his works while others have dismissed his fictions as simple narratives in the mould of classical realism In this timely book Gearon contends that Moore's fictions are far more complex as he was one of the great observers of Catholicism in all its modern and historical controversy
