Moonlight Madness and Picnics Manjari Chatterji, 2019-06-13 *Moonlight Madness and Picnics* By Manjari Chatterji. Everyone eats, but how, when, and where we eat makes a difference; thus, a moonlight picnic is a heck of a lot more fun than a formal dinner with people who mean nothing to you. Or, a cherished seasonal food eaten in the long-vanished childhood past will acquire a magical aura with the distance of time. *Moonlight Madness and Picnics* is about food memories and sharing food with family and friends without whose sharing food is merely a necessary chore. The recipes are shared in the spirit of offering something precious and highly personal as they are nuggets of history, ingredients, techniques, and rituals that brought them into existence. Whether you like a PB&J or a five-course organic dinner, the author hopes that you will find something to enjoy and savor in these stories.
