of their highly classified nature He saved the lives of the first American and Vietnamese soldiers injured in war and also witnessed the first American combat death in Vietnam holding the man in his arms as he died His unit operated alongside the Central Intelligence Agency and helped influence American foreign policy A self described soldier teacher he developed and spread the early gospel of special warfare while serving in the Philippines Hawaii Korea Taiwan and Panama as well as in Southeast Asia All of these activities are fully chronicled in this book but Archer s perspective as an African American in an elite unit of the U S armed forces in the 1950s gives his memoir additional depth and insight It is an uplifting though sometimes harrowing story of struggle in unfamiliar environments and an eye opening account of events little known today
