The Greene Murder Case:

The Greene Murder Case S. S. Van Dine, 1928 **The Greene Murder Case** S. S. Van Dine, 2024-01-01 In this classic 1920s mystery a wealthy dilettante turned amateur sleuth must determine who wants to kill off one of Manhattan's greatest families Chester Greene has come to the office of New York District Attorney John Markham in need of help Someone broke into his family's East Side mansion shot one of his sisters dead and left another sister wounded The police believe it to be the work of a panicked burglar but Chester doesn't buy it Fortunately for Chester the brilliant amateur detective Philo Vance happens to be in Markham's office and he doesn't agree with the police either Unfortunately for Vance the Greene family is mired in secrets Getting a handle on the case isn't easy when someone keeps killing the suspects Is there a rotten branch on this family tree Is there a servant with an axe to grind Who is behind those footprints in the snow And can paralytic Mrs Greene actually walk It's up to Vance to find the answers and nab the killer before the Greene family sees more red Praise for **The Greene Murder Case** As in every detective story the appearance of the culprit unmasked must be the main surprise which ends an unbroken and increasing train of suspense The skill with which Mr Van Dine does this is beautifully complicated and adroit and without recourse to any unfair trickery or concealment *The Atlantic* *The Greene Murder Case* S. S. Van Dine, 1962 **The Greene Murder Case** S. S. Van Dine, 1944 **The Greene Murder Case** S. S. Van Dine, 2025-09-18 **The Greene Murder Case** by S S Van Dine immerses readers in a gripping Jazz Age mystery set in a haunted New York mansion The novel opens with the shocking murder of Julia Greene and the near fatal shooting of her sister Ada both victims of a mysterious intruder in the Greene family home As the investigation unfolds amateur detective Philo Vance is called in to unravel the case which quickly escalates into a series of calculated killings targeting various members of the Greene family The Greens a dysfunctional dynasty bound together by a curse of inheritance and long standing feuds become the focus of a relentless murderer Vance discovers a secret criminology library within the mansion filled with books that detail the exact methods used in the crimes The detective also uncovers suspiciously perfect snowy footprints outside the house leading him to suspect that the killer is using knowledge from the library to orchestrate the murders Each clue is presented with the fairness and clarity characteristic of S S Van Dine's style inviting the reader to solve the puzzle alongside Vance The investigation reveals a web of jealousy resentment and psychological manipulation culminating in a dramatic confrontation that exposes the true perpetrator The final twist reveals that Ada the adopted daughter who felt excluded and unloved used the criminology library to plot her revenge and eliminate those who stood in her way **The Greene Murder Case** stands as a classic example of the detective novel blending the atmosphere of a locked room mystery with the tension of a family drama Its intricate plot vivid characters and adherence to fair play clues make it a must read for fans of American mystery classics and historical crime fiction **The Greene Murder Case** Willard Huntington Wright, Willard Huntington, 2018-01-17 Philo Vance takes a hand when in an evening one daughter of the Greene family is shot to death and
