Intersectional Listening Allie Martin, 2025-02-17 Gentrification is often considered through a visual lens where development progress and neighborhood change are observed But what does gentrification sound like In *Intersectional Listening* author Allie Martin engages this question in Washington DC asking how Black people experience gentrification as a sonic racialized process Drawing from music interviews soundscape recordings and more Martin argues that gentrification ultimately serves to silence some voices and amplify others Martin employs a combination of methodologies from ethnomusicology Black Studies geography and digital humanities to make audible the ways in which gentrification disrupts and disturbs community Throughout she centers Black feminist listening practices thinking through digital modes of listening and imagining emancipatory soundscapes *Intersectional Listening* benefits from an innovative combination of sources from interviews and soundwalks to passive acoustic recording and machine learning Martin shares compelling stories of music and sound in the nation's capital and in doing so shifts conversations about how we listen to Black life By foregrounding how processes of gentrification systematically seek to devalue mishear and ultimately silence Black possibility *Intersectional Listening* posits how we can challenge ourselves to refute the consistent mishearing of Black people in Washington DC and beyond

Black Girlhood Celebration Ruth Nicole Brown, 2009 This book passionately illustrates why the celebration of Black girlhood is essential Based on the principles and practices of a Black girl centered

program it examines how performances of everyday Black girlhood are mediated by popular culture personal truths and lived experiences and how the discussion and critique of these factors can be a great asset in the celebration of Black girls Drawing on scholarship from women s studies African American studies and education the book skillfully joins poetry autobiographical vignettes and keen observations into a wholehearted participatory celebration of Black girls in a context of hip hop feminism and critical pedagogy Through humor honesty and disciplined research it argues that hip hop is not only music but also an effective way of working with Black girls Black Girlhood Celebration recognizes the everyday work many young women of color are doing outside of mainstream categories to create social change by painting an unconventional picture of how complex and necessary the goal of Black girl celebration can be
