Sioux Showdown (LP). Chet Cunningham,2002 **Sioux Showdown** Chet Cunningham,2002 Seeking gold the new white settlers block all Indian access to the Bozeman Trail they are determined to kill any Indian who comes anywhere near the trail that leads to the gold fields Red Cloud is not afraid A Sioux leader he moves toward the Bozeman Trail determined to take back the gold fields for his people A fierce fighter Red Cloud is ready to stand up to anyone and anything The settlers primary concern is no longer gold but escaping death The Pony Soldiers their only hope have the task of crushing an ensuing Sioux attack *Riversioux* Peccary The Peccary,The Peccary,2005-09 The author s search for his roots leads down paths unimagined or intended The ensuing saga cuts a swath through frontier America an America still young and yet unafraid Great rewards are visible and attainable for an individual possessing raw courage and luck Young Alanson Baker absolutely possesses courage and for awhile luck but alas luck is fickle Like his young nation Alanson triumphs at times and at times suffers the wrenching pain of defeat This is the entwined tale of a nation and a man testing their conscience and their will to survive Alanson although not great walked amongst the greats and was apart to great events unfortunately not all great events are laudable In time history separates the good from the bad Unfortunately this process usually comes to fruition only when both the conquering and conquered societies have long perished In this tale The Peccary attempts to tell the story of pioneer America from an interested but non judgmental perspective Likely some will be offended by this perspective of history while others may applaud both reactions please the Peccary *The Movement for Indian Assimilation, 1860-1890* Henry E. Fritz,2017-01-31 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas Today is a Good Day to Fight Dr Mark Felton,2009-04-01 Blood guts dust and hatred the real history of the American West Today is a Good Day to Fight covers the period from the initial penetration of the region by settlers and prospectors in the 1840s until the end of the Indian Wars in the 1890s It explains the history of white Indian conflict from the military point of view showing how the United States used its army to wage terrible wars of conquest upon Native American peoples in order to take the land from them and enrich the growing nation and how the Indians never really stood a chance in trying to defend their homelands Highlighting the fractious and bitter relations between tribes unable and unwilling to unite in time to stave off their common enemy it tries to portray the utter bitterness of the conflict between white and Indian and how both sides resorted to increasingly foul acts of war and slaughter as the conflict progressed A dirty underhanded and scrappy conflict the outrages committed by both sides fuelled bitterness and resentment that still exists in America today Shape-Shifting Andrew F. Marty Gitlin,2008-01-01 Explores the Battle of the Little Bighorn and how that event has sculpted societies the sciences and politics Wilderness Journey William E. Foley,2004-05-21 Strange as it may seem today William Clark best known as the American explorer who joined Meriwether Lewis in leading an overland expedition to the Pacific has many more claims to fame than his legendary Voyage of Discovery dramatic and daring though that venture may have been Although studies have been published on virtually every aspect of the Lewis and Clark journey Wilderness Journey is the first comprehensive account of Clark s lengthy and multifaceted life Following Lewis and Clark s great odyssey Clark s service as a soldier Indian diplomat and government official placed him at center stage in the national quest to possess and occupy North America s vast western hinterland and prefigured U S policies in the region In his personal life Clark had to overcome challenges no less daunting than those he faced in the public arena Foley pays careful attention to the family and business dimensions of Clark s private world adding richness to this well rounded and revealing portrait of the man and his courageous life

Coinciding with the bicentennial in 2004 of the departure of Lewis and Clark s famed Corps of Discovery Wilderness Journey fills a major gap in scholarship Intended for the general reader as well as for specialists in the field this fascinating book provides a well balanced and thorough account of one of America s most significant frontiersmen **Double Action** Kit

Athearn,1995 William Tecumseh Sherman is known primarily for having cut a swath of destruction through Georgia and the Carolinas during the Civil War From the fame of these years however he moved into an eighteen year phase of insuring the tranquility of the vast region of the American West As commander of the Division of the Missouri from 1865 to 1869 and General of the Army of the United States under President Grant from 1869 to 1883 Sherman facilitated expansion and settlement in the West while suppressing the raids of the Cheyenne Arapahoe Kiowa Comanche and Crow Indians Robert G Athearn explores Sherman s and his army s roles in the settling of the West especially within the broad framework of railroad construction Indian policy political infighting and popular opinion *Wounded Knee* Heather Cox Richardson,2010-05-25 On December 29 1890 American troops opened fire with howitzers on hundreds of unarmed Lakota Sioux men women and children near Wounded Knee Creek in South Dakota killing nearly 300 Sioux As acclaimed historian Heather Cox Richardson shows in Wounded Knee the massacre grew out of a set of political forces all too familiar to us today fierce partisanship

heated political rhetoric and an irresponsible profit driven media Richardson tells a dramatically new story about the Wounded Knee massacre revealing that its origins lay not in the West but in the corridors of political power back East Politicians in Washington Democrat and Republican alike sought to set the stage for mass murder by exploiting an age old political tool fear Assiduously researched and beautifully written Wounded Knee will be the definitive account of an epochal American tragedy Policing American Indians Laurence Armand French,2015-10-09 Bias prejudice and corruption riddle the history of US jurisprudence Policing American Indians A Unique Chapter in American Jurisprudence explores these injustices specifically the treatment of American Indians A mix of academic research as well as field experience this book draws on author Laurence French s more than 40 years of experience **Death at the Little Bighorn** Phillip Thomas Tucker,2017-01-17 On the hot Sunday afternoon of June 25 1876 Lieutenant Colonel George Armstrong Custer decided to go for broke After dividing his famed 7th Cavalry he ordered his senior officer Major Marcus A Reno to strike the southern end of the vast Indian encampment along the Little Bighorn River while Custer would launch a bold flank attack to hit the village s northern end Custer needed to charge across the river at Medicine Tail Coulee Ford We all know the ultimate outcome of this decision but this groundbreaking new book proves that Custer s tactical plan was not so ill conceived The enemy had far superior numbers and more advanced weaponry But Custer s plan could still have succeeded as his tactics were fundamentally sound Relying on Indian accounts that have been largely ignored by historians this is also a story of the Sioux and Cheyenne warriors Custer s last move was repulsed resulting in withdrawal to the high ground above the ford and it was here on the open and exposed slopes and hilltops that Custer and his five companies were destroyed in systematic fashion This book tells for the first time the forgotten story of the true turning point of America s most iconic battle Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Custer's Last Stand** Brian W. Dippie,1994-01-01 Defeat and death at the Little Bighorn gave General George Custer and his Seventh Cavalry a kind of immortality In Custer s Last Stand Brian W Dippie investigates the body of legend surrounding that battle on a bloody Sunday in 1876 His survey of the event in poems novels paintings movies jokes and other ephemera amounts to a unique reflection on the national character The Peculiar Boars of Malloy Doug Crandell,2010-06-10 This Sherwood Anderson award winning farcical novel follows two teenage boys living on a farm in rural Indiana Their father a diminutive man and the laughingstock of their small town purchases two boars in an attempt to impress his neighbors and demonstrate by proxy his masculinity The boars however turn out to be resolutely gay and deeply committed to each other setting off a ridiculous chain

of events that brings the spotlight and accompanying media circus to Malloy In the midst of all of the madness is the boys ongoing and at once heartbreaking and hilarious quest to find their wayward mother through a series of touching and humorous flashbacks Disappointed in their pitiful father the boys cling to an unrealistic fantasy of their mother who is in actuality a promiscuous drifter Crandell s depiction of the gay boars provides much of the book s humor and unexpectedly its moral compass as he weaves significant and subtly articulated themes of animal rights and gay rights The Peculiar Boars of Malloy captures the best traditions of American satire while turning the conventions of the coming of age novel on its head Crandell s heart and humor will be appreciated by lovers of satire and animals and those readers possessed of a uniquely Midwestern sense of the ridiculous Geronimo and Sitting Bull Bill Markley,2021-05-01 2022 Will Rogers Medallion Award Silver Winner for Western Biographies and Memoirs Two Native American leaders who left a lasting legacy Geronimo and Sitting Bull Most Americans and many people worldwide have heard these two famous names Today however the general public knows little about the lives of these great leaders During the second half of the nineteenth century when they opposed white intrusion and expansion into their territories just the mention of their names could spark fear or anger After they surrendered to the army and lived in captivity they evoked curiosity and sympathy for the plight of the American Indian Author Bill Markley offers a thoughtful and entertaining examination of these legendary lives in this new joint biography of these two great leaders
