Livingstone,2015-10-01 Shortly after Canadian confederation Thomas D Arcy McGee proclaimed that education was an essential condition of our political independence and that its role was to form citizens for the new regime Comparing this idea of education for citizenship or civic education to the modern goals of education Liberal Education Civic Education and the Canadian Regime explores the founders principles their sources and the challenges that threaten their vision for Canada The collection's first essays analyze the political thought of early Canadians such as Brown McGee Ryerson and Bourinot while later chapters examine enduring principles of liberal democracy derived from Aristotle de Tocqueville and Hobbes The final chapters bring the discussion forward to such topics as the decline of Canadian Catholic liberal arts colleges and the emerging role of our Supreme Court as a self appointed moral tutor Moreover as it deals with the changing roles of universities in contemporary Canada Liberal Education Civic Education and the Canadian Regime engages current debates about the value and place of a traditional liberal education and the consequences of turning our back on the concepts that inspired our founding leaders Considering whether Canada's early documents and traditions can revive past debates and shed light on contemporary issues this highly original collection presents education as an essential condition of our independence and asks whether current educational principles are threatening Canadians capacity for self government **Questions of Order** Peter Price,2021 Canadian Confederation has long been assessed as a political moment that created a new national entity This book breaks new ground by arguing that Confederation was an imperial event that generated new questions and ideas about the future of global political order **Canada During the Victorian Era** John George Bourinot,1897 [Canada and the British Empire](#) Phillip Alfred Buckner,2008 Canada and the British Empire traces the history of Canada within the wider context of British imperialism Exploring themes such as migration gender imperial law and aboriginal experiences it sheds new light on the creation of Canada and the country's critical role in the evolution of the Empire **The Confederation Group of Canadian Poets, 1880-1897** D.M.R. **Downtown Canada** Justin D. Edwards,Douglas Ivison,2005-01-01 Downtown Canada is a collection of essays that addresses Canada as an urban place The contributors focus their attention on the writing of Canada s cities and call attention to the centrality of the city in Canadian literature

From Nursery Rhymes to Nationhood Elizabeth Galway,2010-12-22 As Canada came to terms with its role as an independent nation following

Confederation in 1867 there was a call for a literary voice to express the needs and desires of a new country Children's literature was one of the means through which this new voice found expression Seen as a tool for both entertaining and educating children this material is often overtly propagandistic and nationalistic and addresses some of the key political economic and social concerns of Canada as it struggled to maintain national unity during this time From Nursery Rhymes to Nationhood studies a large variety of children's literature written in English between 1867 and 1911 revealing a distinct interest in questions of national unity and identity among children's writers of the day and exploring the influence of American and British authors on the shaping of Canadian identity The visions of Canada expressed in this material are often in competition with one another but together they illuminate the country's attempts to define itself and its relation to the world outside its borders

Kohn,2004-11-22 Kohn shows how Americans and Canadians often referred to each other as members of the same family sharing the same blood and drew upon the common lexicon of Anglo Saxon rhetoric to undermine old rivalries and underscore shared interests Though the predominance of Anglo Saxonism proved short lived it left a legacy of Canadian American goodwill as both nations accepted their shared destiny on the continent Kohn argues that this new Canadian American understanding fostered the Anglo American special relationship that shaped the twentieth century      Canada During the Victorian Era Auguste Gosselin,Benjamin Sulte,Charles Hill-Tout,Hospice Anthelme Verreault,John Boyd Thacher,John George Bourinot,Joseph-Edmond Roy,William Francis Ganong,1897      Publications of the Buffalo Historical Society Frank Hayward Severance,1902      The Canadian Historical Review ,2002      **Publications of the Buffalo Historical Society** Buffalo Historical Society,1902
