Sir Gawain And The Green Knight And The French Arthurian Romance:

Sir Gawain and the Green Knight and French Arthurian Romance Ad Putter,1995 This is an innovative and original exploration of the connections between Sir Gawain and the Green Knight one of the most well known works of medieval English literature and the tradition of French Arthurian romance best known through the works of Chretien de Troyes two centuries earlier The book compares Gawain with a wide range of French Arthurian romances exploring their recurrent structural patterns and motifs their ethical orientation and the social context in which they were produced It presents a wealth of new sources and analogues which provide illuminating points of comparison for analysis of the self consciousness with which the Gawain poet handled the staple ingredients of Arthurian romance Throughout Ad Putter plays close attention to the ways in which the modes of representation of Arthurian romance are related to social and historical context By revealing in the course of their romances the importance of conscience courtliness and self restraint literati such as the Gawain poet and Chretien de Troyes helped a feudal society with an obsolete chivalric ideology adapt to the changing times **Sir**

Gawain and The Green Knight Helen Cooper,2008-09-11 The finest translation in and for our time Kevin Crossley Holland Sir Gawain and The Green Knight with its intricate plot of enchantment and betrayal is probably the most skilfully told story in the whole of the English Arthurian cycle Originating from the north west midlands of England it is based on two separate and very ancient Celtic motifs of the Beheading and the Exchange of Winnings brought together by the anonymous 14th century poet His telling comprehends a great variety of moods and modes from the stark realism of the hunt scenes to the delicious and dangerous bedroom encounters between Lady Bercilak and Gawain from moments of pure lyric beauty when he evokes the English countryside in all its seasons to authorial asides that are full of irony and puckish humour This new verse translation uses a modern alliterative pattern which subtly echoes the music of the original at the same time as it strives for fidelity ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **CliffsNotes on Sir Gawain and the Green Knight** John

Gardner,1999-03-03 This Middle English poem about the moral testing of a young hero is commonly described as the greatest Arthurian romance in our literary tradition It is a question still as to who the author is but this poet is considered second only to Chaucer *Magic and the Supernatural in Medieval English Romance* Corinne J. Saunders,2010 This study looks at a wide range of medieval English romance texts including the works of Chaucer and Malory from a broad cultural perspective to show that while they employ magic in order to create exotic escapist worlds they are also grounded in a sense of possibility and reflect a complex web of inherited and current ideas Book Jacket **Sir Gawain and the Green Knight**

[A Companion to Medieval English Literature and Culture, c.1350 - c.1500](#) Peter Brown, 2009-10-26 *A Companion to Medieval English Literature and Culture c. 1350 c. 1500* challenges readers to think beyond a narrowly defined canon and conventional disciplinary boundaries A ground-breaking collection of newly
