Washington Post Magazine How did researchers compile this statistic that said we were rolling in leisure over four hours a day Did any of us feel that we actually had downtime Was there anything useful in their research anything we could do A New York Times bestseller Overwhelmed is a map of the stresses that have ripped our leisure to shreds and a look at how to put the pieces back together Schulte speaks to neuroscientists sociologists and hundreds of working parents to tease out the factors contributing to our collective sense of being overwhelmed seeking insights answers and inspiration She investigates progressive offices trying to invent a new kind of workplace she travels across Europe to get a sense of how other countries accommodate working parents she finds younger couples who claim to have figured out an ideal division of chores childcare and meaningful paid work Overwhelmed is the story of what she found out , *Theatre Worlds in Motion* S.E. Wilmer,H. van Maanen,2024-04-02 Theatre Worlds in Motion aims to clarify the different theatre traditions and practices in Western Europe from a historical and sociological perspective The book grew out of a perceived need among theatre scholars who had recognised that while they understood the theatre system of their own country they often found it difficult to discover how it compared with other countries The chapters analyse the basic components and dynamics of theatre systems in seventeen Western European nations in order to elucidate how the systems function in general and how they vary in different cultures The book provides a sense of what has been happening recently in particular countries and indicates how the theatre systems have developed over time and have led to the current practices and structures Each national chapter considers the historical tradition and place of theatre within the country and analyses the role of the state in fostering theatre during the last fifty years Material from the national chapters has been used in two general chapters at the beginning and end of the book to provide an overview to developments in all Western Europe The introductory chapter on decentralisation discusses the tendency amongst governments to encourage cultural development outside the national capital by providing subsidy for regional theatre venues and theatre companies and in many cases by developing the decision making and budgetary powers for the theatre to regional and local authorities The epilogue on the functioning of theatre examines the common structures of theatre in society as described in the seventeen national chapters and it proposes areas for future research **Social Work's Histories of Complicity and Resistance** Vasilios Ioakimidis,Aaron Wyllie,2023-06-14 Social work is often presented as a benevolent and politically neutral profession avoiding discussion about its sometimes troubling political histories This book rethinks social work s legacy and history of both political resistance and complicity with oppressive and punitive practices Using a comparative approach with international case studies the book uncovers the role of social workers in politically tense episodes of recent history including the anti racist struggle in the US and the impact of colonialism in Australia New Zealand and Canada As the de colonisation of curricula and the Black Lives Matter movement gain momentum this fascinating book skilfully navigates social work s collective political past while considering its future **Sex & the 60s** Cissy Wechter,2006-10 Stranger in Baja takes the reader to sun struck and tawdry Cabo San Lucas the overdeveloped resort

outpost on Mexico's bone dry southern Baja peninsula and the setting for a street war between evangelical foreigners and local Catholics. Troubled by doubts and demons, naive missionary volunteer Rob Hudson arrives in Cabo on a soul-seeking mission and finds a world of inept arsonists, wily healers, prying journalists, Machiavellian bosses, troubled hermits, hip-hop bands, lunar rituals, drug gangs, and a music teacher who rocks his soul.
