James Hadfield is a middle aged solicitor with Timmons Associates in the sleepy village of Kilcreddin The death of Lord Barrington his firm s most important client is immediately viewed with suspicion in the locality and a high profile murder inquiry is soon under way As more deaths follow a handwritten note found by Hadfield throws him into the middle of the investigation along with Hilary the office manager Mick the law clerk and Lucinda the new apprentice Hadfield s friend FitzHerbert a Senior Counsel specialising in criminal law quickly finds himself involved as they try to piece together what happened All the beneficiaries of the Barrington will are suspects while none have an alibi and it seems Hadfield may even be in the frame Love is also in the air but where exactly that might lead is not entirely clear Will Hadfield solve the mystery and help apprehend the guilty party before he she or they can strike again With more twists and turns than an old country road The File Note is a classic page turner that offers intrigue and romance in equal measure **Between Two Kings** Lawrence Ellsworth,Alexandre Dumas,2021-07-06 For years d Artagnan shared his adventures with his three comrades Athos Porthos and Aramis but now in Between Two Kings the First Musketeer returns to the forefront This is truly d Artagnan s novel bringing to a dramatic climax the story that began when he first arrived in Paris thirty years earlier in The Three Musketeers This brand new translation of Between Two Kings immediately picks up the story and themes of Blood Royal where d Artagnan tries to thwart destiny by saving England s Charles I now he will be instrumental in the restoration of his son Charles II the first of the two kings of the title Disappointed in the irresolution of young Louis XIV d Artagnan takes a leave of absence from the King s Musketeers and ventures to England with a bold plan to hoist Charles II onto his throne a swashbuckling escapade in which he is unwittingly assisted by his old comrade Athos D Artagnan returns triumphant to France where he is recalled to service by the second king Louis XIV who is now finally ready to take full advantage of the extraordinary talents of his officer of musketeers This newly translated volume by Lawrence Ellsworth is the first volume of Alexandre Dumas s mega novel Le Vicomte de Bragelonne the epic finale to the Musketeers Cycle which will end with the justly famous The Man in the Iron Mask This marks the first significant new English translation of this series of novels in over a century *Collected Poems* Elton Higgs,2010 Probing Eyes Elton Higgs,2020-04-21 Probing Eyes is a collection of 156 poems written over a period of 60 years by a Christian professor of English literature The first and largest section is called Scriptural Extensions and it seeks to throw fresh light on various Scriptural situations by either projecting the personality of a character through a dramatic monologue or offering a fresh slant on the events depicted These poems proceed from asking

the question I wonder what this biblical character was thinking in the midst of these events The second section Interactions presents some of the author s experiences in interfacing with others from family and friends to people only casually known The third section Perspectives on Time consists of poems written mostly as New Year s meditations dealing with how we as Christians are affected by the passage of time while the inexorable flow of time reminds of our finiteness and mortality it also challenges us to understand how God Who is timeless is master of our limitations The final section Personal and Meditative is a miscellanea of personal and occasional ruminations some serious and others playful The book has four indexes to facilitate finding a poem by title chronological placement Scriptural reference or topic The author hopes that these poems will thus lend themselves to use for private Bible study and sermon or worship application The most fruitful reading of the poems especially of those for which a Scriptural reference is given will come from a careful look at the relevant biblical texts This book is not presented as the work of a main stream poet for Prof Higgs has pursued his poetry writing as an avocation not a profession He has opted for clarity over artistic sophistication which may not commend him to contemporary critics and practitioners of poetic composition At the same time the author aspires to go beyond the kind of religious versification whose primary purpose is to convey a moral lesson through rhyming lines That is not an ignoble objective but it does not embrace a full participation in the linguistic complexity that characterizes serious poetry Dr Higgs seeks in his poems to combine the beauty of art with the beauty of Truth and thereby to stimulate fresh attention to who God is and how He works with the people of His creation The style of Probing Eyes is mainly free verse but with regular use of internal rhyme assonance and alliteration The reader may see reflected in this style Prof Higgs s admiration for the poetry of Gerard Manly Hopkins George Herbert John Donne and in conversational tone Robert Frost But above all the author hopes that readers find evidence of the influence of the Holy Spirit ad gloriam dei XXXXXXXX *A short account of the families of Chaplin and Skinner and connected families [by N.
