Confessions of a She-Fan Jane Heller,2009-02-03 Two months into the 2007 baseball season novelist Jane Heller an obsessed Yankee fan heartsick over their poor play announced her intention to divorce the team on grounds of mental cruelty in the pages of the New York Times Her words inflamed the passions of sports lovers across the country and her piece quickly became the newspaper s most e mailed and talked about article in the week it ran The intense reaction of fans forced Heller to look inward and to re examine her feelings about winning and losing Was she a bandwagon fan as some branded her A traitor Confessions of a She Fan is a witty observant and decidedly female look at the nature of the bond between fan and team Jane Heller goes in search of answers With her husband as her traveling partner she literally follows the Bronx Bombers through the rest of their challenging 2007 season hoping to score interviews with the players watch every game in every city and inject some excitement into her marriage Through interactions with other fans as well as members of the media covering the Yankees plus game by game analyses

Heller learns personal life lessons about competition loyalty and acceptance and about why baseball like any truly romantic relationship requires commitment patience and a deep abiding love **A Whole World of Trouble** Helen

Chappell,2003-04-08 In the tradition of Fannie Flagg veteran storyteller Helen Chappell acclaimed author of Giving Up the Ghost presents a wry funny and poignant novel about two sisters their dead mother and a Chesapeake Bay town where anything can happen and frequently does Sometimes you have to go home again even if you know the trip is going to be one from hell When Carrie points her van in the direction of Oysterback Maryland her old hometown she does it only because she has no choice Her momma the indomitable Audrey has done the unthinkable she s died And it wasn t a neat little Oysterback death either No it happened in Florida and involved an alligator But then again there was nothing conventional about Audrey even in life The same could be said for her daughter Carrie single perpetually searching and professionally adrift she has become an expert at yard sales sifting through the detritus of other folks lives then reselling it to shops that sell antiques and assorted collectibles Her sister Earlene considers Carrie a junk collector but then Earlene has devoted her life to being conventional Married with two boys she has remained in Oysterback where she and her husband run the View n Chew a combination video store sandwich shop Momma had lived by the notion that a woman is incomplete without a man and spent the years following her husband s death trying to be as complete as humanly possible in the process working her way through a whole parade of men As best Carrie can figure her momma s last two flames were Alonzo Deaver the town s resident miscreant and a current resident of the state penitentiary and Jack Shepherd a college professor on the run from failure and boredom Both had been granted carte blanche to crash at Momma s house whenever the occasion should arise be it Alonzo s planned escape from prison or Jack s escape from his ratty little boat Once back in Oysterback Carrie finds herself unwittingly caught up in a family drama of epic proportions including Earlene s resentment which leads to a classic and very messy confrontation a now married ex boyfriend s attempt to rekindle an old flame her own attraction to Professor Jack and a roiling stew of anger and grief over Momma s poorly timed passing For while Carrie never expected to go home again she naively believed it always would be there A Whole World of Trouble is a delightfully authentic comedy of Southern manners and an antic frequently hilarious pointed and moving novel by a writer who knows the people and the world she writes about
