Lucifer's agents aren't the only creatures on the prowl, and Daphne soon finds herself the target of a plan to rid the world of demons for good. Now she must evade a demon-eating monster, rescue her brother from an angelic zealot, and save the boy she loves from his greatest enemy himself.

But her husband believes her guilty of the worst kind of betrayal. And nothing she says or does will convince him that Sir Blake Edmonds isn't her illicit lover. It will take a daring deception and a scheming minx who has set her cap for Alec for these two people to realize how much they have lost and how much they could gain if they were to find the courage to turn a sham union into a second chance for happiness.
