Department of English and Foreign Languages,2006 **A Question of Time** Verlyn Flieger,1997 Tolkien s concern with time past and present real and faerie captures the wonder of travel into other worlds and other times This work shows that he was not just a mythmaker and writer of escapist fantasy but a man whose relationship to his own century was troubled and critical **Tree and Leaf** John Ronald Reuel Tolkien,1975 **Tree and Leaf** John Ronald Reuel Tolkien,1975 War of the Fantasy Worlds Martha C. Sammons,2009-12-22 This investigation focuses on C S Lewis s and J R R Tolkien s contrasting views of art and imagination which are key to understanding and interpreting their fantasy works providing insight into their goals themes and techniques as well as an appreciation of the value and impact of their mythologies Most scholarship about J R R Tolkien and C S Lewis describes their shared faith and academic interests or analyzes each writer s fantasy works War of the Fantasy Worlds C S Lewis and J R R Tolkien on Art and Imagination is the first to focus solely on their contrasting concepts of fantasy The authors views of art and imagination the book shows are not only central to understanding the themes value and relevance of their fantasy fiction but are also strikingly different Understanding the authors thoughts about fantasy helps us better understand and appreciate their works Yet this book is not a critical analysis of The Lord of the Rings or The Chronicles of Narnia Rather it examines only elements of Tolkien s and Lewis s books that relate to their views about art fantasy and creativity or the implementation of their theories The result is a unique and altogether fascinating perspective on two of the most revered fantasy authors of all time Tolkien B. Rosebury,2016-07-27 Few attempts have been made to arrive at a sober assessment of Tolkien s achievement as a literary artist and even fewer to define a place for him in twentieth century literature This book is a comprehensive and discriminating introduction to Tolkien s work which also aims to redress these deficiencies in earlier criticism Two chapters are devoted to The Lord of the Rings a third explores the bewildering profusion of shorter works the last considers the significance of Tolkien s life and career in the century of modernism **A Companion to J. R. R. Tolkien** Stuart D. Lee,2020-06-02 This is a complete resource for scholars and students of Tolkien as well as avid fans with coverage of his life work dominant themes influences and the

J. Gervel,2025-05-27 Perhaps you have read *The Lord of the Rings* multiple times because it is a captivating story Maybe you experienced an awakening through the narrative that drew you back to Middle earth again Some have chosen to relive the journey from *The Shire* and back again because the adventure continues to bring new unexpected clarity about life Whatever the reason the story was compelling enough for you to revisit those hundreds and hundreds of pages all over again Tolkien s

Mythic Meaning explores how and why After J R R Tolkien s The Hobbit debuted in 1937 readers were so enchanted by Bilbo s adventures they demanded more It took Tolkien over a decade to write The Lord of the Rings a monumental undertaking but one well worth the time invested to produce something he perceived readers were desperately hungry for Tolkien s Mythic Meaning demonstrates how Tolkien intentionally crafted The Lord of the Rings so that its narrative would mediate meaning to readers on a personal level deeper than words
