Stella,2000-12 Maria's Story

is an oral history as dictated by Maria Wolf Stella about people and events sought by academic scholars to authenticate studies of Germany's Nazi era. Her father's imprisonment and then enforced unemployment led to meager meals at home, discrimination in school, and for Maria at age 14 an order to report for work in a war material factory. Throughout she faced wartime terror and carnage as bombing raids around the factory increased in frequency and destructiveness. Maria survived shock, heartbreak, and grief from the bombing of her village. She survived being strafed by a fighter plane, a tank bombardment of a bunker which she alone occupied, and the sniping by a lone hidden rifleman while searching for her sister. Eventually even her sunny disposition could not dispel feelings of despair and foreboding for the future. World War II introduced a new form of warfare with primary casualties shifting from battlefield soldiers to civilians in cities, followed by a cold war era filled by the murder and genocide of millions by communist governments. An introduction to the book written by Robert Stella outlines a national intercontinental ballistic missile defense system to shield the nation's city dwellers against incineration by H bomb warheads. Ten appendices also by Robert Stella provide new perspective to World War II events, an eleventh reviews essentials of a U.S. Ballistic Missile Star Wars Defense System. **Anne Frank** Ruth Ashby, 2010-05-11 In 1933 at the age of four, Anne Frank and her family fled from the Nazis in Germany and sought safe haven in Amsterdam, the Netherlands. In 1940 when the Germans invaded the Netherlands, the Frank family once again feared for their lives. Like tens of thousands of Dutch Jews, the Franks went into hiding. They lived in several hidden rooms known as the Secret Annex above Mr. Frank's office building. It was there that Anne wrote her now famous diary. The Franks lived in hiding for two years before they were discovered and sent to Auschwitz, the most well-known and feared concentration camp. Anne Frank gave a human face to the victims of the Holocaust and a courageous voice to all those who were silenced. Though Anne Frank only lived to the age of fifteen, her inspirational childhood is perhaps the best known in history. **Violence in the Contemporary World: An Interdisciplinary Approach** Paromita Chakrabarti, Natália De'Carli, Joana Patrício, 2019-01-04 This volume was first published by Interdisciplinary Press in 2014. Understanding violence in the context of the contemporary world leads us to an infinite number of viewpoints and theoretical frameworks. Not only the study of violence has been largely split into specific groups, but at the same time different disciplines seem to have assumed the existence of a peaceful society in which violence occurs only in specific places and events, including armed conflicts, civil unrest, and violent crime. However, it is a slippery concept that transcends unstable limits between public and private legitimacy and illegitimacy, individual and collective spheres. Taking an interdisciplinary approach to the concept of violence in the contemporary world, we present a collection of seventeen chapters organized in four sections: Sexualised and Intimate Partner Violence, encouraging disclosure; Urban Violence, crime and fear in the contemporary world; Representing violence, a critical analysis; Violence and Political destabilization, war, elections, and corporations. Present Tense, 1988 The magazine of world Jewish affairs. **A Parent/Teacher Guide to Children's Books on Peace and Tolerance** Bob Blumenthal, 2005 How do you teach children to
