## Some Hard Questions:

**'Hell': A Hard Look at a Hard Question** David J. Powys, 2007-01-01 I welcome this rigorous examination of some of the many questions which are raised by the doctrine of hell At a time when it is rare to hear even heaven spoken about in our churches it is encouraging that this sober theme is once more in our sights It was plainly often on the lips of Jesus Nigel M de S Cameron Trinity International University Dr Powys has pursued a rigorous examination of the Scriptures He rivets our attention on what the New Testament actually says about the fate of the unrighteous This is a seminal work David Claydon Federal Secretary CMS Australia The author writing from a position of biblical conservatism has presented a powerful convincing and scholarly case for the view that the unrighteous will forfeit resurrection life in the Kingdom of God It is in my judgment the most thorough treatment of the issue in recent years John W Pryor Macquarie University This book is an impressive thorough discussion of a thorny question Dr Powys is at home in many branches of biblical studies He examines the biblical evidence carefully and sets his case out lucidly and with real insight showing convincingly how ill founded are many ancient and many recent views on the fate of the unrighteous His own solution of a set of complex exegetical and theological issues is judicious and clearly the end result of careful thought from the Foreword by Graham Stanton University of Cambridge David Powys has made a significant contribution to an increasingly important debate His book s real strength lies in its very careful study of New Testament teaching in the light of a comprehensive analysis of the Old Testament and Jewish literature This literature is rightly seen not merely as background but as the key to a right understanding of the New Testament teaching I wish that such a clear discussion had been available when I first began engaging with these questions Stephen Travis St John s College Nottingham David Powys was educated at The University of Melbourne He gained degrees in arts and social work studied theology at Ridley College and was ordained in 1981 Dr Powys has ministered in four Melbourne parishes He is an Examining Chaplain to the Archbishop of Melbourne and a member of Archbishop in Council and National Synod He was awarded the Doctor of Theology by the Australian College of Theology in 1994 for his *The Hermeneutics of Hell* The present volume is a slightly abbreviated version of that dissertation

**Hard Questions** John Kekes, 2019-01-15 In this book John Kekes discusses the hard questions we all must face in the course of our lives How should we respond to evil Do we owe what our country asks of us Does it make us better to be ashamed of what we have done Is it always good to be true to who we are Do good intentions justify bad actions John Kekes argues that such questions are hard because reasonable answers to them often conflict He shows how their conflicts can be resolved and how we can best cope with these problems

**Hard Questions** Judith L. Pace, 2021-02-15 Teaching controversial issues in the classroom is now more urgent and fraught than ever as we face up to rising authoritarianism racial and economic injustice and looming environmental disaster Despite evidence that teaching controversy is critical educators often avoid it How then can we prepare and support teachers to undertake this essential but difficult work *Hard Questions Learning to Teach Controversial*

Issues based on a cross national qualitative study examines teacher educators efforts to prepare preservice teachers for teaching controversial issues that matter for democracy justice and human rights It presents four detailed cases of teacher preparation in three politically divided societies Northern Ireland England and the United States The book traces graduate students learning from university coursework into the classrooms where they work to put what they have learned into practice It explores their application of pedagogical tools and the factors that facilitated or hindered their efforts to teach controversy The book s cross national perspective is compelling to a broad and diverse audience raising critical questions about teaching controversial issues and providing educators researchers and policymakers tools to help them fulfill this essential democratic mission of education **100 Tough Questions about God and the Bible** Stephen M.

Miller,2014-04-15 Straightforward answers to questions Christians and skeptics alike ask about God and the Bible Let s be honest the Bible can be hard to understand It s full of weird laws apparent inconsistencies and tales of a God who often doesn t do what we expect You may have asked about some of these things and been brushed off or given trite unconvincing answers But serious questions deserve thoughtful responses especially when opinions of Bible experts clash Stephen M Miller pulls insight from a wide range of Bible experts to report their answers to the tough questions He does so with a touch of humor and no preaching allowing you to draw your own conclusions Questions include Would a loving God really put a good man like Job through horrible suffering just to test his loyalty If God knows everything why did he test Abraham s faith by asking him to sacrifice his own son How could there be just one God yet three Since Jesus told people to turn the other cheek why aren t more Christians pacifists Asking God Some Tough Questions E. Graham,2015-11-20 I was taken into the Spirit for three days That s when God revealed to me that I was to write this book and interview Him He said to me This book is one of My many tools that I will use in these last days to bring many out of bondage and bring healing to the nations of the world This is not a new revelation as God said He is the same yesterday today and forever This book just deals with serious questions of everyday life and the answers from God Himself God said this does not replace or override His written Word in the Holy Scriptures but is another aide for everyday living All the questions and answers were under the inspiration of God

*Challenging Life: Existential Questions as a Resource for Education* Jari Ristiniemi,Geir Skeie,Karin Sporre,2018 There is an increasing recognition today that young people need to have knowledge about religions and world views in order to live and work in diverse societies What kind of maps are they provided with through religious values and ethics education Does education address the challenging existential questions that children and adolescents ask about life and the world This volume addresses different aspects of how existential questions have been dealt with in educational research It especially draws attention to the Swedish research tradition of focusing on life questions and the interpretation of life in education but with contemporary international research added It also addresses issues of ethics education and discusses possible options for the future of existential questions as a resource for education **20 Tough Questions Teenagers Ask and 20 Tough**

**Answers** Lois Jean Davitz, Lois L. Davitz, Joel Robert Davitz, 1998 Addresses tough questions teens ask dealing with issues of faith death sexuality contraception divorce family etc and provides responses to these questions based on fundamental Christian values

**Difficult Questions on Dinosaurs** Richard Pittack, 2011-07-01 This book is not the typical Questions and Answers on Dinosaurs book It is not a book for children enabling them to find out the largest recorded dinosaur to discover what dinosaurs ate or even how they managed to get up after nap time An informative book on the biology and anatomy of the mighty reptiles it is not The series of questions in this treatise of answers has arisen from meetings conducted on dinosaurs The questions have come from all kinds of people in various and sundry walks of life Some of the questions were common and not much is to be learned from answers to such generalities However some of the questions are not only posited by the curious but come from hearts filled with consternation while contemplating the subject of Theodicy Did the Creator contribute heavily to the world's landscape of tooth and claw Is the canvass of God's creation not only etched in blood but filled with the stench and smell emanating from the so called Mesozoic Era of the past

**Answers to Tough Questions** Tony Marinez, 2010-03-04 We live in a world filled with complexities and difficult choices to make When we add in the hectic and faced paced lives that we lead it's no wonder that most of us spend a lifetime searching for answers Unfortunately many people fail to go to the one place that contains answers to every difficulty that man could face the Bible Answers to Tough Questions is meant to encourage believers not only to finding the answers to life's difficulties but to maintaining consistent fellowship with the Lord who holds those answers This book was prayerfully conceived with the desire that every reader would be strengthened and encouraged in their growth in the Lord

[Straight Answers to 35 Tough Questions](#) Gordon Kainer, 2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowin in the wind but we've learned that really important answers don't come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God's Word That's the reason God's first question in the Old Testament is Where are you while the first question the wise men ask in the New Testament is Where is He It's been observed that God answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That's one reason we're not only to confront knotty questions but willingly accept God's unraveling answers

Some Hard Questions: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. Some Hard Questions : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Some Hard Questions : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
