decisions decisions The world our lives every day is full of them Big or little major or minor we are constantly choosing between paths But have you ever thought about how that happens More importantly have you ever impulsively made a decision that turned out not to be in your best moral or spiritual interests Overall are you sure that the decisions you re making are helping you get closer to God's desire for your life In Discovering Your Dream Gerald Fagin SJ uses St Ignatius's principles of the Spiritual Exercises coupled with an Ignatian approach to decision making to guide us through a discernment process that truly satisfies our deepest desires and brings us closer to God He shows readers how St Ignatius s own decision making process can be molded to meet the needs of our faith and lead us to our truest selves that God desires for all of us When faced with difficult or crippling decisions it helps to seek wisdom in others Discovering Your Dream shows us that the path to our truest desires is attainable in our own lives when we are guided by the groundwork laid by St Ignatius Publishers' Trade List Annual ,1979 In Season and Out Ian Lyall, 2006-02-08 IN SEASON AND OUT is a collection of Christian Sermons The whole gamut of themes is covered from God and Jesus to The Church The Bible Christian Living The Holy Spirit and Prophecy The aim is always to preach and teach what is in true accord with the Word of God and Jesus is taught as the one true living way to God and also taught is the need for new birth God with Us Matt Mikalatos, 2025-04-01 Follow God's story of love hope and rescue from Genesis to the Gospels in this captivating graphic novel through stories told by Jesus himself The long walk home after celebrating Passover in Jerusalem should be a joyful journey but this year the travelers are sad and afraid Then a mysterious stranger shows up and starts telling stories from many years ago all the way up to the recent death of Yeshua Jesus on the cross and the friends can t wait to hear more This intriguing funny and heartfelt journey explores Scripture from Creation to the Resurrection through the eyes of curious children and grown ups walking with Yeshua on the Road to Emmaus *Taking the Adventure* Gracia Fay Ellwood, 2014-11-11 What is the relationship between faith especially Christian faith and a lifestyle that respects animals as our neighbors and kin Why should faith entail a commitment to vegetarianism Are animals meant to be heirs of the kingdom of God as well as human beings Taking the Adventure offers answers to these questions in the context of important biblical themes of Eden and Exodus of the prophetic imperative of Jesus as a prophet proclaiming liberty to the oppressed and the captives of the feast of the kingdom of the resurrection and life beyond death It explores imagery from familiar novels such as A Christmas Carol and The Hobbit that deal with cravings anxiety and true abundance It proposes that committing ourselves to live in God given peace with all living beings and sharing with others the good news of that peace is an adventure worth the best we can give an arduous and painful yet joyous adventure climaxing in return to the heart of God Monographic Series Library of Congress, My Walk with God Milta Velez, 2007-05-22 Take my life or change it Milta Velez declared to a God she had just met With this statement she challenged God while standing at the altar with a gun in her purse She grew up in Manhattan at a time when womens liberation was born She sought her identity in the nightclubs of

New York With five disastrous relationships she was following in the footsteps of the Samaritan woman when Jesus touched her and saved her life Tired and desperate she surrendered to Jesus During her walk with God she struggled with the conversion of being a Christian because she didnt believe in miracles until the day she decided to put Jesus to the test Her first granted miracle enabled her to purchase her first home without any credit or collateral Milta soon discovered that anything is possible in the name of Jesus And that a dreamer in the hands of God can accomplish great things Milta sets an example of what one can accomplish when one surrenders their hopelessness to God Today she owns a travel agency a **Jesus** Volker Schunck, 2017-05-06 You haven t necessarily to be a theologian to be able to restaurant and the property understand the Sermon on the Mount of Jesus parables Trivial stories for simple people migrant workers tax collectors prostitutes For the righteous and the sinners We can t witness the miracles first hand but the stories by Jesus are simple and understandable for those who listen to them with open hearts Unfortunately we have to miss the charisma of the storyteller Jesus I only can imagine how he betokened with shining eyes and a burning heart with wide arm movements the greatness of God's love and mercy how he sat to the feet of the poorest and how he draw with his fingers pictures in the sand to make his stories more vivid Jesus simply comes along a wandering preacher with dusty feet and unwashed hands and forgives sins That he does with God's power And everything what he is doing becomes to a sign as God means it with his humans Jesus sees the essential because he knows God's heart. The dirty hands during the meal don't make the human impure but what comes out of his mouth bad words out of a bad heart they make the human impure The commandments are for the humans not against them Therefore he heals at the Sabbat and picks with his disciples grain from the field The theologians haven t the last word but let the little children come to me for they understand God's realm With Jesus everything suddenly becomes quite simple Love God and your Next like your Self That's it Even a faith as small as a mustard seed can set mountains Don t worry about tomorrow but trust in God Jesus himself was deeply anchored in the Jewish piety He knew God as a son knows **Identity** Volker Schunck, 2020-05-26 Since I can think I am a Christian The Christian faith determined me that his father much that I gave up my occupation as industrial clerk to study theology It isn t still anymore about here I am a human who believes and there is God but God is strangely coming under my skin determining my whole identity Therefore the name of the book Identity It came in my mind after the revision of a few of my books I realized how much the Christian faith has made up my life How fulfilled and meaningful it has made my life And that gave me the idea of combining the texts from the books that are most important to me into one book Generally the Christian faith is understood this way Church tells you what you have to believe in Maybe I also thought so in the beginning I don't know anymore But then I experienced faith differently Not as something given static which I have to believe to be true in the worst case have to swallow to be classified as a Christian I experienced the Christian faith rather as a vivid trust than a considering something to be true Rather as vivid dance which God dances with me than a building in which I m closed in No one is ever done Just as he or she participates in a lifelong

development process the Christian faith is never finished The texts in this book which have been written over the past 20 years give a living evidence of this Finally This English edition contains different texts than the German published under the What was He?
