Princeton Alumni Weekly Jesse Lynch Williams, Edwin Mark Norris, 1994 *I'll Never Write My Memoirs* Grace Jones, Paul Morley, 2016-06-14 Iconic music and film legend Grace Jones gives an in depth account of her stellar career professional and personal life and the signature look that catapulted her into the stardom stratosphere Grace Jones a veritable triple threat as acclaimed actress singer and model has dominated the entertainment industry since her emergence as a model in New York City in 1968 Quickly discovered for her obvious talent and cutting edge style Grace signed her first record deal in 1977 and became one of the more unforgettable characters to emerge from the Studio 54 disco scene releasing the all time favorite hits Pull Up to the Bumper Slave to the Rhythm and I m Not Perfect But I m Perfect for You And with her sexually charged outrageous live shows in the New York City nightclub circuit Grace soon earned the title of Queen of the Gay Discos But with the dawn of the 80s came a massive anti disco movement across the US leading Grace to focus on experimental based work and put her two and a half octave voice to good use It was also around this time that she changed her look to suit the times with a detached androgynous image In this first ever memoir Grace gives an exclusive look into the transformation to her signature style and discusses how she expanded her musical triumph to success in the acting world beginning in the 1984 fantasy action film Conan the Destroyer alongside Arnold Schwarzenegger then the James Bond movie A View to a Kill and later in Eddie Murphy s Boomerang Featuring sixteen pages of stunning full color photographs Miss Grace Jones takes us on a journey from Grace s religious upbringing in Jamaica to her heyday in Paris and New York in the 70s and 80s all the way to present day London in what promises to be a no holds barred tell all for the ages **Memoirs and Correspondence of Madame Récamier. Translated ... and edited by I. M. Luyster. Fourth edition. [With a portrait.]** Amélie LENORMANT, 1867 **Motherhood Memoirs: Mothers Creating/Writing Lives** Justine Dymond, 2013-07-01 The authors in this collection examine and critique motherhood memoir alongside the texts of their own lives while seeking to transform mothering practice highlighting revolutionary praxis within books or when none is available creating new visions for social change Many essays interrogate the tensions of maternal narrative the negotiation of the historical location of writer and readers narrative and linguistic constraints and the slippery ground of memory as well as the borders constructed between the objective scholar and the reader who engages with and identifies with texts through her intellect and her emotional being Children of the Book Ilana Kurshan, 2025-08-26 A mother s celebration of the power and wonder of lifelong reading Zibby Owens My Most Anticipated Books 2025 In Children of the Book Ilana Kurshan reveals how literature weaves an invisible thread through the tapestry of family life Kurshan a mother of five living in Jerusalem struggles to balance her passion for books with her responsibilities as a parent Gradually she learns how to relate to reading not as a solitary pursuit and an escape from the messiness of life but rather as a way of forging connection and teaching independence Introducing her children to sacred and secular literature including the beloved classics of her childhood she

becomes both a better mother and a more compassionate reader Chief among the books Kurshan reads with her children is the Torah whose ancient wisdom illuminates her family's path Structured in five parts corresponding to the first five books of the Bible this memoir traces the profound parallels between the biblical narrative and the daily rhythms of parenthood from the first picture books that create the world through language for little babies to the bittersweet moment our children begin reading on their own leaving us behind atop the mountain as they enter new lands without us A luminous meditation on how shared stories become the foundation for family bonds Children of the Book celebrates a life richly lived through literature
