Son Of God:

The Son of God Charles Lee Irons, Danny Andre Dixon, Dustin R. Smith, 2015-12-04 This is a multi view book in which representatives of differing viewpoints make a positive statement of their case followed by responses from the others and concluding with a rebuttal by the original author The topic at hand in this book is the identity of Jesus also known as Christology What is the meaning of Jesus s identity as the Son of God Charles Lee Irons argues that the title Son of God denotes his ontological deity from a Trinitarian perspective Danny Andre Dixon and Dustin R Smith challenge this view from two different non Trinitarian viewpoints Smith argues that Jesus is the authentically human Son of God the Davidic Messiah who did not possess a literal preexistence prior to his virgin birth Dixon argues that Jesus is God s preexistent Son in the sense that God gave him life or existence at some undefined point prior to creation The authors engage the topic from the perspective that reverences the authority and inspiration of Scripture as the final arbiter of this debate The literature of early Judaism is also engaged in order to try to understand the extent to which the New Testament s Christology may have been influenced by or operated within the context of Jewish conceptions of divine secondary beings as agents of God **Jesus the**

Son of God D. A. Carson, 2012-11-30 Although it is a foundational confession for all Christians much of the theological significance of Jesus s identity as the Son of God is often overlooked or misunderstood Moreover this Christological concept stands at the center of today s Bible translation debates and increased ministry efforts to Muslims New Testament scholar D A Carson thus sheds light on this important issue with his usual exegetical clarity and theological insight first by broadly surveying Jesus s biblical name as the Son of God and then by focusing on two key texts that speak of Christ s sonship The book concludes with the implications of Jesus s divine sonship for how modern Christians think and speak about Christ especially in relation to Bible translation and missionary engagement with Muslims across the globe *The Son of God in the Roman World* Michael Peppard, 2011-08-29 The author examines the social and political meaning of divine sonship in the Roman Empire He analyzes the conceptual framework within which the term son of God has traditionally been considered in biblical scholarship Then through engagement with recent scholarship in Roman history he offers new ways of interpreting the Christian theological metaphors of begotten and adoptive sonship He focuses on social practices and political ideology revealing that scholarship on divine sonship has been especially hampered by mistaken assumptions about adopted sons

Son of God Garrick V. Allen, Kai Akagi, Paul Sloan, Madhavi Nevader, 2019-03-04 In antiquity son of god meaning a ruler designated by the gods to carry out their will was a title used by the Roman emperor Augustus and his successors as a way to reinforce their divinely appointed status But this title was also used by early Christians to speak about Jesus borrowing the idiom from Israelite and early Jewish discourses on monarchy This interdisciplinary volume explores what it means to be God's son's in ancient Jewish and early Christian literature Through close readings of relevant texts from multiple ancient corpora including the Hebrew Bible the New Testament the Dead Sea Scrolls Greco-Roman texts and inscriptions early Christian and Islamic texts and apocalyptic literature the chapters in this volume engage a range of issues including messianism deification eschatological figures Jesus interreligious polemics and the Roman and Jewish backgrounds of early Christianity and the authors of the Dead Sea Scrolls The essays in this collection demonstrate that divine sonship is an ideal prism through which to better understand the deep interrelationship of ancient religions and their politics of kingship and divinity In addition to the editors the contributors to this volume include Richard Bauckham Max Botner George J Brooke Jan Joosten Menahem Kister Reinhard Kratz Mateusz Kusio Michael A Lyons Matthew V Novenson Michael Peppard Sarah Whittle and N T Wright

The Son of God Karl Adam, 1934 The most startling claim ever made by any religious body is the belief of the Catholic Church that Jesus Christ is divine that He was born of a human being and that He became true man with a true human soul and true human body with the two natures divine and human united in one person The implications of such a claim are staggering and upon it is based the whole Christian belief If Christ is not God then Christianity is merely a body of ethical teaching if He is God then Christianity is unquestionably the true religion *King and Messiah as Son of God* Adela Yarbro Collins, John J. Collins, 2008-11-03

This book traces the history of the idea that the king and later the messiah is Son of God from its origins in ancient Near Eastern royal ideology to its Christian appropriation in the New Testament Both highly regarded scholars Adela Yarbro Collins and John J Collins argue that Jesus was called the Son of God precisely because he was believed to be the messianic king This belief and tradition they contend led to the identification of Jesus as preexistent personified Wisdom or a heavenly being in the New Testament canon However the titles Jesus is given are historical titles tracing back to Egyptian New Kingdom ideology Therefore the title Son of God is likely solely messianic and not literal King and Messiah as Son of God is distinctive in its range spanning both Testaments and informed by ancient Near Eastern literature and Jewish noncanonical literature **Son of God** Christopher Bryan, 2023

Christianity spread into the Roman Empire But it started with the words and works of Jesus of Nazareth in Galilee which was a client state of the empire Being a client state meant of course that Galilee was by no means unaffected by Rome Herod Antipater the Tetrarch known as Antipas ruled at Rome's pleasure and paid tribute to Rome for the privilege It is hard to imagine Jesus of Nazareth and his

compatriots were not aware of this Nevertheless Antipas did rule in Galilee and that had consequences He was at least ostensibly an observant Jew He went up to Jerusalem for the major festivals He minted his own coins which adhered to the Jewish anti iconic tradition featuring only floral decoration and were not offensive to Jewish sensibilities He collected his own taxes then paying his own tribute directly to Rome He had his own army contrary to the pictures beloved of Hollywood Galilee was not at this period filled with Roman soldiers marching all over the place *Jesus the Son of God* D. A. Carson, 2012 Although it is a foundational confession for all Christians much of the theological significance of Jesus's identity as the Son of God is often overlooked or misunderstood Moreover this Christological concept stands at the center of today's Bible translation debates and increased ministry efforts to Muslims New Testament scholar D A Carson sheds light on this important issue with his usual exegetical clarity and theological insight first by broadly surveying Jesus's biblical name as the Son of God and then by focusing on two key texts that speak of Christ's sonship The book concludes with the implications of Jesus's divine sonship for how modern Christians think and speak about Christ especially in relation to Bible translation and missionary engagement with Muslims across the globe *The Son of God* Jamal E. Halabi, 2000-12 These books are written to all who are in search for the almighty God whom we do not know or see but whom we have rather heard about from our fathers and forefathers and read about in our religious textbooks Yet it is impossible to believe and love God if we do not know him We can hardly know ourselves And the mystery keeps getting bigger Who is this God Is he the same one to all And if he is why all the confusion and misunderstandings Did he really create us for suffering on purpose and if not what is the Origin of it all *When God the Son Became the Son of God* Robert Fuller, 2008-03 Two baffling concepts have always confronted Christianity the doctrine of the trinity and the subject of Christology Both subjects deal with the inexplicable mysteries of how God became incarnate in Jesus Christ and when did Jesus know He was God The author believes the subject of the trinity is actually simple and easily understood from a scriptural perspective This book is for anyone who wants to know about the preexistence of Jesus Christ for believers who might be unsure about their personal salvation and for all Christians who want the entire message of how and why Jesus is the Son of God Robert Fuller is an ordained minister having received his B A degree in the Biblical Field from Abilene Christian University and a M Ed degree from the University of North Texas Mr Fuller states I was raised a Trinitarian as defined by the Nicene Council of 325 A D and was taught Chalcedonian Christology yet it was not until later in life that I have come to understand the scriptures concerning why and how God the Son emptied Himself not of divinity but of equality with Very God to become the Son of God and eventually the man Jesus Christ Jesus was the Son of God in human form and fulfilled God's perfect will so that God the Father gave Him the authoritative name of Jesus Jesus was aware of His divinity at His barmitzvah when He demonstrated to the temple priest His divine wisdom about the Torah Catholics have always been right about Mary being the Mother of God She knew Jesus was God in the flesh and no doubt informed Him early on about His miraculous conception Jesus virgin birth was something Mary

just couldn't keep to herself Luke 1:46-56 Is Jesus The Son of God? P.Zainul Abideen, In the name of the Lord The most Merciful and Beneficent Jesus was a Prophet and one of those reformists who propagated that Allah is the one and only God whom alone men should worship So do the Quran and the Prophet Mohammed PBUH describe Jesus Therefore it is obligatory on the Muslims to believe it Christians who have faith in Jesus and believe him as the God and the son of God as well worship him as much What exactly is the inference regarding the status of Jesus whom the two great religions of the world believe in It is indeed our right and duty too to analyse and discern the truth It is especially so at such a juncture of the century when Christians are earnestly endeavouring to goad the Muslims to believe that Jesus is undoubtedly the son of God by interpreting to their own end the various Quranic verses where Jesus is being eulogized by God A scrutiny of the Bible and the Quran without prejudice will convince even those with inadequate knowledge of the two great scriptures that there cannot be a son of God While there are ample evidences leading to such a decisive conclusion the Christian brethren who are misled by the clergy believe in the theory of Son of God thereby forgoing the chance to attain salvation in the hereafter By quoting freely from the Bible itself I have brought to light the fact that Jesus is not the Son of God but on the other hand he was one of the great Prophets of God The Christian brethren who peruse this book unbiasedly without any like or dislike whatsoever will certainly discern the truth that Jesus was a saintly Prophet of God I do therefore hope and pray that they will no more consider him as God or Son of God Amen **THE MEANING OF SON OF GOD (IIUM PRESS) UNGARAN** RASHID,2021-03-16 The Meaning of Son of God provides a Biblical interpretation of the term son of God The term interpreted in a different way by the Christians and the Christian's explanation on this term responded by Muslim through Islamic view which considered as a mistake in term of faith As a result there is a misunderstanding between Christian and Muslims concerning the term son of God The Son of God in the Roman World Michael Peppard,2011-07-18 Winner of the 2013 Manfred Lautenschlaeger Award for Theological Promise Michael Peppard examines the social and political meaning of divine sonship in the Roman Empire He begins by analyzing the conceptual framework within which the term son of God has traditionally been considered in biblical scholarship Then through engagement with recent scholarship in Roman history including studies of family relationships imperial ideology and emperor worship he offers new ways of interpreting the Christian theological metaphors of begotten and adoptive sonship Peppard focuses on social practices and political ideology revealing that scholarship on divine sonship has been especially hampered by mistaken assumptions about adopted sons He invites fresh readings of several early Christian texts from the first Gospel to writings of the fourth century By re interpreting several ancient phenomena particularly divine status adoption and baptism he offers an imaginative refiguring of the Son of God in the Roman world *Conformation to the Image of the Son of God* Witness Lee, We were created in His image by the Triune God Now through the redemption and salvation of the Triune God every one of us one day will be conformed to the image of God's firstborn Son Thus God's firstborn Son with the many sons will constitute God's corporate expression This

also accomplishes God's original purpose of creation that is that man may have God's image and by God's life live Him out to express Him. Moreover, He desires those who are saved by His life to express the glory and beauty of His divine attributes in their human virtues. When we who died with Christ and live with Him express the glory and beauty of the divine attributes such as love, light, holiness, righteousness, patience, and humility in our human virtues, God will obtain an unsurpassing glory through this. In this way, we are corporately conformed to the image of the firstborn Son.

The Gospel of the Son of God

David R. Bauer, 2019-11-19. From beginning to end, the Gospel of Matthew emphasizes that Jesus is the Son of God. In this comprehensive introduction to Matthew, David Bauer presents a holistic inductive approach with a literary, theological, and canonical focus. Exploring issues of genre, interpretive methods, authorship, audience, and literary structure, he also guides readers through interpretation and emerging theological themes.

Letters on the Eternal Generation of the Son of God

Moses Stuart, 2010-09-20. This is a clean and complete reprint of Moses Stuart's *Letters on the Eternal Generation of the Son of God*, Addressed to the Rev. Samuel Miller, D.D. It was originally published in Andover, MA, in 1822. Stuart (1780-1852), a noted evangelical biblical scholar and theologian, examines the doctrine of the eternal generation of the Son in light of the early church fathers, scripture, and reason.

Jesus Son of God—Son of Man Jesus Is Our Pattern

J. Harlow Holmes, 2019-05-10. This is a Commentary like no other today. It reveals the true nature of Jesus as He walked on the earth and fulfilled the very necessary role that was required because of Adam's fall. It fulfills the passage of I Corinthians 15:45, the last Adam. Jesus had to be like us in order to take our place. He was not God in flesh, as preached today from most pulpits. He was the manifestation of God. His Father, Manifestation, is the KEY word. He was God manifested in the flesh. When the Apostles saw Jesus in action, they saw God the Father. John 14:9-11. We can see God in Jesus. Another important message is that Jesus was our pattern. We, the Church, should be doing the things that He did today. He said to the disciples, "As the Father sent Me, so send I you." John 20:21. Then He included us in His prayer in John 17:20-21. The Bible has been translated by those who believe in the doctrine of the Trinity. This came from Constantine and the first Nicene Creed in the 300s AD, with the penalty of death involving over 200 Bishops if they did not sign it, as he commanded. It seems that two were willing to die for the truth. All that was required to emphasize that Jesus was God, just involved some prepositions and pronouns. However, the bulk of Jesus' confession indicates otherwise. The Prologue is the foundation of proof that Jesus was a human being just like you and me. The Lord told me that most everyone is a product of someone else's teaching today. However, when I was first filled with the Holy Spirit in my mid-twenties, Jesus told me to let Him teach me. I have been faithful to that command for nearly 65 years. This commentary is the result of that command.
